Rush Home Road A Novel:

Rush Home Road Lori Lansens, 2009-02-24 Lori Lansens became one of Canada's most sought after writers more than a year before her internationally heralded first book *Rush Home Road* would see publication in April 2002. So immediately and passionately was her novel embraced that it was already front page arts news back in April 2001. Knopf Canada was the first publisher to buy this extraordinary debut novel but just before the 2001 London Book Fair Little Brown US bought the rest of the world rights for a major six figure sum for *Rush Home Road* and the author's yet to be written second novel and rights have now been sold in numerous countries. The Globe and Mail reported the record breaking news with full front page coverage and Little Brown International Rights Director Linda Biagi found herself talking of nothing else in London she sold *Rush Home Road* to a further 9 territories with the manuscript still unedited. Biagi likened the book to some of the most important literary achievements of our time saying 'It's as if John Irving had written *The Color Purple* Louise Denny's the Executive Publisher of Knopf Canada describes it as a novel of startling beauty and great heart that will immediately find a place within that small special tribe of books beloved by readers the world over. The untold story of the descendants of the Underground Railroad. Heartbreaking and wise *Rush Home Road* tells the life story of Adelaide Shadd who finds redemption in old age and Sharla a five year old mixed race girl abandoned to Addy's care by her white mother. Born in the first decade of the 20th century in Rusholme inspired by the real town of Buxton in southwestern Ontario an all black community settled by fugitive slaves Addy Shadd is raped as a teenager and forced to flee the family home. She makes her way on foot to Detroit where she becomes the housekeeper for an elderly man and his grown son both of whom develop a crush on her. When misfortune strikes again she sets off to make a new life for herself in Canada. Thrown off the train at Keating not far from her birthplace she meets and eventually marries the train porter the wonderful Mose with whom she has a daughter. But when tragedy strikes Addy is left alone. Now an old woman she lives a quiet existence in a trailer park near Chatham. Her whole world changes when a young mother asks her to babysit her daughter as it soon becomes clear that the mother is never coming back. Addy is glad of the company but not sure if she's up to the job of mothering this sweet awkward five year old. Nor is she sure how much longer she'll be around to do so. How she manages is part of the story of this brilliantly captivating novel. Written with verve, grace and unflinching emotional acuity *Rush Home Road* is an epic story that explodes our notions of identity, justice and heroism, penetrating one of our darkest periods with profound insight and humanity. Addy Shadd is a protagonist like no other, full of quiet, steely bravery and tenderness of heart. This spellbinding novel will leave no reader untouched.

The Girls Lori Lansens, 2009-02-24 In Lori Lansens' astonishing second novel readers come to know and love two of the most remarkable characters in Canadian fiction. Rose and Ruby are twenty nine year old conjoined twins born during a tornado to a shocked teenaged mother in the hospital at Leaford, Ontario. They are raised by the nurse who helped usher them into the world. Aunt Lovey and her husband Uncle Stash are middle aged and with no children of their own. They

relocate from the town to the drafty old farmhouse in the country that has been in Lovey's family for generations. Joined to Ruby at the head, Rose's face is pulled to one side but she has full use of her limbs. Ruby has a beautiful face but her body is tiny and she is unable to walk. She rests her legs on her sister's hip rather like a small child or a doll. In spite of their situation, the girls lead surprisingly separate lives. Rose is bookish and a baseball fan. Ruby is fond of trash TV and has a passion for local history. Rose has always wanted to be a writer and as the novel opens she begins to pen her autobiography. Here is how she begins: I have never looked into my sister's eyes. I have never bathed alone. I have never stood in the grass at night and raised my arms to a beguiling moon. I've never used an airplane bathroom. Or worn a hat. Or been kissed like that. I've never driven a car. Or slept through the night. Never a private talk. Or solo walk. I've never climbed a tree. Or faded into a crowd. So many things I've never done but oh how I've been loved. And if such things were to be, I'd live a thousand lives as me to be loved so exponentially. Ruby, with her marvellous characteristic logic, points out that Rose's autobiography will have to be Ruby's as well and how can she trust Rose to represent her story accurately. Soon Ruby decides to chime in with chapters of her own. The novel begins with Rose but eventually moves to Ruby's point of view and then switches back and forth. Because the girls face in slightly different directions, neither can see what the other is writing and they don't tell each other either. The reader is treated to sometimes overlapping stories told in two wonderfully distinct styles. Rose is given to introspection and secrecy. Ruby's style is tell-all, frank and decidedly sweet. We learn of their early years as the town freaks and of Lovey's and Stash's determination to give them as normal an upbringing as possible. But when we meet them, both Lovey and Stash are dead. The girls have moved back into town and they've received some ominous news. They are on the verge of becoming the oldest surviving craniopagus joined at the head twins in history but the question of whether they'll live to celebrate their thirtieth birthday is suddenly impossible to answer. In *Rose and Ruby*, Lori Lansens has created two precious characters, each distinct and loveable in their very different ways and has given them a world in Leaford that rings absolutely true. The girls are unforgettable. *The Girls* is nothing short of a tour de force.

Rush Home Road Lori Lansens, 2008-07-01 Sharla Cody is only five but has already lived a troubled life only to find herself dumped on an elderly neighbor's doorstep when her mother takes off for the summer. Although Sharla is not the angelic child Addy Shadd had pictured when she agreed to look after her, the two soon forge a deep bond. To Addy's surprise, Sharla's presence brings back memories of her own childhood in Rusholme, a town settled by fugitive slaves in the mid 1800s. She reminisces about her family, her first love, and the painful experience that drove her away from home. Brilliantly structured and achingly lyrical, this is a story about the redeeming power of love and memory and about two unlikely people who transform each other's lives forever.
