Magic Divination And Witchcraft Among The Barotse Of Northern Rhodesia:

Magic, Divination and Witchcraft Among the Barotse of Northern Rhodesia Barrie Reynolds, *Magic, Divination and Witchcraft* Barrie Reynolds, 1963 The Judicial Process Among the Barotse of Northern Rhodesia Max Gluckman, 1973 **Religious Change In Zambia** Wim M.J. van Binsbergen, 2012-11-12 Published in 1981 Religious Change in Zambia is a valuable contribution to the field of Middle East Studies **Reviewing Reality** W. E. A. van Beek, Philip M. Peek, 2013 From crab divination in the Cameroon to friction oracles in the Congo Basin from reading cast objects in Mozambique to spirit possession in Cote d'Ivoire from Sudanese ebony diviners to South African Xhosa healers divination systems throughout Africa serve their communities by answering questions and resolving problems Divination helps people chart a course in their lives through a deeper understanding of past and present This important book reveals the extraordinary diversity and complexity of African divination systems focusing on self knowledge social reality and intercultural and historical relations Series African Studies Afrikanische Studien Vol 50 *Iron, Gender, and Power* Eugenia W. Herbert, 1994-01-22 Herbert has constructed a model of power relationships structured upon gender and age and derived from male transformative processes and in so doing has written a notable and most enjoyable book African History Herbert examines with great care and thoroughness the relationships between gender and power and the rationales that give them social form Her analytical ability is outstanding Patrick McNaughton This book is a well written and essential study of the place of belief in African material culture International Journal of African Historical Studies Herbert relates the beliefs and practices associated with iron working in African cultures to other transformative activities chiefly investiture hunting and pottery making to propose a gender age based theory of power **Beiträge zur vergleichenden Psychiatrie** N. Petrilowitsch, 1967-09-19 **Culture and Customs of Zambia** Scott D. Taylor, 2006-10-30 Zambia stands out in Africa as one of the continent's most peaceful countries In its early years as an independent state Zambia became a regional bulwark against imperialism and colonial domination and South African apartheid Today it stands out as an important example of Africa's recent democratization experiencing both incredible success as well as some notable setbacks The country is also one of the most urbanized in Sub Saharan Africa As a result of this urban influx Zambia's diverse ethno linguistic groups interact regularly Moreover many contemporary Zambian households especially those in cities are also exposed to the media technology and influences of western urbanized cultures from Internet cafes to hip hop music The interesting ways that tradition and modernity conflict and combine in contemporary Zambia are prime considerations in this book This book explores Zambia's culture with an eye toward its historical experiences and its particular endowments It focuses on how traditional and modern interact and sometimes collide in the country through topics such as religion gender roles and family cuisine the arts literature and more The major groups are examined to give the reader an idea about how many Zambians live **Religion, Faith and Crime** Kim Sadique, Perry Stanislas, 2016-05-28 This unique collection brings together international

contributors from a range of disciplines to explore crime and responses to crime through a religious faith based lens At a time when religion is under the media spotlight in terms of religiously motivated hate crime terrorism and child abuse this book provides an important platform for academic debate It examines these and other key issues including faith as a coping strategy religion as a motivating factor and the role of religion and morality in shaping criminal justice responses This collection clearly places religion faith at the heart of criminological enquiry and illustrates its relevance in addressing wider social issues and would be of benefit to students and academics researching or studying in these areas It will also be of interest to community and criminal justice practitioners and those with an interest in community engagement and multi faith work

Gebvano Sorcery Richard Warren Lieban, *African Witchcraft and Otherness* Elias Kifon Bongmba, 2015-01-21 This work of African philosophy and theology uses the thought of Emmanuel Levinas to provide an analysis of tfu witchcraft among the Wimbun people of Cameroon along with a critique of intersubjective relations Taking an approach he calls critical contextualism author Elias Bongmba employs Levinas s philosophy particularly the concept of the Other to engage in cross cultural philosophy that does not destroy the perspective of the culture under study Insights from anthropology African studies and the author s own experiences are also important throughout the book Bongmba discusses the cultural background of the Wimbun people and explores the concepts and terms used to discuss the acquisition of several categories of power generally described as tfu Bongmba argues that when properly explored and understood these terms refer to complex practices that involve power that can be used for good and power that can be abused Drawing from Levinas the author demonstrates that negative use of tfu constitutes a totalizing praxis He goes on to endorse Levinas s call for a phenomenology of eros as a way of reconfiguring interpersonal relationships

