## **Rural Life In The Piedmont Of South Carolina Images Of America:**

*King Chad Tucker, 2006* Nestled at the threshold of the Piedmont Foothills King North Carolina is blessed with rural beauty a neighborly spirit and small town Southern charm The community rooted in agriculture was originally called King s Cabin after one of the first homes built in the area around 1826 It was settled in the 1880s by several founding families whose wisdom along with the railroad helped awaken the quiet countryside to new life Ironically this town named after a home has become one of the fastest growing bedroom communities in North Carolina s Piedmont Triad Images of America King captures the history heritage and heart of a community founded by families who saw beyond the setting sun These settlers helped establish churches schools businesses and a community spirit that still more than a century later lives today

**Stanly County** Doug Buchanan, 1999-11 Known for its charming communities and picturesque landscapes a colorful patchwork quilt of farms fields and small towns Stanly County possesses a rich Southern heritage one forged by its dedication to agricultural development and small town life As urban sprawl rapidly encroaches on North Carolina s Piedmont region it is vital that we remember and preserve our county s history providing present and future generations a chance to connect to their ancestors past one that is truly special with the people of the Tar Heel State This volume takes you on a visual journey into the Stanly County of yesteryear where you will stroll through Albemarle s early downtown district full of horses wagons and turn of the century storefronts where you will explore some of the county s budding rural communities such as Oakboro Badin and Norwood where you will experience the places in which the people worked played and lived such as the early industrial mills the farms the one room schoolhouses and early businesses and where you will meet some of the county s families and individuals both prominent and everyday such as a variety of soldiers politicians community leaders farmers merchants and athletes

**Toward the Meeting of the Waters** Winfred B. Moore, Jr., Orville Vernon Burton, 2022-03-23 2009 Choice Outstanding Academic Title A provocative look into civil rights progress in the Palmetto State from activists statesmen and historians Toward the Meeting of the Waters represents a watershed moment in civil rights history bringing together voices of leading historians alongside recollections from central participants to provide the first comprehensive history of the civil rights movement as experienced by black and white South Carolinians Edited by Winfred B Moore Jr and Orville Vernon Burton this work originated with a highly publicized landmark conference on civil rights held at the Citadel in Charleston The volume opens with an assessment of the transition of South Carolina leaders from defiance to moderate enforcement of federally mandated integration and includes commentary by former governor and U S senator Ernest F Hollings and former governor John C West Subsequent chapters recall defining moments of white on black violence and aggression to set the context for understanding the efforts of reformers such as Levi G Byrd and Septima Poinsette Clark and for interpreting key episodes of white resistance Emerging from these essays is arresting evidence that although South Carolina did not experience as much violence as many other southern states the civil rights movement here

was more fiercely embattled than previously acknowledged The section of retrospectives serves as an oral history of the era as it was experienced by a mixture of locally and nationally recognized participants including historians such as John Hope Franklin and Tony Badger as well as civil rights activists Joseph A De Laine Jr Beatrice Brown Rivers Charles McDew Constance Curry Matthew J Perry Jr Harvey B Gantt and Cleveland Sellers Jr The volume concludes with essays by historians Gavin Wright Dan Carter and Charles Joyner who bring this story to the present day and examine the legacy of the civil rights movement in South Carolina from a modern perspective Toward the Meeting of the Waters also includes thirty seven photographs from the period most of them by Cecil Williams and many published here for the first time     Constructing Image, Identity, and Place Alison K. Hoagland, Kenneth A. Breisch, 2003 Although vernacular architecture scholarship has expanded beyond its core fascination with common buildings and places its attention remains fixed on the social function of building Consistent with this expansion of interests Constructing Image Identity and Place includes essays on a wide variety of American building types and landscapes drawn from a broad geographic and chronological spectrum Subjects range from examinations of the houses hotels and churches of America s colonial and Republican elite to analyses of the humble cottages of Southern sharecroppers and mill workers Mississippi juke joints and the ephemeral rustic arbors and bowers erected by Civil War soldiers Other contributors examine or reexamine the form of early synagogues in Georgia colonial construction technologies in the Chesapeake the appropriation and use of storefront windows by San Francisco suffragists and the evolution of the modern factory tour Other decidedly twentieth century topics include the impact of the automobile on American building forms and landscapes including parkways drive in movie theaters and shopping malls Drawn from the Vernacular Architecture Forum conferences of 1998 and 1999 these seventeen essays represent the broad range of topics and methodologies current in the field today The volume will introduce newcomers to the breadth and depth of vernacular architecture while also bringing established scholars up to date on the field s continued growth and maturation The Editors Alison K Hoagland is associate professor of history and historic preservation at Michigan Technological University Kenneth A Breisch is director of Programs in Historic Preservation at the University of Southern California He is author of Henry Hobson Richardson and the Small Public Library in America The Contributors Shannon Bell Robert W Blythe Timothy Davis Stephanie Dyer Willie Graham Kathleen LaFrank William Littmann Carl Lounsbury Al Luckenbach Sherri M Marsh Maurie McInnis Steven H Moffson Jason D Moser Jennifer Nardone Martin C Perdue Mark Reinberger Andrew K Sandoval Strausz Jessica Sewell Donna Ware and Camille Wells     Country Life in America ,1916     *Piedmont Farmer* David Golightly Harris,1990 A daily record of a 15 year span in the life of a Piedmont South Carolina farm family that had seven children owned ten slaves and cultivated a hundred acres When Harris joins the Confederate army in March 1862 the task of journalizing falls to his wife Emily who records her struggles to keep farm and family intact Illustrated with maps photographs and portraits Annotation copyrighted by Book News Inc Portland OR     **String Bands in the North Carolina**

