exciting funny informative moving and beautifully beautifully beautifully written Tim O'Brien *The Evening News* Arthur Hailey, 2015-10-20 Terrorists target a TV anchorman and his family in the 1 New York Times bestselling author's novel set in the high pressure network news industry Anchorman Crawford Sloane a respected reporter who made his name as a Vietnam War correspondent thrives on the unpredictability of life in the newsroom Whether he's covering the imminent crash of an airliner in distress terror in South America or riots in Eastern Europe or dealing with the cold blooded politics of one of America's premier news organizations he never loses his cool With terrorism dominating the evening news Sloane takes precautions because he knows that as the face of American democracy he's a prime target for radicals But when terrorists kidnap his family he's no longer reporting the news he's living it Unwilling to rely on the help of ruthless network executives or the intrepid reporter who was once a rival for the affections of his wife Sloane sets out to track down the kidnappers himself and he soon learns that pure terror can lie behind the headlines *Flight into Danger* John Castle, Arthur Hailey, 2015-10-01 When George Spencer a salesman trouble shooter managed late one night to catch the last seat on a charter plane at Winnipeg there was nothing to distinguish the flight from hundreds of others which take place all over the world every day The fifty odd passengers were ordinary intelligent people out to enjoy themselves at an important ball game The crew were well trained and efficient The aircraft was a four engined luxury plane of the type you would see at any large airport True they were late arriving at Winnipeg from Toronto due to local ground fog but there was nothing alarming in that It was soon after they had begun the last leg of their journey across 1 500 miles of rugged mountainous country to Vancouver that things started to happen things that could happen anywhere The reader shares the nerve wracking tension of an appalling emergency nearly four miles above the earth learns something of what it means to attempt to control a modern airliner and follows step by step the urgent developments on the ground *Flight into Danger* is a unique collaboration between John Castle and Arthur Hailey two writers who have each established for himself a considerable reputation for fully documented completely realistic suspense It was originally published in the USA under the title *Runway Zero Eight*
