Russia Discovering Cultures:

Pop Culture Russia! Birgit Beumers, 2005-06-21 A revealing look at contemporary Russian popular culture exploring the historical and social influences that make it unique Pop music is only one aspect of contemporary Russian culture that has taken some unexpected turns in the chaotic aftermath of the Soviet Union's collapse Television and advertising theater and cinema athletics and religion even fashion and food now reflect more exposure to the West yet remain in essence distinctively Russian Pop Culture Russia introduces readers to the fascinating often surprising post Soviet cultural landscape With chapters on media the arts recreation religion and consumerism the book offers an insightful survey of Russian mass culture from the death of Stalin in 1953 to the present exploring the historical significance of important events and trends as well as the social and political contexts from which they emerged

Russia at Play Louise McReynolds, 2018-07-05 An athlete becomes a movie star a waiter rises to manage a chain of nightclubs a movie scenarist takes to writing restaurant reviews Intrepid women hunt bears drive in automobile races and fly first in balloons and then in airplanes Sensational crimes jump from city streets onto the screen almost before the pistols have had a chance to cool Paris in the Twenties Fitzgerald's New York Early Hollywood No tsarist Russia in the last decades before the Revolution In *Russia at Play* Louise McReynolds recreates a vibrant rapidly changing culture in rich detail Her account encompasses the legitimate stage vaudeville nightclubs restaurants sports tourism and the silent movie industry McReynolds reveals a pluralist and dynamic society and shows how the new icons of mass culture affected the subsequent gendering of identities The rapid industrialization and urbanization of the late tsarist period spawned dramatic social changes an urban middle class and a voracious consumer culture demanded new forms of entertainment The result was the rapid incursion of commercial values into the arts and the athletic field and unprecedented degrees of social interaction in the new nightclubs vaudeville houses and cheap movie houses Traditional rules of social conduct shifted to greater self fulfillment and self expression values associated with the individualism and consumerism of liberal capitalism Leisure time activities McReynolds finds allowed Russians who partook of them to recreate themselves to develop a modern identity that allowed for different senses of the self depending on the circumstances The society that spawned these impulses would disappear in Russia for decades under the combined blows of revolution civil war and collectivization but questions of personal identity are again high on the agenda as Russia makes the transition from a collectivist society to one in which the dominant ethos remains undefined

Performing Russia Laura Olson,2004-07-31 This book examines folk music and dance revival movements in Russia showing how folk tradition in Russia is an artificial cultural construct which is periodically reinvented

Cultural Atlas of Russia and the Soviet Union R. R. Milner-Gulland,Nikolai J. Dejevsky,1989 A 1000 year history of Russian culture and society intermingles illustrations interpretation and special features to provide an in depth background to present Russia

Common Places Svetlana BOYM,Svetlana Boym,2009-06-30 Boym provides a view of Russia that is historically informed replete with unexpected detail and stamped with authority Alternating analysis with personal accounts of Russian life she conveys the foreignness of Russia and examines its peculiar conceptions of private life and common good of Culture and Trash of sincerity and banality

Women in Nineteenth-Century Russia Wendy Rosslyn,Alessandra Tosi,2012 This collection of essays examines the lives of women across Russia from wealthy noblewomen in St Petersburg to desperately poor peasants in Siberia discussing their interaction with the Church and the law and their rich contribution to music art literature and theatre It shows how women struggled for greater autonomy and both individually and collectively developed a dynamic presence in Russia s culture and society Publisher s description

Russia in Search of Itself James H. Billington,2004-03-19 Billington describes the contentious discussion occurring all over Russia and across the political spectrum He finds conflicts raging among individuals as much as between organized groups and finds a deep underlying tension between the Russians attempts to legitimize their new nominally democratic identity and their efforts to craft a new version of their old authoritarian tradition After showing how the problem of Russian identity was framed in the past Billington asks whether Russians will now look more to the West for a place in the common European home or to the East for a new Eurasian identity

Language and Culture in Eighteenth-century Russia V. M. Zhivov, 2009 Zhivov's magisterial work tells the story of the creation of a new vernacular literary language in modern Russia an achievement arguably on a par with the nation's extraordinary military successes territorial expansion development of the arts and formation of a modern empire *An Empire of Others* Roland Cvetkovski, Alexis Hofmeister, 2014-01-10 Ethnographers helped to perceive to understand and also to shape imperial as well as Soviet Russia's cultural diversity This volume focuses on the contexts in which ethnographic knowledge was created Usually ethnographic findings were superseded by imperial discourse Defining regions connecting them with ethnic origins and conceiving national entities necessarily implied the mapping of political and historical hierarchies But beyond these spatial conceptualizations the essays particularly address the specific conditions in which ethnographic knowledge appeared and changed On the one hand they turn to the several fields into which ethnographic knowledge poured and materialized i.e. history historiography anthropology or ideology On the other they equally consider the impact of the specific formats i.e. pictures maps atlases lectures songs museums and exhibitions on academic as well as non academic manifestations

