Running Mate:

A Love Unexpected Leah Brunner, 2021-06-11 My one and only goal has always been to make it to congress I've got it all the looks the brains the connections Except I missed one glaring requirement a wife The conservative voters of Kansas don't trust an unmarried man Which means I need a bride Immediately The lovely Odette Hastings seems to fit the bill She's a wholesome small town girl and most importantly in need of cash I'll give her the money to take care of her elderly parents and she'll be the political arm candy I need The only problem is Odette is a little too beautiful a little too intelligent and much too distracting I have to keep my eye on the prize Even when I'm starting to think there might be something I'd rather have more A Love Unexpected is Book 1 in the Under Kansas Skies series This is a sweet closed door romance and can be read as a stand alone

Do Running Mates Matter? Christopher J. Devine, Kyle C. Kopko, 2020-05-15 The American vice presidency as the saying goes is not worth a bucket of warm spit Yet vice presidential candidates many people believe can make all the difference in winning or losing a presidential election Is that true though Did Sarah Palin for example sink John McCain's campaign in 2008 Did Joe Biden help Barack Obama win Do running mates actually matter In the first book to put this question to a rigorous test Christopher J Devine and Kyle C Kopko draw upon an unprecedented range of empirical data to reveal how and how much running mates influence voting in presidential elections Building on their previous work in *The VP Advantage* and evidence from over 200 statistical models spanning the 1952 to 2016 presidential elections the authors analyze three pathways by which running mates might influence vote choice First of course they test for direct effects or whether evaluations of the running mate influence vote choice among voters in general Next they test for targeted effects if that is running mates win votes among key subsets of voters who share their gender religion ideology or geographic identity Finally the authors examine indirect effects that is whether running mates shape perceptions of the presidential candidate who selected them which in turn influence vote choice Here in this last category is where we see running mates most clearly influencing presidential voting especially when it comes to their qualifications for holding office and taking over as president if necessary Picking a running mate from a key voting bloc probably won't make a difference the authors conclude But picking an experienced well qualified running mate will make the presidential candidate look better to voters and win some votes With its wealth of data and expert analysis this finely crafted study the most comprehensive to date finally provides clear answers to one of the most enduring questions in presidential politics can the running mate make a difference in this election

The Eighteen-Day Running Mate Joshua M. Glasser, 2012-07-31 No skeletons were rattling in his closet Thomas Eagleton assured George McGovern's political director But only eighteen days later after a series of damaging public revelations and feverish behind the scenes maneuverings McGovern rescinded his endorsement of his Democratic vice presidential running mate and Eagleton withdrew from the ticket This fascinating book is the first to uncover the full story behind Eagleton's rise and precipitous fall as a national candidate Within days of Eagleton's nomination a pair of anonymous

phone calls brought to light his history of hospitalizations for nervous exhaustion and depression and past treatment with electroshock therapy The revelation rattled the campaign and placed McGovern s organization under intense public and media scrutiny Joshua M Glasser investigates a campaign in disarray and explores the perspectives of the campaign s key players how decisions were made and who made them how cultural attitudes toward mental illness informed the crisis and how Eagleton s and McGovern s personal ambitions shaped the course of events Drawing on personal interviews with McGovern campaign manager Gary Hart political director Frank Mankiewicz and dozens of other participants inside and outside the McGovern and Eagleton camps as well as extensive unpublished campaign records Glasser captures the political and human drama of Eagleton s brief candidacy Glasser also offers sharp insights into the America of 1972 mired in war and anxious about the economy a time with striking similarities to our own

The VP Advantage Christopher Devine, Kyle C. Kopko, 2016 A widespread perception exists among political commentators campaign operatives and presidential candidates that vice presidential VP running mates can deliver their home state s electoral votes in a presidential election In recent elections presidential campaigns have even changed their strategy in response to the perceived VP home state advantage But is the advantage real And could it decide a presidential election In the most comprehensive analysis to date Devine and Kopko demonstrate that the VP home state advantage is actually highly conditional and rarely decisive in the Electoral College However it could change the outcome of a presidential election under narrow but plausible conditions Sophisticated in its methodology and rich in historical as well as contemporary insight The VP Advantage is essential and accessible reading for anyone interested in understanding how running mates influence presidential elections

OfficeMate Katie Ashley, 2018-05-26 Thorn From the first time I played army as a kid the military has been my life As an Airborne Major I d led my men through two tours in Afghanistan But when my father was elected president I became an even greater target for the enemy a prize for someone to take out To ensure not only the safety of myself but of my men I got stripped of my cammies shoved into an Armani suit and placed into a management position at my father s company After years of trekking through the desert with an assault rifle I was way out of my area of expertise which my transition coordinator was more than happy to let me know on a daily if not hourly basis The brunette bombshell would be the death of me in more ways than one especially since I hadn t been with a woman since my last deployment She s turning out to be one of the greatest foes I ve ever done battle with Isabel In the backwoods Georgia town I was born in you either married right out of high school or got the hell out of town I chose the second and never looked back After graduating top in my class I started working for The Callahan Corporation Fast forward five years and I was about to become the youngest female manager in the history of my department And then all the blood sweat and tears I d put into my career were for nothing when the boss s billionaire son was handed my position on a silver platter Not only that I was expected to help transition him into the job that was supposed to be mine Sure he s easy on the eyes with his chiseled good looks and

impossibly built physique but I m not going to let that distract me I hope soldier boy is good at military strategy because sabotage is the name of the game I ll be playing *Call Me Tom* James N.
