Schreiner,2010-05-05 Scripture s commands to persevere and warnings of the consequences if we fail have been met with apathy by some and led others to doubt the state of their salvation The fearful and eternal nature of these issues warrants careful examination of what the Bible says about perseverance Thomas Schreiner once again tackles this difficult topic in Run to Win the Prize Clarifying misunderstandings stemming from his more detailed treatment in The Race Set Before Us IVP 2001 Schreiner draws together an illuminating overview of biblical teaching on the doctrine of perseverance Schreiner details how God directs the collective warnings and exhortations of Scripture toward believers as a means of preservation We are to think of the call to persevere in light of the initial call to faith both agents by which God leads us to final salvation Those looking for a general treatment of the doctrine of perseverance will profit from the challenges and assurances in Run to Win the Prize **Finishing Well, Finishing Strong** Jim Grassi,2014-09-09 Many men struggle with identity issues mid life crises depression self esteem and defining a life mission Our culture has tried to redefine what Christian manhood means A growing number of men see their primary identity in what they do rather than who they are Not enough men value the importance of great character and modeling Christlike attitudes In Finishing Well Finishing Strong Jim Grassi explores what spiritual manhood looks like and how men can discover the joy of living an abundant life Persevering through pressure and stress to find God s peace allows men not to quit when the going gets tough Dr Grassi helps men discover the difference between having worldly success and developing spiritual significance Men will feel motivated empowered and equipped to better cope with the issues in our chaotic culture that impact personal growth Features include Practical and relevant ideas and resources to assist those wishing to find more joy in their lives Specific suggestions for lifestyle adjustments to give a better understanding of balance and stress management An exploration of what it means to have a spiritual mentor Powerful Bible studies for applying God s wisdom to developing short and long term goals Encouragement for perseverance and coping with chaotic issues *8 Habits for Growth* Darryl Dash,2021-08-03 Don t just do the right actions Build habits and watch your life be transformed Many books try to help you do the right actions But the real key to life transformation for yourself and then for others is building habits that become part of your life Because habits don t just dictate what you do They reflect who you are In 8 Habits for Growth Darryl Dash wants to show you the eight long term practices all very doable that will lead to permanent growth if you incorporate them into your life You ll learn why it s important to Make time Rest Read or listen to the Bible Pray Pursue worship and community in a church Care for your body Simplify your spiritual life Build a rule of life Personal growth doesn t happen overnight But it does happen slowly as you build God s habits into your life So what are you waiting for Start your new habits today and let God transform who you are and who you can become

Keeping the Faith Abel A. Bartley,2000-04-30 An examination of the political and economic power of a large African American community in a segregated southern city this study attacks the myth that blacks were passive victims of the southern Jim Crow system and reveals instead that in Jacksonville Florida blacks used political and economic pressure to

improve their situation and force politicians to make moderate adjustments in the Jim Crow system Bartley tells the compelling story of how African Americans first gained then lost then regained political representation in Jacksonville Between the end of the Civil War and the consolidation of city and county government in 1967 the political struggle was buffeted by the ongoing effort to build an economically viable African American economy in the virulently racist South It was the institutional complexity of the African American community that ultimately made the protest efforts viable Black leaders relied on the institutions created during Reconstruction to buttress their social agitation Black churches schools fraternal organizations and businesses underpinned the civil rights activities of community leaders by supplying the people and the evidence of abuse that inflamed the passions of ordinary people The sixty year struggle to break down the door blocking political power serves as an intriguing backdrop to community development efforts Jacksonville s African American community never accepted their second class status From the beginning of their subjugation they fought to remedy the situation by continuing to vote and run for offices while they developed their economic and social institutions