The Objects of Life in Central Africa , 2013-09-15 In The Objects of Life in Central Africa the history of consumption and social change from 1840 until 1980 is explored By taking consumption as a vantage point the contributions deviate from and add to previous works which have mainly analysed issues of production from an economic and political perspective The chapters are broad ranging in temporal and geographical focus including contributions on Congo Zambia Zimbabwe and Angola Topics range from the social history of firearms to the perception of the railway and include contributions on sewing machines traders and

advertising By looking at the socio economic political and cultural meaning and impact of goods the history of Central Africa is reassessed *Culturally Responsive Interventions* Julie R. Ancis,2004-03-01 This book fills the widening gap in multicultural literature by providing specific culture centered interventions The first section of the text highlights culturally based interventions The second section focuses on the treatment of Culture Bound Syndromes CBS Culture Bound Syndromes are defined as recurrent locality specific behavior patterns that are observed only in certain cultural environments The third section clinical and training implications includes a chapter describing how training will need to be reconceptualized in order to promote counselors who are effective with a wide range of clients **Spear Masters** Molefi Kete Asante,Emeka Nwadiora,2007 Spear Masters contends that in Africa there exists only one religion with a vast array of denominations African religion is expressed in a different way by each of the denominations which creates confusion for those who believe that there are more than one African religion Spear Masters presents information about some of the larger and most significant expressions of the sole African religion so that the reader will understand the relationship between God the creator and the notions of the relationship with the family and community The term spear master relates to the integrity and ethics that had to accompany the maker and user of the spear in ancient African societies The essence of religion presented in Spear Masters is the deification of one s society and nation and making sacred the traditions and rituals of the ordinary lives of the people Encyclopedia of Beasts and Monsters in Myth, Legend and Folklore Theresa Bane,2016-05-22 Here there be dragons this notation was often made on ancient maps to indicate the edges of the known world and what lay beyond Heroes who ventured there were only as great as the beasts they encountered This encyclopedia contains more than 2 200 monsters of myth and folklore who both made life difficult for humans and fought by their side Entries describe the appearance behavior and cultural origin of mythic creatures well known and obscure collected from traditions around the world *Tears Of Rain - Ethnicity & Hist* Van,2016-05-06 First published in 1992 This is a book about ethnicity among the Nkoya people in central western Zambia and about the historical background out of which that ethnicity is made It studies in detail the fascinating ways in which ethnicity both creates and feeds upon ethno history At the same time it assesses the possibility of reconstructing objective historical processes in that region since the sixteenth century on the basis primarily of one very extensive source Rev Johasaphat Malasha Shimunika s Likota lya Bankoya whose production as a compilation and processing of local oral traditions is intimately related to contemporary ethnicity But most of all this is a book about that fundamental and humble condition of scholarship reading **African Religions: A Very Short Introduction** Jacob K. Olupona,2014-02-14 What are African religions African Religions A Very Short Introduction answers this question by examining primarily indigenous religious traditions on the African continent as well as exploring Christianity and Islam It focuses on the diversity of ethnic groups languages cultures and worldviews emphasizing the continent s regional diversity Olupona examines a wide range of African religious traditions on their own terms and in their social cultural and political

contexts For example the book moves beyond ethnographic descriptions and interpretations of core beliefs and practices to look at how African religion has engaged issues of socioeconomic development and power relations Olupona examines the myths and sacred stories about the origins of the universe that define ethnic groups and national identities throughout Africa He also discusses spiritual agents in the African cosmos such as God spirits and ancestors In addition to myths and deities Olupona focuses on the people central to African religions including medicine men and women rainmakers witches magicians and divine kings and how they serve as authority figures and intermediaries between the social world and the cosmic realm African Religions A Very Short Introduction discusses a wide variety of religious practices including music and dance calendrical rituals and festivals celebrations for the gods birthdays and rituals accompanying stages of life such as birth puberty marriage elderhood and death In addition to exploring indigenous religions Olupona examines the ways Islam and Christianity as outside traditions encountered indigenous African religion He shows how these incoming faith traditions altered the face and the future of indigenous African religions as well as how indigenous religions shaped two world religions in Africa and the diaspora Olupona draws on archaeological and historical sources as well as ethnographic materials based on fieldwork He shows that African religions are not static traditions but have responded to changes within their local communities and to fluxes caused by outside influences and spread with diaspora and migration
