integral to the history of Russian art influenced by folk traditions and Western European currents alike Theater as Metaphor Elena Penskaya, Joachim Küpper, 2019-05-20 The papers of the present volume investigate the potential of the metaphor of life as theater for literary philosophical juridical and epistemological discourses from the Middle Ages through modernity and focusing on traditions as manifold as French Spanish Italian German Russian and Latin American Abney Park's Airship Pirates Peter Cakebread, Ken Walton, 2011-08-31 Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NEW YORK TIMES BESTSELLER A modern classic of true crime set in a most beguiling Southern city now in a 30th anniversary edition with a new afterword by the author The basis for the upcoming Broadway musical coming in 2025 Elegant and wicked might be the first true crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime The New York Times Book Review Shots rang out in Savannah s grandest mansion in the misty early morning hours of May 2 1981 Was it murder or self defense For nearly a decade the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss hung oaks and shaded squares In this sharply observed suspenseful and witty narrative John Berendt skillfully interweaves a hugely entertaining first person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case It is a spellbinding story peopled by a gallery of remarkable characters the well bred society ladies of the Married Woman s Card Club the turbulent young gigolo the hapless recluse who owns a bottle of poison so powerful it could kill every man woman and child in Savannah the aging and profane Southern belle who is the soul of pampered self absorption the uproariously funny drag queen the acerbic and arrogant antiques dealer the sweet talking piano playing con artist young people dancing the minuet at the black debutante ball and Minerva the voodoo priestess who works her magic in the graveyard at midnight These and other Savannahians act as a Greek chorus with Berendt revealing the alliances hostilities and intrigues that thrive in a town where everyone knows everyone else Brilliantly conceived and masterfully written *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience **American Holocaust** David E. Stannard, 1993-11-18 For four hundred years from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U S Army s massacre of Sioux Indians at Wounded Knee in the 1890s the indigenous inhabitants of North and South America endured an unending firestorm of violence During that time the native population of the Western Hemisphere declined by as many as 100 million people Indeed as historian David E Stannard argues in this stunning new book the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus s fateful voyage in 1492 He then follows the path of genocide from the Indies to Mexico and Central and South America then north to Florida Virginia and New England and finally out across the Great Plains and Southwest to California and the North Pacific Coast Stannard reveals that wherever Europeans or white Americans went the native people were caught between imported

plagues and barbarous atrocities typically resulting in the annihilation of 95 percent of their populations What kind of people he asks do such horrendous things to others His highly provocative answer Christians Digging deeply into ancient European and Christian attitudes toward sex race and war he finds the cultural ground well prepared by the end of the Middle Ages for the centuries long genocide campaign that Europeans and their descendants launched and in places continue to wage against the New World s original inhabitants Advancing a thesis that is sure to create much controversy Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust It is an ideology that remains dangerously alive today he adds and one that in recent years has surfaced in American justifications for large scale military intervention in Southeast Asia and the Middle East At once sweeping in scope and meticulously detailed American Holocaust is a work of impassioned scholarship that is certain to ignite intense historical and moral debate
