of the public eye Welcome to Arianna s excellent adventure On the heels of a small donation made to the Democratic National Committee the result of a lost bet she s invited to spend three days with access as full as an intern s in the infamous Lincoln Bedroom Like Alice s exploits through the looking glass Arianna s weekend in the White House wonderland is increasingly surreal constantly titillating and brutally funny as she encounters a parade of curiouser and curiouser surprises including The Horndog in Chief Bill Clinton who lusts after anything that moves whether it s a zaftig intern in an overstuffed dress or a fat cat fund raiser with an overstuffed wallet a genial Al Gore stored upright in a basement corner ready to take over the presidency at a moment s notice the only time he gets taken upstairs is for fund raising calls and to have his arms rotated after every thousand calls James Carville auctioning the assets of the Executive Office from the President s underwear to the trust of the American people Maya Angelou Tipper Gore Madonna a giggly intern and a Greek chorus of breastfeeding mothers joining Hillary Clinton at a tea party a very interactive television that broadcasts the wildest political programming ever seen an outrageous state dinner for the Chinese President that s closed to the media and for good reason and a talking cat who is a better placed Deep Throat than Woodward or that Dustin Hoffman guy everdreamed of Of course the star of this backstage tour is Bill Clinton himself He and his sometime sidekick and best supporting actor Newt Gingrich reach an epoch making bipartisan consensus that oral sex is not adultery The President is found horsetrading in a hot tub soul searching during a midnight raid of the snack pantry and otherwise devising new ways to feed his financial carnal and altogether insatiable appetites And as a reminder of just how far politics and leadership have strayed there s even a visit from the remarkably well preserved Abraham Lincoln himself In the sharpest political satire since the Contract with America Arianna Huffington takes off the gloves as she takes on the dishonesty and malfeasance of politicians of all stripes leading us on a mind bending tour through the White House looking glass
