Rural England Our Countryside At The Crossroads:

Rural England Derrik Mercer, David Puttnam, 1988 **Environment and Business** Alasdair Blair, David Hitchcock, 2004-08-02 This text examines how businesses and the environment interact It is ideal for students with no previous knowledge of business studies It examines in depth the ways in which business industry the physical environment environmentalism and social change have evolved alongside each other The authors use boxed case studies to highlight how business practice and the environment interact at levels from local to global with examples from multinational companies government bodies national charities and local enterprise The book also contains a large number of informative diagrams The case studies include Shell Oil s environmental policy railways and the industrial revolution the British National Trust s business enterprises Sainsbury s approach to organic foods Australia s landcare scheme changing trends in retailing Brent Spar big game hunting and conservation **The Past in Contemporary Society: Then, Now** Peter Fowler, 2002-09-11 Changes or innovations which threaten our heritage arouse great hostility in those who want to preserve the past in its entirety The heritage has become a commodity a device to sell everything from biscuits to country houses Fowler skilfully examines the present relationship between the past and the present analysing the manner in which we mould and interpret the past to fit our current needs He assesses the influence of our heritage in the last decade of the 20th century and with a wide range of examples judges the consequences of the increasing pressures of the heritage industry As well as a diagnosis of where the past is being misused he provides prescriptions for responsible development and a thoughtful interpretation of a common past As well as addressing the needs of the professional involved in the heritage industry he also considers the consumer all those who visit museums enjoy a historic site or an art exhibition or who simply dislike the hijacking of our common heritage by commercial or vested interests Country Life, 2007 RSA Journal Royal Society of Arts (Great Britain), 2001 *Nature Based Tourism* Wendy Whitlock, Kevin Van Romer, Robert H. Becker, 1991 **Rural Youth at the Crossroads** Kai. A Schafft, Sanja Stanić, Renata Horvatek, Annie Maselli, 2020-12-29 Featuring chapters by an international group of scholars and academics Rural Youth at the Crossroads discusses the challenges and contexts facing youth from rural communities in countries with legacies of socialism undergoing social political and economic transition The chapters employ a variety of sources and approaches to examine rural youth outcomes and the well being and sustainability of rural areas The book focuses particularly on career and educational goals the often contradictory relations between rural schools and communities majority minoritized group relations community engagement and political attitudes Individual chapters examine these questions and dynamics within Croatia Czechia Hungary Romania Russia Serbia and Vietnam In total the volume represents a unique and timely comparative discussion of the relationship between youth and rural development within transitional societies and the challenges and opportunities for enhancing the well being and sustainability of rural communities Aimed at informing strategies to revitalize rural social space this book is targeted towards social scientists with

interest in sociology and rural sociology demography education youth development community regional development rurality public policy and identity formation in transitional contexts As such this book will have international appeal to researchers educators and policymakers in transitional countries and to those interested in these topics regions and communities

Global Environmental Change Antoinette Mannion, 2014-09-19 Now in its second edition This text has been extensively revised and rewritten to reflect the growth in environmental research during the last decade Human induced environmental change is occurring at such a rapid rate that inevitably the fundamental processes involved in biogeochemical cycling are being altered Global Environmental Change considers alterations to the biogeochemical cycles of carbon nitrogen sulphur and other elements as a result of industrial technological development and agriculture which have significantly altered the natural environment The book adopts a temporal and spatial approach to environmental change beginning with the natural environmental change of the Quaternary period and continuing with the culturally induced change since the inception of agriculture 10 000 years ago **The Dalesman** ,1990 *Geographical* ,1990 **Waterstone's Guide to Books** Waterstone & Co,1989 Geology and Scenery in Britain J. B. Whittow,1992 **The Photographic Journal** ,1988 Vols for 1853 include the transactions of the Royal Photographic Society of Great Britain Green Belt, Green Fields and the Urban Fringe Lesley Grayson,1990 **New Statesman Society** ,1988-06 Library Bulletin Great Britain. Depts. of the Environments and Transport. Library Services,1988 Birds ,1988 **The Spectator** ,1988 *Countryside Planning* Andrew Gilg,2002-11-01 Should rural Britain be preserved from urban development or should people be allowed to live and shop where they want In the face of continued urban expansion the countryside has become a major issue its future development uncertain Countryside Planning addresses these concerns and provides an in depth study of the rural debate Beginning with the key concepts and issues the author sets out the context in which planning operates and how society has constructed its own images of the countryside Using three theoretical perspectives the book describes the evolution of the current planning system and provides a basis for further discussion about the possible future for the countryside In the wake of the recent Rural White Paper the book includes the major issues that affect contemporary rural Britain including the current reforms of the CAP the role of farmers as land managers and the hypocrisy of sustainable and green tourism Using boxed policy summaries throughout the text as well as key question and answer sections in every chapter the author treats policy and trends across the whole spectrum of countryside planning Countryside Planning is an in depth and authoritative analysis of rural policy and makes an important contribution to the countryside planning debate and the future of rural Britain *Global Environmental Change* Antoinette M. Mannion,1991 A synopsis of natural and cultural environmental history during the last three million years The book attempts to integrate Quaternary research which aims to elucidate past environments and biogeography which is more concerned with the present than with the past