**Piedmont** Bob Carlin, 2004-08-12 String band music is most commonly associated with the mountains of North Carolina and other rural areas of the Blue Ridge and Appalachian mountains but it was just as abundant in Piedmont region of North Carolina albeit with different influences and stylistic conventions This work focuses exclusively on the history and culture of the area the music's development and the changes within traditional communities of the Piedmont It begins with a discussion of the settlement of the Piedmont in the mid 1700s and early references to secular folk music including the attitudes the various ethnic and religious groups had on music and dance the introduction of the fiddle and the banjo and outside influences such as minstrel shows Hawaiian music and classical banjo It then goes on to cover African Americans and string band music the societal functions of square dances held at private homes and community centers the ways in which musicians learned to play the music and bought their instruments fiddler's conventions and their history as community fundraisers the recording industry and Piedmont musicians who cut recordings including Ernest Thompson and the North Carolina Cooper Boys Bascom Lamar Lunsford and the Carolina Folk Festival the influence of live radio stations including WPTF in Raleigh WGWR in Asheboro WSJS in Winston Salem WBIG in Greensboro and WBT in Charlotte the first generation of locally bred country entertainers including Charlie Monroe's Kentucky Partners Gurney Thomas and Glenn Thompson and bluegrass and musical change following World War II

**Archaeology in America** Linda S. Cordell, Kent Lightfoot, Francis McManamon, George Milner, 2008-12-30 The greatness of America is right under our feet The American past the people battles industry and homes can be found not only in libraries and museums but also in hundreds of archaeological sites that scientists investigate with great care These sites are not in distant lands accessible only by research scientists but nearby almost every locale possesses a parcel of land worthy of archaeological exploration Archaeology in America is the first resource that provides students researchers and anyone interested in their local history with a survey of the most important archaeological discoveries in North America Leading scholars most with an intimate knowledge of the area have written in depth essays on over 300 of the most important archaeological sites that explain the importance of the site the history of the people who left the artifacts and the nature of the ongoing research Archaeology in America divides its coverage into 8 regions the Arctic and Subarctic the Great Basin and Plateau the Great Plains and Rocky Mountains the Midwest the Northeast the Southeast the Southwest and the West Coast Each entry provides readers with an accessible overview of the archaeological site as well as books and articles for further research

*A Delicious Country* Scott Huler, 2019-02-05 In 1700 a young man named John Lawson left London and landed in Charleston South Carolina hoping to make a name for himself For reasons unknown he soon undertook a two month journey through the still mysterious Carolina backcountry His travels yielded *A New Voyage to Carolina* in 1709 one of the most significant early American travel narratives rich with observations about the region's environment and Indigenous people Lawson later helped found North Carolina's first two cities Bath and New Bern became the colonial surveyor general contributed specimens to what is now the British Museum and was killed as

the first casualty of the Tuscarora War Yet despite his great contributions and remarkable history Lawson is little remembered even in the Carolinas he documented In 2014 Scott Huler made a surprising decision to leave home and family for his own journey by foot and canoe faithfully retracing Lawson s route through the Carolinas This is the chronicle of that unlikely voyage revealing what it s like to rediscover your own home Combining a traveler s curiosity a naturalist s keen observation and a writer s wit Huler draws our attention to people and places we might pass regularly but never really see What he finds are surprising parallels between Lawson s time and our own with the locals and their world poised along a knife edge of change between a past they can t forget and a future they can t quite envision Bertha Maxwell-Roddey

