Mueller, III, Special Counsel's Office Dept of Justice, 2019-04-30 Perhaps the most anticipated publication in American history this is the full text Volumes 1 and 2 of special counsel Robert Mueller s investigation It is THE REPORT AND NOTHING BUT THE REPORT in a beautifully typeset edition with full searchability in ebook formats It is word for word presented exactly as released by the Attorney General of the United States with no positioning such as a celebrity introduction that would give it bias or impede its clarity One of the most talked about investigations in American history the subject of constant media discussion and speculation non stop and controversial attacks from the president and the eager anticipation of a public wondering what the truth is this long awaited publication is an historic event The Mueller Report continues Melville House's tradition of publishing pivotal public documents The New York Times What Hangs in the Balance Philippe Johnson, 2025-01-07 The actions or inactions of elected and appointed leaders determine whether the people they serve flourish or suffer What hangs in the balance is not just quality of life but often life itself Unprincipled and unethical leadership puts at risk mission accomplishment good governance public trust in democratic institutions national security and even the rule of law Over the course of Philippe Johnson's twenty four year career as a United States Air Force officer he learned to appreciate how flawed and ineffective leaders can still provide valuable lessons for all of us His thorough and candid analysis of Donald Trump's social media posts and conduct as president and how they were an aberration in both style and substance sets a foundation for leaders to embrace and implement myriad leadership traits and competencies required for success in public and private sector organizations Rather than criticizing specific policies Johnson's analysis focuses on leadership evaluation and practical imperatives for embracing each of the competencies Including insights from contributing subject matter experts and the wisdom of contemporary and historical luminaries Johnson provides a fascinating and sobering leadership critique in which readers will Discover why character traits such as humility empathy respect for dignity and self control matter in every arena and bolster crucial

leadership competencies Appreciate how one s fundamental leadership responsibilities promote core values and defend democratic principles and institutions Take away positive examples of seeking counsel and expertise that support sound decision making Understand how trust and accountability are fostered through disciplined and ethical behavior Experience and benefit from real world examples of what not to do while also being inspired by recent examples of courageously selfless leadership Differentiate between principled and unprincipled loyalty while countering undue influence and abuse of authority Experience behaviors associated with three personality disorders that undermine selfless leadership and create toxic workplaces A nation's citizens need and deserve exceptional leadership By providing guidelines for principled ethical competent and courageously selfless leadership What Hangs in the Balance leaves readers well poised and inspired to positively and profoundly impact the lives of those they serve Democracy Awakening Heather Cox Richardson, 2024-10-22 A New York Times Bestseller A vital and urgent call to action about the precarious state of American democracy charting its historical challenges and current threats from one of our era s most important and insightful historians with a new afterword by the author Magisterial The Washington Post An excellent primer for anyone who needs the important facts of the last 150 years of American history and how they got us to the sorry place we inhabit today Guardian At a time when the very foundations of American democracy seem under threat the lessons of the past offer a road map for navigating a moment of political crisis In Democracy Awakening acclaimed historian Heather Cox Richardson delves into the tumultuous journey of American democracy tracing the roots of Donald Trump's authoritarian experiment to the earliest days of the republic She examines the historical forces that have led to the current political climate showing how modern conservatism has preyed upon a disaffected population weaponizing language and promoting false history to consolidate power With remarkable clarity and the same accessible voice that brings millions to her newsletter Letters from an American Richardson wrangles a chaotic news feed into a story that pivots effortlessly from the Founders to the abolitionists to Nixon to the January 6 insurrection An essential read for anyone concerned about the state of America Democracy Awakening is more than a history book it s a call to action Richardson reminds us that democracy requires constant vigilance and participation from all of us showing how we as a nation can take the lessons of the past to secure a more just and equitable future The Parliamentary Debates Great Britain. Parliament, 1901 Survival August-September 2020: Crisis and response The International Institute for Strategic Studies (IISS), 2023-04-21 Survival the IISS's bimonthly journal challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment In this issue Dalia Dassa Kaye and Shira Efron argue that only a major shift in US policy towards Iran would rekindle debate in Israel about its approach to the Islamic Republic Jordan Calinoff and David Gordon contend that the accusation of debt trap diplomacy against China lacks convincing evidence Erik Jones examines the impact of COVID 19 on the EU economy Michael J Mazarr calls for a new international norm to safeguard the virtual territorial integrity of states from subversive cyber attacks And ten more thought

provoking pieces as well as our regular book reviews and Noteworthy column Board of Trade Journal of Tariff and Trade Notices and Miscellaneous Commercial Information ,1920 Palmers' Index to the Times Newspaper .1925 The Annual **Index to the Times** ,1907 The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons, 1926 Contains the 4th session of the 28th Parliament through the 1st session of the 48th Parliament The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University Hoover Institution on Spies, Lies, and Algorithms Amy B. Zegart, 2023-02-28 A riveting account of War, Revolution, and Peace, 1969 espionage for the digital age from one of America's leading intelligence experts Spying has never been more ubiquitous or less understood The world is drowning in spy movies TV shows and novels but universities offer more courses on rock and roll than on the CIA and there are more congressional experts on powdered milk than espionage This crisis in intelligence education is distorting public opinion fueling conspiracy theories and hurting intelligence policy In Spies Lies and Algorithms Amy Zegart separates fact from fiction as she offers an engaging and enlightening account of the past present and future of American espionage as it faces a revolution driven by digital technology Drawing on decades of research and hundreds of interviews with intelligence officials Zegart provides a history of U S espionage from George Washington's Revolutionary War spies to today s spy satellites examines how fictional spies are influencing real officials gives an overview of intelligence basics and life inside America's intelligence agencies explains the deadly cognitive biases that can mislead analysts and explores the vexed issues of traitors covert action and congressional oversight Most of all Zegart describes how technology is empowering new enemies and opportunities and creating powerful new players such as private citizens who are successfully tracking nuclear threats using little more than Google Earth And she shows why cyberspace is in many ways the ultimate cloak and dagger battleground where nefarious actors employ deception subterfuge and advanced technology for theft espionage and information warfare A fascinating and revealing account of espionage for the digital age Spies Lies and Algorithms is essential reading for anyone who wants to understand the reality of spying today
