Paul Delany

Rupert Brooke Twaynes English Authors Series No 504:

Rupert Brooke William E. Laskowski,1994 Defenders of World War I used the example of Brooke and his poems to justify the loss of so many young men to a conflict its detractors perceived as jingoistic and morally dubious *Subject Guide to Books in Print* ,1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Forthcoming Books** Rose Arny,1994-04 Library Journal ,1968 Sir Philip Sidney, Cultural Icon R. Hillyer,2010-04-12 This study analyzes Sir Philip Sidney s reputation from his own day to the present by discussing his reception in the work of authors as diverse in time and type as Sir Fulke Greville Christopher Hill Charles Lamb Edmund Waller and Thomas Warton the elder *Living War, Thinking Peace (1914-1924)* Bruna Bianchi,Geraldine Ludbrook,2016-04-26 This volume is the result of a long commitment of the online journal DEP Deportate esuli profughe to the themes of women pacifists thought and activism in the 1900s The volume is a collection of contributions centred around three main themes The first part Living War Women s Experiences during the War brings together first hand accounts from women s lives as they face the horrors of war drawn mainly from original sources such as diaries letters memoirs and writings The second Thinking Peace Feminist Thought and Activism explores the lives and thought of several key women activists who challenged inequalities and sought to create new opportunities for women contributing to the definition of a transnational culture of peace The final section International Relations Toward Future World Peace examines the work of a group of women who saw the outbreak of the First World War and the emergence of an international women s movement for peace as an opportunity to act for their personal emancipation and in some cases for a different idea of politics The volume fills a notable gap in international history studies providing a selection of contributions from little known European contexts such as Italy Poland and Austria The presence and contribution of African American women which has been neglected in the history of women s pacifism is also explored Particular attention is given to the Women s International League for Peace and Freedom and to the International Congress of Women held in The Hague in 1915 **The Hill of Devi** E. M. Forster,1988

J.R.R. Tolkien Tom Shippey,2014-02-21 The definitive Tolkien companion an indispensable guide to The Hobbit The Lord of the Rings and more from the author of The Road to Middle earth This highly erudite celebration and exploration of Tolkien s works is enormous fun declared the Houston Chronicle and Tom Shippey a prominent medievalist and scholar of fantasy deepens your understanding without making you forget your initial purely instinctive response to Middle earth and hobbits In a clear and accessible style Shippey offers a new approach to Tolkien to fantasy and to the importance of language in literature He breaks down The Lord of the Rings as a linguistic feast for the senses and as a response to the human instinct for myth Elsewhere he examines The Hobbit s counterintuitive relationship to the heroic world of Middle earth demonstrates the significance of The Silmarillion to Tolkien s canon and takes an illuminating look at lesser known works in connection with Tolkien s life Furthermore he ties all these strands together in a continuing tradition that traces its roots

back through Grimms Fairy Tales to Beowulf Shippey's commentary is the best so far in elucidating Tolkien's lovely myth wrote Harper's Magazine J. R. R. Tolkien Author of the Century is a triumph Chicago Sun Times that not only gives readers a deeper understanding of Tolkien and his work but also serves as an entertaining introduction to some of the most influential novels ever written «*Remov'd from human eyes*»: *Madness and Poetry 1676-1774* Natali, Ilaria, 2016-08-30 The years 1676 and 1774 marked two turning points in the social and legal treatment of madness in England In 1676 London's Bethlehem Hospital expanded in grand new premises and in 1774 the Madhouses Act attempted to limit confinement of the insane This study explores almost a century of the English history of madness through the texts of five poets who were considered mentally troubled according to contemporary standards James Carkesse Anne Finch William Collins Christopher Smart and William Cowper were hospitalized sequestered or exiled from society Their works cope with representations of insanity medical definitions or practices imputed illness and the judging eye of the sane other shedding new light on the discontinuities in the notion of madness of this period Rupert Brooke Nigel Jones, 2015-04-23 Paragon of youthful beauty romantic symbol of a lost England and precociously gifted poet Rupert Chawner Brooke died in a hospital ship off the Aegean island of Skyros in April 1915 aged just 27 All England mourned his passing But behind the glow of myth lies a darker reality At the height of his promise a disappointment in love triggered a mental and physical collapse that brought his inner complexities to the surface Letters reveal a man who was sexually ambivalent misogynistic anti Semitic and sometimes alarmingly unstable This revised edition of Nigel Jones's admired biography including an account of a previously unknown affair of Brooke's reveals a more conflicted and troubled individual than the gilded Adonis of English literary myth Forces of Labor Beverly J. Silver, 2003-04-21 This 2003 book analyzes the dynamics of labor movements introducing a new database on labor unrest events worldwide Bibliographic Guide to Womens Studies 1998 New York Public Library Staff, 1999-08

Duchess of Death Richard Hack, 2009 Draws from over five thousand previously unpublished letters notes and documents to reveal the personal and literary life of the notoriously private writer **Rupert Brooke** Keith Hale, 2022-04-22 Keith Hale editor of *Friends Apostles The Correspondence of Rupert Brooke and James Strachey 1905-1914* here examines the bowdlerization of Brooke in existing biographies and looks into the poet's self-proclaimed bisexual identity Hale examines the same sex relationships Brooke enjoyed with Michael Sadleir Charles Lascelles and Denham Russell Smith as well as the poems Brooke may have written about these early loves As with many boys of his generation Brooke's public school days affected him more profoundly than any period of his life During his years at Rugby Brooke was involved in romantic relationships with three boys In order Denham Russell Smith entered Rugby in May 1902 age thirteen Michael Sadleir followed in May 1903 age fourteen making him and Denham the same age Charles Lascelles entered in May 1904 at age fourteen Thus two of Brooke's Rugby loves were two years his junior and the boy he appears to have loved most Lascelles was three years younger *Books in Print Supplement*, 1984 Twentieth-century English History Plays Niloufer

Harben,1988-01-01 The book offers the clearest definition yet of the history play its scope and its limits Historical drama is an extremely popular genre among 20th century English playwrights Yet the sheer size and complexity of the subject has until now prevented critics from attempting a clear definition Dr Harben provides a new and original perspective taking into account modern ideas of and attitudes to history The author examines the varying approaches to history taken by modern historians and playwrights and provides a detailed analysis of the historical source material of selected plays The study is supported with a wealth of vivid and provocative illustrations Historical and dramatic criticism is related to theatrical interpretation and experience This book therefore should prove valuable and interesting to the reader with a specialist interest in the field as well as to the more general reader Fatal Glamour Paul Delany,2015-04 A detailed account of the trajectory of Rupert Brooke s life and the workings of his psychology *Rupert Brooke in Canada* Rupert Brooke,1978
 Battle Creek Idea ,1910

As recognized, adventure as well as experience more or less lesson, amusement, as competently as settlement can be gotten by just checking out a books **Rupert Brooke Twaynes English Authors Series No 504** along with it is not directly done, you could agree to even more more or less this life, all but the world.

We give you this proper as without difficulty as simple mannerism to get those all.
