November Her eye for detail catches the enchantment of small things played against the immensity of the river the gatling gun love song of tree frogs the fragile beauty of an evening primrose ravens always in close attendance like lugubrious sharp eyed nineteenth century undertakers and a golden eagle chasing a trout with wings akimbo like a cleaning lady after a cockroach As she travels downstream Zwinger follows others in history who have risked and occasionally lost their lives on the Colorado Hiking in narrow canyons she finds cliff dwellings and broken pottery of prehistoric Indians Rounding a bend or running a rapid she remembers the triumphs and tragedies of early explorers and pioneers She describes the changes that have come with putting a big dam on a big river and how the dam has affected the riverine flora and fauna as well as the rapids and their future Science in the hands of a poet this captivating book is for armchair travelers who may never see the grandiose Colorado and for those who have run it wisely and well Like the author readers will find themselves bewitched by the color and flow of the river and enticed by what s around the next bend With her they will find its rhythms still in the mind long after the splash and spray and pound are gone *Canoeing* Cecil Kuhne,1998 Paddling Basics canoeing presents a guided tour to the fundamental equipment and techniques necessary to start out in this timeless sport **An Arrow to the Heart** Kit Cain,2006-05-15 An Arrow To The Heart is decidedly not a standard conventional love story la Cupid s arrow It s more like discovering too late that one s potential soul mate is equally attracted to a cat a wildcat to be precise in the form of an 18 year old daughter who is twice as precocious and desirable as her mother It s a challenge for none other than a master of the universe and that master is Jack Diamond himself the Master of the Welded Bead and the lead character in the story which goes by that same name It is actually a continuation of that story written originally as a follow on screenplay but of such a different character as to demand its own title The story is unique in that it demonstrates that no matter how advanced developed or experienced the soul the vastness of the Event Former s intelligence is always tossing a new combination of ingredients into life s cake to make the temptations of Satan seem like child s play next to the cake baked to tempt mastery s extended capabilities What would you have done wearing the shoes of any of the story s principle characters **Hearings** United States.
