Politics in Ireland Maura Adshead, Jonathan

Tonge, 2009-04-21 Politics in Ireland is the first major text to provide an accessible and systematic analysis of the politics of Ireland North as well as South With the development of a new Northern Irish political system and increasing links across the island the authors argue that the time is ripe to study together the two polities which share so much of a common history but which have had very different evolutions through the 20th century Drawing upon an exceptionally wide range of sources and their own original research the authors deploy a thematic approach to the study of political institutions political behaviour and public policy in both the Republic and Northern Ireland in order to produce a detailed but highly readable assessment of governance and politics in both political systems This approach enables them both to outline the differences and similarities between the polities and to explain how they relate to the wider world in particular to the UK and to Europe

Politics In Northern Ireland Rick Wilford, 2018-02-02 Despite the staggering number of books related to the Northern Ireland political arena most of the literature concentrates on only a few dimensions of the conflict and especially on constitutional policy and the on going search for a resolution of the antagonisms This original textbook the first of its kind serves as a comprehensive examination of the subject by exploring these topics and other important dimensions of politics which have been overlooked and undervalued Politics in Northern Ireland is written by a team of distinguished academics drawn from both within and outside Northern Ireland It adopts the analytic tools of political science and brings a comparative perspective to bear on the politics of Northern Ireland Early chapters examine the historic sources of conflict analyze the period since the outbreak of the modern troubles and discuss the differences between the communities The book then examines the nature of parties elections and elective assemblies before focusing on policy matters such as fair employment policing and gender In the concluding chapter contributors consider relations with the Republic of Ireland and discuss events as current as today s headlines including the historic breakthrough in negotiations the referendums and the Assembly elections The result is a well rounded core text designed for the classroom as well as for those interested in learning more about different facets of politics in Northern Ireland

Nora Shalaway Carpenter, 2020-10-13 Think you know what rural America is like

Discover a plurality of perspectives in this enlightening anthology of stories that turns preconceptions on their head Gracie sees a chance of fitting in at her South Carolina private school until a white trash themed Halloween party has her steering clear of the rich kids Samuel s Tejano family has both stood up to oppression and been a source of it but now he s ready to own his true sexual identity A Puerto Rican teen in Utah discovers that being a rodeo queen means embracing her heritage not shedding it For most of America s history rural people and culture have been casually mocked stereotyped and in general deeply misunderstood Now an array of short stories poetry graphic short stories and personal essays along with anecdotes from the authors real lives dives deep into the complexity and diversity of rural America and the people who call it home

Fifteen extraordinary authors diverse in ethnic background sexual orientation geographic location and socioeconomic status explore the challenges beauty and nuances of growing up in rural America From a mountain town in New Mexico to the gorges of New York to the arctic tundra of Alaska you ll find yourself visiting parts of this country you might not know existed and meet characters whose lives might be surprisingly similar to your own Featuring contributors David Bowles Joseph Bruchac Veeda Bybee Nora Shalaway Carpenter Shae Carys S A Cosby Rob Costello Randy DuBurke David Macinnis Gill Nasugraq Rainey Hopson Estelle Laure Yamile Saied M ndez Ashley Hope P rez Tirzah Price Monica Roe *Ulster Since 1600* Liam Kennedy, Philip Ollerenshaw, 2013 Surveys the history of the province from the plantations of the early seventeenth century to partition and the formation of Northern Ireland in the early 1920s and onwards to the Troubles of recent decades A major contribution to the history of Ireland and to Ulster s contested place in the British and the wider world Surviving Global Change? Darren Halpin, 2017-11-28 This engaging volume investigates the fate of national industry associations amidst global change through analysis of interest group organizations representing farmers and agricultural producers It asks how these groups have fared during a period of global change and examines the challenges inherent in their operation in the 21st century Case studies from North America Europe and Australasia provide illuminating research into farm interest groups at the national level and organizational features of individual groups It will be of value to scholars and researchers in the fields of global governance political science and rural studies **Radical or Redundant?** Liam Weeks, 2011-11-30 While the type of small political party In Ireland has varied their fate it seems has not Although some enjoy a brief time in the sun termination is the long term prospects for all minor parties The usual pattern is a speedy ascent an impact on the political system including a time in government followed by a prolonged termination This book examines this pattern of evolution for minor or small parties in Irish politics As the Irish state has changed so too have the types of parties that have emerged With the first time entry of the Greens into government in 2007 their wipeout in 2011 the termination of the Progressive Democrats in 2009 and the failure of a new party to emerge despite the on going financial crisis the time is ripe for this analysis *Northern Ireland after the troubles* Colin Coulter, Michael Murray, 2013-01-18 In the last generation Northern Ireland has undergone a tortuous yet remarkable process of social and political change This collection of essays aims to capture the complex and shifting realities of a society in the process of transition from war to peace The book brings together commentators from a range of academic backgrounds and political perspectives As well as focusing upon those political divisions and disputes that are most readily associated with Northern Ireland it provides a rather broader focus than is conventionally found in books on the region It examines the cultural identities and cultural practices that are essential to the formation and understanding of Northern Irish society but are neglected in academic analyses of the six counties While the contributors often approach issues from rather different angles they share a common conviction of the need to challenge the self serving simplifications and choreographed optimism that frequently define both

official discourse and media commentary on Northern Ireland Taken together the essays offer a comprehensive and critical account of a troubled society in the throes of change **Belfast: Approach to Crisis** Ian Budge,Cornelius O'Leary,1973
