Russia And The Weimar Republic

Charles Wentz Fehrenbach

Russia And The Weimar Republic:

Russia and the Weimar Republic Lionel Kochan, 1954 *Russia and Germany* Walter Laqueur, 2018-04-24 Despite changes in the international constellation since Russia and Germany initially appeared in 1965 the relationship between these two nations remains the most important single issue in European politics and East West affairs This study of what Russians and Germans have thought of each other and the fateful consequences of their interacting ideas is of lasting significance The fact that Russia and Germany have embodied extreme manifestations of the totalitarian plague in the twentieth century After briefly exploring the historical origins of Russophobia in Germany and of anti Germanism in Russia Laqueur reviews in detail the confrontation of Nazism and Bolshevism that culminated in World War II He deals with the Russian origins of National Socialism and the ideology of the Russian far right from the days of the Black Hundred to its recent revival This edition includes a major new introduction by the author reviewing developments in the relationship between Russia and Germany in the last 25 years and speculating about its future Long out of print Russia and Germany will be again welcomed by political scientists students of international relations and all those with an interest in recent history and current events **Exploring the Weimar Russia Analogy** Gary P. Russell, 1999-12-01 The Weimar Russia analogy is based on a comparison between the failures of the Weimar Republic in Germany 1918-33 and the current problems of post Soviet Russia The premise of the analogy is that initial advances toward democracy and economic stabilization might fail and that an authoritarian leader might assume power rearm and destabilize the Eurasian continent The comparison has been the subject of academic conferences books journal articles news stories and miscellaneous comments This thesis examines the following elements of the comparison Defeat in War Revolution as the Internal Cause Loss of Territory and Resources Economic Turmoil Political Systems Governments and Leaders Decline of the Military The Diaspora and the Desire for an Ethnically based Nation State Revanchism and Irredentism and Fascism and Anti-Semitism While some analysts question the validity of the comparison the Weimar Russia analogy commands attention from experts in Russian affairs and government officials concerned with the future of Russia **Russia and the New States of Eurasia** Karen Dawisha, Bruce Parrott, 1994-01-28 This book surveys the possibilities for future alignments both among the new states of the former Soviet Union and between the new states and their neighbours *Russia and Eastern Europe, 1789-1985* Raymond Pearson, 1989

Putinism Marcel Van Herpen, 2013-01-21 In this original analysis of contemporary Russia the author shows how Putin's regime is a completely new right wing political model that combines features of Mussolini's Italy with the 19th Century Bonapartism of Napoleon III and 21st Century Populism of Berlusconi An essential read **Russia in the German Global Imaginary** James E. Casteel, 2016-05-06 This book traces transformations in German views of Russia in the first half of the twentieth century leading up to the disastrous German invasion of the Soviet Union in 1941 Casteel shows how Russia figured in the imperial visions and utopian desires of a variety of Germans including scholars journalists travel writers

government and military officials as well as nationalist activists He illuminates the ambiguous position that Russia occupied in Germans global imaginary as both an imperial rival and an object of German power During the interwar years in particular Russia now under Soviet rule became a site onto which Germans projected their imperial ambitions and expectations for the future as well as their worst anxieties about modernity Casteel shows how the Nazis drew on this cultural repertoire to construct their own devastating vision of racial imperialism **The U.S. and Russia** United States. Congress. House.

Committee on International Relations,1998 Faustian Bargain Ian Ona Johnson,2021-05-28 When Nazi Germany invaded Poland on September 1 1939 launching World War Two its army seemed an unstoppable force The Luftwaffe bombed towns and cities across the country and fifty divisions of the Wehrmacht crossed the border Yet only two decades earlier at the end of World War One Germany had been an utterly and abjectly defeated military power Foreign troops occupied its industrial heartland and the Treaty of Versailles reduced the vaunted German army of World War One to a fraction of its size banning it from developing new military technologies When Hitler came to power in 1933 these strictures were still in effect By 1939 however he had at his disposal a fighting force of 4 2 million men armed with the most advanced weapons in the world How could this nearly miraculous turnaround have happened The answer lies in Russia Beginning in the years immediately after World War One and continuing for more than a decade the German military and the Soviet Union despite having been mortal enemies entered into a partnership designed to overturn the order in Europe Centering on economic and military cooperation the arrangement led to the establishment of a network of military bases and industrial facilities on Soviet soil Through their alliance which continued for over a decade Germany gained the space to rebuild its army In return the Soviet Union received vital military technological and economic assistance Both became once again military powers capable of a mass destruction that was eventually directed against one another Drawing from archives in five countries including new collections of declassified Russian documents *The Faustian Bargain* offers the definitive exploration of a shadowy but fateful alliance

