The Transition to Democracy in Hungary Dae Soon

Kim, 2013-07-18 Unlike in other countries of Eastern Europe where the opposition to communism came in the form of single mass movements led by charismatic leaders such as Vclav Havel and Lech Wa sa in Hungary the opposition was very fragmented brought together and made effective only by the authoritative significant but relatively unknown rp d G ncz who subsequently became Hungary s first post communist president This book charts the political career of rp d G ncz outlining the outstanding contribution he made to Hungary s transition to democracy Drawing on a wide range of sources including archives and interviews with G ncz himself and others it shows how G ncz unlike Havel who was a playwright and whose political role was largely symbolic was a campaigning politician all his life consistently advocating social democratic but not communist values Imprisoned from 1956 for his participation in the 1956 uprising G ncz was a highly effective political operator in the transition period around 1989 and as president wielded real power effectively As politics in Hungary are again marred by deep division and fragmentation G ncz s success in bringing rival groups together is even more pronounced

The Modernization of Agriculture: Rural Transformation in Hungary, 1848-1945, 1980

Peasants And Power Joan

Sokolovsky, 2019-05-28 Focusing on events in Hungary and Poland from 1948 to 1962 Dr Sokolovsky shows why collectivization can best be understood as an element in state building for the new regimes of Eastern Europe For these countries policy options were constrained by dependence upon the Soviet Union and the economic demands of a newly industrializing society Econom *The Revolt of the Provinces* Kristóf Szombati, 2018-06-12 The first in depth ethnographic monograph on the New Right in Central and Eastern Europe The Revolt of the Provinces explores the making of right wing hegemony in Hungary over the last decade It explains the spread of racist sensibilities in depressed rural areas shows how activists intellectuals and politicians took advantage of popular racism to empower right wing agendas and examines the new ruling party s success in stabilizing an illiberal regime To illuminate these important dynamics the author proposes an innovative multi scalar and relational framework focusing on interaction between social antagonisms emerging on the local level and struggles waged within the political public sphere **The Process of Rural Transformation in Hungary and**

Elaine Kalman Naves, 1996 Part autobiography part family chronicle and part immigrant saga Journey to Vaja tells the story of the Weinbergers over the course of two centuries From settlement in a Hungarian village in the late eighteenth century to the German occupation of Hung *East Central Europe* Wojciech Roszkowski, 2015-01-01 What is East Central Europe Can it be defined with any precision The question of definition is a difficult one as is usually the case concerning borderlands

whose historical developments show little continuity and an uncertain identity born of the conflict between aspirations and reality It is in East Central Europe that no peace settlement is ever final no frontiers are secure and each generation must begin its work anew Is there any chance that this definition will become out of date

**Village Viability In Contemporary Society** Priscilla Copeland Reining, 2019-09-18 This book on the important question of village viability arose from several organizational innovations It presents the important experience of intensive village studies conducted by anthropologists and sociologists and describes it with the views of development economists and administrators

*Progress in Agricultural Geography (Routledge Revivals)* Michael Pacione, 2014-06-03 In the second half of the twentieth century significant changes were occurring within the agricultural industry including an increase in efficiency and government intervention as well as expanded and more complicated patterns of trade This comprehensive volume first published in 1986 reflects how these developments challenged the field of agricultural geography Considering agricultural innovations farming systems government policy and land ownership this title provides an essential background to students with an interest in agricultural methods distribution and reform

Many Shades of Red Mieke Meurs, 1999-02-18 This volume provides a radical and timely corrective to received wisdom about the seemingly inevitable transition from communism to capitalism Arguing against popular misconceptions that portray collectivized agriculture as an unqualified failure the contributors draw upon newly available local sources to illuminate its costs benefits successes and failures They highlight the wide variety of state policies local responses and economic outcomes as well as the influence of local geography political structures and economic institutions With its institutionalist analysis of both the causes and impacts of policy differences this study provides lessons of continuing relevance to the many countries grappling with agrarian reform

*Peasant Violence and Antisemitism in Early Twentieth-Century Eastern Europe* Irina Marin, 2018-07-11 This book is a transnational study of rural and anti

Semitic violence around the triple frontier between Austria Hungary Romania and Tsarist Russia at the beginning of the twentieth century It focuses on the devastating Romanian peasant uprising in 1907 and traces the reverberations of the crisis across the triple frontier analysing the fears spectres and knee jerk reactions it triggered in the borderlands of Austria Hungary and Tsarist Russia The uprising came close on the heels of the 1905 1907 social turmoil in Tsarist Russia and brought into play the major issues that characterized social and political life in the region at the time rural poverty the Jewish Question state modernization and social upheavals The book comparatively explores the causes and mechanisms of violence propagation the function of rumour in the spread of the uprising land reforms and their legal underpinnings the policing capabilities of the borderlands around the triple frontier as well as newspaper coverage and diplomatic reactions **Imre Nagy** János M. Rainer, 2009-08-30 After nearly three decades of dutiful service to the Communist Party Imre Nagy led the popular uprising against the Soviet authorities during the 1956 Hungarian Revolution Two years later he was disgraced and executed How did the formerly loyal Party servant become one of its most ardent critics How did he reconcile his own beliefs with the demands of the Party for so long and what finally drove him to take a stand And how should we understand his legacy for the modern democracy of Hungary This definitive biography of the Communist leader traces his life from his conventional petty bourgeois childhood in south west Hungary through his tremendous political achievements and ultimate dramatic failure The first complete portrait of this complex and contradictory figure Imre Nagy is vividly brought to life as an enigmatic figure whose actions shaped Hungary s destiny in 1956 and ever since
