The Cumulative Book Index, 1995 **Bondarchuk's War and Peace** Denise J. Youngblood, 2014-11-07 Sergei Bondarchuk's *War and Peace* one of the world's greatest film epics originated as a consequence of the Cold War Conceived as a response to King Vidor's *War and Peace* Bondarchuk's surpassed that film in every way giving the USSR one small victory in the cultural Cold War for hearts and minds This book taking up Bondarchuk's masterpiece as a Cold War film an epic a literary adaptation a historical drama and a rival to Vidor's Hollywood version recovers and expands a lost chapter in the cultural and political history of the twentieth century Like many great works of literature Tolstoy's epic tale proved a major challenge to filmmakers After several early efforts to capture the story's grandeur it was not until 1956 that King Vidor dared to bring *War and Peace* to the big screen American critics were lukewarm about the film but it was shown in the Soviet Union to popular acclaim This book tells the story of how the Soviet government military and culture ministry all eager to reclaim this Russian masterpiece from their Cold War enemies pulled together to make Bondarchuk's *War and Peace* possible Bondarchuk an actor who had directed only one film was an unlikely choice for director and yet he produced one of the great works of Soviet cinema a worthy homage to Tolstoy's masterpiece an achievement only sweetened when Russia's Cold War adversary recognized it with the Academy Award's Oscar for Best Foreign Language Film of 1968 Denise Youngblood examines the film as an epic and at seven hours long released in four parts at a cost of nearly 700 000 000 in today's dollars it was certainly that a literary adaptation a complex reflection on history and a significant artifact of the cultural Cold War between the US and the USSR From its various angles the book shows us Bondarchuk's extraordinary film in its many dimensions aesthetic political and historical even as it reveals what the film tells us about how Soviet patriotism and