Russia and the Weimar Republic Lionel Kochan,1954 *The Russian Roots of Nazism* Michael Kellogg,2005-05-12 This book analyses the contributions of White migr s anti Bolshevik Russian exiles to Nazism **Soviet Russia and the Weimar Republic** Charles Wentz Fehrenbach,1955 **Russia and the West Under Lenin and Stalin** George F. Kennan,2021-02-04 The material contained in this book is drawn from lectures some of which were delivered in 1957 1958 in the schools at Oxford University others in the spring of 1960 at Harvard University This is a study of the relationship between the Soviet Union and the major Western countries from the inception of the Soviet regime in 1917 to the end of World War II It is not intended as a chronological account of the happenings in this phase of diplomatic history but rather as a series of discussions of individual episodes or problems George F Kennan *Russia and the West Under Lenin and Stalin* Kennan describes the diplomatic dilemmas that grew out of ignorance and mutual distrust beginning with the Allied intervention in Russia in 1918 through World War I the Versailles conference Stalin s bloody purges of 1934 1938 the Soviet German

Nonaggression Pact of 1939 the end of World War II and the meeting in Yalta between Churchill Stalin and Roosevelt It is not often that a book as instructive as this one manages at the same time to be so engrossing that it is bound to keep even general readers fascinated long past their bedtimes The book s message is a stern one the pleasure in reading it derives from the elegant and yet fresh prose style that is one of the many gifts of the author who is an artist as well as an experienced diplomat a moralist as well as a consummate historian With superb felicity and grace he here unfolds a historical narrative rich in prophetic judgments prophetic in the Biblical sense of the word Not everyone of course will agree with all of Mr Kennan s conclusions but there is so much that is useful in this volume that even those who have reservations about one or another of the judgments in it will welcome it warmly as a significant contribution in several ways Marshall D Shulman The New York Times Superbly concise meaty and lucid It surveys the whole fascinating involved drama of Communism s rise to world power Newsweek Every adult American ought to read it William L Shirer Surely one of the most important books since the end of the last war an over all view that transcends the provinciality of so much of our foreign policy and embraces the whole immense area from Washington to Peking The New Yorker An important a disturbing a deeply moving book New York Herald Tribune Book Review Not only Mr Kennan s finest book but also the best that has been written on Russia in this century Sir Robert Bruce Lockhart In this absorbing and eloquent book Mr Kennan reviews with much perception and sensitivity the ragged course of relations between the Soviet Union and the West from 1917 to 1945 While there is much in Western understanding and action to be criticized in the early years during the inter war period and during World War II Mr Kennan is keenly aware of the intense hostility of the Communist stance which exacerbated all problems Foreign Affairs Kennan a fine writer as well as historian and diplomat has made a magnificent attempt to put into order the chaotic relations between Russia and the West from the Communist Revolution to the end of World War II A most important book deserving the widest possible readership Kirkus A remarkable best seller This fact is a tribute to both the author and the subject with which he deals It is superfluous to comment on Mr Kennan s authority or on the brilliance of his lucid prose which are again in evidence in this work It is a volume not easily put aside as a mere purveyor of information it solicits judgments and proffers them lavishly inviting agreement or dissent Slavic Review A valuable volume It is full of flashes of insight into both Soviet and Western attitudes and policies and it reveals the painful dilemmas Wilson Roosevelt and other Western leaders faced in dealing with this new state and system The Slavic and East European Journal

Post-Imperial Democracies

Stephen E. Hanson, 2010-07-05 This book examines the causal impact of ideology through a comparative historical analysis of three cases of post imperial democracy the early Third Republic in France 1870 86 the Weimar Republic in Germany 1918 34 and post Soviet Russia 1992 2008 Hanson argues that political ideologies are typically necessary for the mobilization of enduring independent national party organizations in uncertain democracies By presenting an explicit and desirable picture of the political future successful ideologues induce individuals to embrace a long run strategy of cooperation with other

converts When enough new converts cooperate in this way it enables sustained collective action to defend and extend party power Successful party ideologies thus have the character of self fulfilling prophecies by portraying the future polity as one organized to serve the interests of those loyal to specific ideological principles they help to bring political organizations centered on these principles into being

Russia Under the Bolshevik Regime Richard Pipes, 2011-05-04 From the acclaimed authority on Russia and the Russian Revolution the final volume in his magisterial history of the Russian Revolution covering the period from the outbreak of the Civil War in 1918 to Lenin's death in 1924 Offers a penetrating analysis of the making of the Soviet system It is a passionate book whose outstanding scholarship is rooted in universal values like truth honor responsibility and the sacredness of human life Philadelphia Inquirer Timely The work is enriched in intriguing ways by the author's access to the once secret archives of the Soviet Union Los Angeles Times