Karen Juanita Carrillo,2012-08-22 The proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the

highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool [America, History and Life](#), 2004 Article abstracts and citations of reviews and dissertations covering the United States and Canada [Historic West Salem](#) Michael L. Bricker, 2006 West Salem is located in the southeast corner of Winston Salem It has the historical distinction of containing the land that made up the farms and industry of Colonial Salem While East Salem the congregational town and village controlled business and religious interests West Salem provided the heart soul and backbone of the area with the work of its blue collar residents The residents produced the food mills and industrial interests that allowed the town to function so successfully in its early years Throughout West Salem s history it always triumphed over such challenges as wars and the Great Depression Images of America Historic West Salem showcases the stories and photographs of the regular folks whose hard work and sacrifice fueled the greatness of our American leaders [The Tory's Wife](#) Cynthia A. Kierner, 2023-09-01 Finalist for the 2024 George Washington Prize The Spurgin family of North Carolina experienced the cataclysm of the American Revolution in the most dramatic ways and from different sides This engrossing book tells the story of Jane Welborn Spurgin a patriot who welcomed General Nathanael Greene to her home and aided Continental forces while her loyalist husband was fighting for the king as an officer in the Tory militia By focusing on the wife of a middling backcountry farmer esteemed historian Cynthia Kierner shows how the Revolution not only toppled long established political hierarchies but also strained family ties and drew women into the public sphere to claim both citizenship and rights as Jane Spurgin did with a dramatic series of petitions to the North Carolina state legislature when she fought to reclaim her family s lost property after the war was over While providing readers with stories of battles horse stealing bigamy and exile that bring the Revolutionary era vividly to life this book also serves as an invaluable examination of the potentially transformative effects of war and revolution both personally and politically *Agricultural Economics Bibliography* United States. Bureau of Agricultural Economics. Library, 1937 **American Forestry**, 1923 *The Guitar in America* Jeffrey J. Noonan, 2009-10-08 The Guitar in America offers a history of the instrument from America s late Victorian period to the Jazz Age The narrative traces America s BMG banjo mandolin and guitar community a late nineteenth century musical and commercial movement dedicated to introducing these instruments into America s elite musical establishments Using surviving BMG magazines the author details an almost unknown history of the guitar during the movement s heyday tracing the guitar s transformation from a refined parlor instrument to a mainstay in jazz and popular music In the process he not only introduces musicians including numerous women guitarists who led the movement but also examines new techniques and instruments Chapters consider the BMG movement s impact on jazz and popular music the use of the guitar to promote attitudes towards women and minorities and the challenges foreign guitarists such as Miguel Llobet and Andres Segovia

presented to America's musicians This volume opens a new chapter on the guitar in America considering its cultivated past and documenting how banjoists and mandolinists aligned their instruments to it in an effort to raise social and cultural standing At the same time the book considers the BMG community within America's larger musical scene examining its efforts as manifestations of this country's uneasy coupling of musical art and commerce Strike Songs of the Depression Timothy P. Lynch, 2009-11-12 The Depression brought unprecedented changes for American workers and organized labor As the economy plummeted employers cut wages and laid off workers while simultaneously attempting to wrest more work from those who remained employed In mills mines and factories workers organized and resisted striking for higher wages improved working conditions and the right to bargain collectively As workers walked the picket line or sat down on the shop floor they could be heard singing This book examines the songs they sang at three different strikes the Gastonia North Carolina textile mill strike 1929 Harlan County Kentucky coal mining strike 1931-32 and Flint Michigan automobile sit down strike 1936-37 Whether in the Carolina Piedmont the Kentucky hills or the streets of Michigan the workers' songs were decidedly class conscious All show the workers' understanding of the necessity of solidarity and collective action In Flint the strikers sang The trouble in our homestead Was brought about this way When a dashing corporation Had the audacity to say You must all renounce your union And forswear your liberties And we'll offer you a chance To live and die in slavery As a shared experience the singing of songs not only sent the message of collective action but also provided the very means by which the message was communicated and promoted Singing was a communal experience whether on picket lines at union rallies or on shop floors By providing the psychological space for striking workers to speak their minds singing nurtured a sense of community and class consciousness When strikers retold the events of their strike as they did in songs they spread and preserved their common history and further strengthened the bonds among themselves In the strike songs the roles of gender were pronounced and vivid Wives and mothers sang out of their concerns for home family and children Men sang in the name of worker loyalty and brotherhood championing male solidarity and camaraderie Informed by the new social history this critical examination of strike songs from three different industries in three different regions gives voice to a group too often deemed as inarticulate This study the only book length examination of this subject tells history from the bottom up and furthers an understanding of worker culture during the tumultuous Depression years Progressive Farmer, 1911
