The Victory of Airpower Over a Fielded Army as Told by the Airmen Who Fought in Operation Allied Force**, 2003 In May 1999 our 81st Expeditionary Fighter Squadron EFS was flying out of Gioia del Colle Air Base AB Italy conducting around the clock combat operations in support of Operation Allied Force OAF In the midst of this several pilots began talking about writing a book Those of us who were airpower and military history buffs noticed that the combat we were experiencing was far different from much of what we had studied After Slobodan Milosevic capitulated and OAF ended in June we took stock of what we

had done and promised each other to write down our combat experiences and observations A 10s over Kosovo is the fruit of that commitment Our initial vision for this book was to let each pilot tell an anecdote or two Taken collectively those stories would provide others with an idea of what an A 10 group had or had not accomplished However as we wrote and exchanged ideas we decided that the book should focus primarily on the missions Therefore in the end our book includes many personal accounts of our relocation and beddown aircraft maintenance and combat experiences we tried to describe the tactical execution of those missions and the many activities that directly or indirectly supported them We have limited our focus to the contributions of the 40th Expeditionary Operations Group EOG comprised of personnel from the 81st EFS at Spangdahlem AB Germany and the 74th EFS from Pope Air Force Base North Carolina While we fondly mention some of the combat contributions of our fellow A 10 warriors in the 104th EOG who operated out of Trapani AB Sicily we do not tell their complete story