Coins of Northern Europe & Russia George S. Cuhaj, Thomas Michael, 2006-11-01 This 600 page volume encompasses countries of Northern Europe The borders drawn for this volume and each following are designed to include a large geographic area while specialty regions Slovenia Croatia Bulgaria Kazakhstan ect are found in the future volume of the Middle East This guide carries all circulating and collector coins with the scope from roughly 1880 2000 Listings will be condensed to show key dates and average type prices while still providing a complete reference for the dealer and collector alike

100 Years On: Revisiting the First Russian Art Exhibition of 1922 Isabel Wünsche, Miriam Leimer, 2022-12-12 The First Russian Art Exhibition Erste Russische Kunstausstellung which opened at the Galerie van Diemen in Berlin on October 15 1922 and later travelled to Amsterdam introduced a broad Western audience to the most recent artistic developments in Russia The extensive show more than a thousand works including paintings graphic works sculptures stage designs architectural models and works of porcelain was remarkably inclusive in its scope which ranged from traditional figurative painting to the latest constructions of the Russian avant garde Coming on the heels of the Treaty of Rapallo the exhibition was a first cultural step towards bilateral relations between two young and yet internationally isolated new states the Weimar Republic and the Russian Soviet Republic Moving away from the narrow focus on the avant garde the volume presents new research that examines the exhibition's broader historical scope and cultural implications The reception of the exhibition within artistic circles in Germany Europe the United States and Japan in the 1920s is addressed as well as the disposition of many of the works exhibited The combination of longer thematic essays and short features along with reproductions of newly identified works and a selection of unpublished archival materials make this book valuable to both a scholarly and a general readership

The Gravediggers Hauke Friederichs, Rüdiger Barth, 2019-11-07 November 1932 With the German economy in ruins and street battles raging between political factions the Weimar Republic is in its death throes Its elderly president Paul von Hindenburg floats above the fray inscrutably haunting the halls of the Reichstag In the shadows would be saviours of the nation vie for control The great rivals are the chancellors Franz von Papen and Kurt von Schleicher Both are tarnished by the

republic's all too evident failures. Each man believes he can steal a march on the other by harnessing the increasingly popular National Socialists while reining in their most alarming elements naturally. Adolf Hitler has ideas of his own. But if he can't impose discipline on his own rebellious foot soldiers, what chance does he have of seizing power?

Russia and the Weimar Republic Royal Vale Heath, 1954 *Russia in the National Interest* Nikolas K. Gvosdev, 2017-09-08

Since its inception, *The National Interest*, the leading realist journal of international affairs, has devoted a good deal of attention to the relationship between Moscow and Washington from the dying days of the Cold War to the prospect of true Russian-American partnership following 9/11. This work brings together the reflections and ruminations of statesmen, policymakers, and academics on developments and forecasts about one of the world's leading geopolitical actors. This edited volume is the third in a series of readers co-produced by *The National Interest* and Transaction Publishers. Each brings together in one place prescient analysis and provocative assessments of this case about Russia published in the last decade. For some of the contributors, Russia is to be viewed with suspicion, a state whose current weakness has only retarded, not extinguished, its hegemonic ambitions to dominate Eurasia. For others, Russia is a strategic partner and prospective ally. This volume tackles the hard questions. Readers have the opportunity to listen in on a number of the great debates surrounding Russia policy: Is Russia finished as a great power, or will its influence grow in the coming years? Can a true partnership be forged between Washington and Moscow based on common interests and values? To what extent can Russia be integrated into the institutions of the Euro-Atlantic community? Has American policy aided or harmed the course of market reforms and democratization over the past decade? Is the war on terrorism a sufficient foundation for a new U.S.-Russia relationship? How can conflicting interests, whether in Iran, Iraq, or North Korea, be dealt with? This book presents a fascinating and multifaceted look at a country that is likely to remain a major factor in U.S. foreign policy in the twenty-first century. The list of distinguished contributors to this volume includes Zbigniew Brzezinski, William Odom, Stephen Sestanovich, Robert Legvold, Martin Malia, Alexey Pushkov, and Dimitri K. Simes.

Russia And The Weimar Republic Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has be much more evident than ever. They have the ability to inspire, provoke, and ignite change. Russia And The Weimar Republic Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia And The Weimar Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia And The Weimar Republic has opened up a world of possibilities. Downloading Russia And The Weimar Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia And The Weimar Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia And The Weimar Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia And The Weimar Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia And The Weimar Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia And The Weimar Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
