Rush To The Lake Poems:

Rush to the Lake Forrest Gander, 2019-10-01 With this extraordinary first collection Forrest Gander achieves the artful connection between head and heart and loins These are poems whose chronic desires are poised on a consciousness of equal caliber and force Line by line he detaches the familiar from old surroundings in language exquisitely cultivated to the edge of excess It is poetry that prompts us to exult in our intricacy In allowing us into the inner circle by the boathouse Rush To The Lake both disturbs our equilibria and restores us to the unflinching wonder of daily light **Rush to the Lake** Forrest Gander, 1988-01-01 Poetry Forrest Gander's poems have life humor and a pleasant strangeness They speak of or rather from a Japan of the imagination and the American South in sweet and sure androgynous tones His book will make you laugh while the poems go about their business of printing after images on your memory William Corbett **The Lady of the Lake** Sir Walter Scott, 1816 **Virgin** Analicia Sotelo, 2018 By leaning into the many registers of heartbreak Sotelo makes something incredibly beautiful Ross Gay **Spring and All** William Carlos Williams, 2021-08-03 Spring and All 1923 is a book of poems by William Carlos Williams Predominately known as a poet Williams frequently pushed the limits of prose style throughout his works often comprised of a seamless blend of both forms of writing In Spring and All the closest thing to a manifesto he wrote Williams addresses the nature of his modern poetics which not only pursues a particularly American idiom but attempts to capture the relationship between language and the world it describes Part essay part poem Spring and All is a landmark of American literature from a poet whose daring search for the outer limits of life both redefined and expanded the meaning of language itself There is a constant barrier between the reader and his consciousness of immediate contact with the world If there is an ocean it is here In Spring and All Williams identifies the incomprehensible nature of consciousness as the single most important subject of poetry Accused of being heartless and cruel of producing positively repellant works of art in order to make fun of humanity Williams doesn't so much defend himself as dig in his heels His poetry is addressed to the imagination itself it seeks to break down the barrier between sense and the vaporous fringe which distracts the attention from its agonized approaches to the moment When he states that so much depends upon a red wheel barrow he refers to the need to understand the nature of language which keeps us in touch with the world With a beautifully designed cover and professionally typeset manuscript this edition of William Carlos Williams Spring and All is a classic of American literature reimagined for modern readers **The Scenery and Poetry of the English Lakes** Charles Mackay, 1846 100 Poems Seamus Heaney, 2019-08-20 Selected poems from a Nobel laureate In 100 Poems readers will enjoy the most loved and celebrated poems and will discover new favorites from The Cure at Troy to Death of a Naturalist It is a singular and welcoming anthology reaching far and wide for now and for years to come Seamus Heaney had the idea to make a personal selection of poems from across the entire arc of his writing life a collection small yet comprehensive enough to serve as an introduction for all comers He never managed to do this himself but now finally the project has been returned to resulting in
