Ranger Ideal Volume 3 Darren L. Ivey, 2021-08-15 Established in Waco in 1968, the Texas Ranger Hall of Fame and Museum honors the iconic Texas Rangers, a service that has existed in one form or another since 1823. Thirty-one individuals whose lives span more than two centuries have been enshrined in the Texas Ranger Hall of Fame. They have become legendary symbols of Texas and the American West. In *The Ranger Ideal Volume 3*, Darren L. Ivey presents capsule biographies of the twelve inductees who served Texas in the twentieth century. In the first portion of the book, Ivey describes the careers of the Big Four Ranger captains: Will L. Wright, Frank Hamer, Tom R. Hickman, and Manuel "Lone Wolf" Gonzallas, as well as those of Charles E. Miller and Marvin Red Burton. Ivey then moves into the mid-century and discusses Robert A. Crowder, John J. Klevenhagen, Clinton T. Peoples, and James E. Riddles. Ivey concludes with Bobby Paul Doherty and Stanley K. Guffey, both of whom gave their lives in the line of duty. Using primary records and reliable secondary sources and rejecting apocryphal tales, *The Ranger Ideal* presents the true stories of these intrepid men who enforced the law with gallantry, grit, and guns. This Volume 3 is the finale in a three-volume series covering all of the Texas Rangers inducted in the Hall of Fame and Museum in Waco, Texas. Tall Walls and High Fences Bob Alexander, Richard K. Alvord, 2020-10-15

Texas has one of the world's largest prison systems in operation for more than 170 years and currently employing more than 28,000 people. Hundreds of thousands of people have been involved in the prison business in Texas: inmates, correctional officers, public officials, private industry representatives, and volunteers have all entered the secure facilities and experienced a different world. Previous books on Texas prisons have focused either on records and data of the prisons, personal memoirs by both inmates and correctional officers, or accounts of prison breaks. *Tall Walls and High Fences* is the first comprehensive history of Texas prisons, written by a former law enforcement officer and an officer of the Texas prisons, Bob Alexander and Richard K. Alford. They chronicle the significant events and transformation of the Texas prison system from its earliest times to the present day, paying special attention to the human side of the story. Incarceration policy evolved from isolation to hard labor to rodeo and educational opportunities, with reform measures becoming an ever-evolving quest. The complex job of the correctional officer has evolved as well; they must ensure custody and control over the inmate population at all times in order to provide a proper environment conducive to safety and positive change. Alexander and Alford focus especially on the men and women who work with diligence and dedication at their jobs inside the walls, risking their lives and in too many instances giving their lives in a peculiar line of duty most would find unpalatable. Within these pages are stories of prison breaks, bloodhounds chasing escapees, and gunfights. Inside the walls are deadly confrontations, human trafficking, rape, clandestine consensual

trysts and tricks turned against correctional officers Famous people and episodes in Texas prison history receive their due from Texas Rangers apprehending and placing outlaws in prison to the famed gunfighter John Wesley Hardin s time in and out of prison Tall Walls and High Fences covers numerous convict escape attempts and successes including the 1974 prison siege at Huntsville and the 2007 prisoner gunfight and escape at the Wynne Unit Throughout this long history Alexander and Alford pay special tribute to the more than 75 correctional officers lawmen and civilians who lost their lives in the line of duty