[The French Language in Russia](#) Derek Offord, Vladislav Rjéoutski, Gesine Argent, 2018 With support from the Arts and Humanities Research Council of the UK and the Deutsches Historisches Institut Moskau *The French Language in Russia* provides the

fullest examination and discussion to date of the adoption of the French language by the elites of imperial Russia during the eighteenth and nineteenth centuries It is interdisciplinary approaching its subject from the angles of various kinds of history and historical sociolinguistics Beyond its bearing on some of the grand narratives of Russian thought and literature this book may afford more general insight into the social political cultural and literary implications and effects of bilingualism in a speech community over a long period It should also enlarge understanding of francophonie as a pan European phenomenon On the broadest plane it has significance in an age of unprecedented global connectivity for it invites us to look beyond the experience of a single nation and the social groups and individuals within it in order to discover how languages and the cultures and narratives associated with them have been shared across national boundaries Understand Russia Tanya Golubeva,2019-06-20 The first questions people typically ask a Russian Is it always very cold in Russia and Do you always drink vodka This book answers these and many more real questions sent by people living in 100 countries Although Russia is in the world news a lot it is still a black box Media outlets mostly cover such topics as politics international relations and current events and multiple guide books provide practical information for tourists However none of those sources provide an in depth understanding of day to day life in Russia This book gives readers an insider s view on the psychology and habits of Russian people describes how people live their daily life now as opposed to during the Soviet era and helps its readers to understand the past present and future of Russia The author Tanya Golubeva was born in Moscow at the time when the country was still called USSR Her personal story is quite unusual she had a unique opportunity to travel and live in other countries even before the collapse of the Soviet Union Embracing different cultures and learning about cross cultural differences has become her passion Finally she decided to write the blog and later the book that will help you to Understand Russia Discover be surprised laugh and enjoy **Russia's Youth and its Culture** Hilary Pilkington,2013-01-11 Since the political whirlwinds of the mid 1980s and the fall of communism in 1991 Russia has undergone dramatic social change much of which has escaped the attention of Western media In her new book Hilary Pilkington applies the methods of cultural studies research to the study of Russian youth She does this by deconstructing the social discourses within which Russian youth has been constructed and by providing an alternative reading of youth cultural activity based on an ethnographic study of Moscow youth culture at the end of the 1980s The book also charts the passage of western youth cultural studies in the twentieth century and suggests some new ways forward in the light of the Russian experience Hilary Pilkington traces the cultural themes of youth culture in the Anglo American tradition and within the Soviet Union before examining the impact of perestroika on the media and its ramifications for the discussion of youth The book ends with a study of young people in Moscow and youth cultural groups the product of field work and interviews in the city *Russia's Cultural Statecraft* Tuomas Forsberg,Sirke Mäkinen,2021-11-04 This book focusses on Russia s cultural statecraft in dealing with a number of institutional cultural domains such as education museums and monuments high arts and sport It analyses to what extent

Russia's cultural activities abroad have been used for foreign policy purposes and perceived as having a political dimension. Building on the concept of cultural statecraft, the authors present a broad and nuanced view of how Russia sees the role of culture in its external relations, how this shapes the image of Russia, and the ways in which this cultural statecraft is received by foreign audiences. The expert team of contributors consider what choices are made in fostering this agenda, how Russian state authorities see the purpose and limits of various cultural instruments, to what extent can the authorities shape these instruments, what domains have received more attention and become more politicised, and what fields have remained more autonomous. The methodological research design of the book as a whole is a comparative case study comparing the nature of Russian cultural statecraft across time, target countries, and diverse cultural domains. It will be of interest to scholars and students of Russian foreign policy and external relations, and those working on the role of culture in world politics.

Inside the Stalin Archives Jonathan Brent, 2009 To most Westerners, Russia remains as enigmatic today as it was during the Iron Curtain era. With the collapse of the Soviet Union, the country had an opportunity to confront its tortured past. In *INSIDE THE STALIN ARCHIVES*, Jonathan Brent asks why this didn't happen. Why are the anti-Semitic Protocols of the Elders of Zion sold openly in the lobby of the State Duma? Why are archivists under surveillance and phones still tapped? Why does Stalin, a man responsible for the deaths of millions of his own people, remain popular enough to appear on boxes of chocolate sold in the Moscow airport? Brent draws on fifteen years of access to high-level Soviet archives to answer these questions. He shows us a Russia where, in 1992, used toothbrushes were sold on the sidewalks, while now shops are filled with luxury goods and the streets are jammed with BMWs. Stalin's spectre hovers throughout, and in the book's crescendo, Brent takes us deep into the dictator's personal papers, an unnerving prophecy of the world to come. Both cultural history and personal memoir, *INSIDE THE STALIN ARCHIVES* is a deeply felt and vivid portrait of Russia in the twenty-first century.

[Everyday Life in Russia Past and Present](#) Choi Chatterjee, David L. Ransel, Mary W. Cavender, Karen Petrone, 2015 Papers from an interdisciplinary workshop entitled *Everyday Life in Russia and the Soviet Union* held in May 2010 on Indiana University's Bloomington campus.
