Seen That, Now What? Andrea Shaw, 1996-04-09 You've never used a video guide like this before You loved *Chariots of Fire* and you want to see something like it Where do you start Look up *Chariots of Fire* in the index and find it in Drama There you'll see it listed under White Flannel Films Welcome to the glory days of the British empire when the ruling class rode horses on large country estates servants were in plentiful supply and only an adulterous lover questioned the status quo As in other costume dramas the period details are celebrations of all that was brilliant and luxurious with the camera sweeping over British Indian or African countrysides and exquisite turn of the century interiors But all this lush upholstery doesn't cover up the intelligent thoughtful stories usually based on Lawrence Forster and Waugh novels played by stellar British actors In White Flannel Films there are concise witty reviews of select movies like *A Room with a View* *A Passage to India* *Heat and Dust* *The Shooting Party* *Out of Africa* *White Mischief* and more There is also a unique ratings system that helps you distinguish the bombs from the sleepers But the key is that all these films offer the same kind of viewing experience if you like one chances are good you'll like the others too
