Magic From The Mountain:

The Mountain's Call Caitlin Brennan, 2009-10-29 In this dark romantic fantasy trilogy opener a young woman discovers she may have the power to save a society that shuns her Tales are told of the mysterious powerful Mountain where the gods powerful beings in the form of white horses live But Valeria knows no woman has ever been called to the Mountain Until she feels a strange pull and answers the call as a boy When her secret is discovered Valeria loses all that she s won Her anger and frustration with the Empire might be enough to give the barbarians a way into the Mountain And so the Empire now depends on the will the strength and the loyalty of one Rider A Rider who has been rejected by all but the gods Praise for The Mountain s Call Animal lovers and romantic fantasy aficionados alike will appreciate this coming of age story and an exhilarating romantic adventure RT Book Reviews

Smoky Mountain Magic Horace Kephart, 2009-09 When a mysterious though familiar looking stranger arrives on Deep Creek he immediately encounters a vast cadre of characters that includes earnest mountaineers a murderous land baron a family of treacherous ne'er-do-wells a beautiful botanist a Cherokee Indian chief and a witch A search for hidden treasures leads a community to erupt into violence while the hero comes to realize that what he truly seeks may be more animal than mineral Publisher description

The Magic Mountains Dane Kennedy, 2023-11-10 Perched among peaks that loom over heat shimmering plains hill stations remain among the most curious monuments to the British colonial presence in India In this engaging and meticulously researched study Dane Kennedy explores the development and history of the hill stations of the raj He shows that these cloud enshrouded havens were sites of both refuge and surveillance for British expatriates sanctuaries from the harsh climate as well as an alien culture artificial environments where colonial rulers could nurture educate and reproduce themselves commanding heights from which orders could be issued with an Olympian authority Kennedy charts the symbolic and sociopolitical functions of the hill stations over the course of the nineteenth and early twentieth centuries arguing that these highland communities became much more significant to the British colonial government than mere places for rest and play Particularly after the revolt of 1857 they became headquarters for colonial political and military authorities In addition the hill stations provided employment to countless Indians who worked as porters merchants government clerks domestics and carpenters The isolation of British authorities at the hill stations reflected the paradoxical character of the British raj itself Kennedy argues While attempting to control its subjects it remained aloof from Indian society Ironically as more Indians were drawn to these mountain areas for work and later for vacation the carefully guarded boundaries between the British and their subjects eroded Kennedy argues that after the turn of the century the hill stations were increasingly incorporated into the landscape of Indian social and cultural life This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on

demand technology This title was originally published in 1996 **The Magic Mountain** Thomas Mann,1999 **Rusty and the Magic Mountain** Ruskin Bond,2015-11-27 The squirrel family must move to a new house but Nonu s not happy Little Nonu Squirrel playful and daring has just moved into his new house with Papa Squirrel and Mummy Squirrel As he starts exploring his new neighbourhood he realizes there are many exciting adventures in store He learns to skate with his newly found friend Nicole enjoys being fed tasty nut cakes by her Grandma eats juicy mangoes with the Mango Gang and indulges in some crazy shenanigans with Cousin Danny But life s not all mangoes and skateboards Voracious Goonda cat is on the hunt will Nonu become his next meal **The Senses of Modernism** Sara Danius,2019-01-24 In The Senses of Modernism Sara Danius develops a radically new theoretical and historical understanding of high modernism The author closely analyzes Thomas Mann s The Magic Mountain Marcel Proust s Remembrance of Things Past and James Joyce s Ulysses as narratives of the sweeping changes that affected high and low culture in the age of technological reproduction In her discussion of the years from 1880 to 1930 Danius proposes that the high modernist aesthetic is inseparable from a technologically mediated crisis of the senses She reveals the ways in which categories of perceiving and knowing are realigned when technological devices are capable of reproducing sense data Sparked by innovations such as chronophotography phonography radiography cinematography and technologies of speed this sudden shift in perceptual abilities had an effect on all arts of the time Danius explores how perception notably sight and hearing is staged in the three most significant modern novels in German French and British literature The Senses of Modernism connects technological change and formal innovation to transform the study of modernist aesthetics Danius questions the longstanding acceptance of a binary relationship between high and low culture and describes the complicated relationship between modernism and technology challenging the conceptual divide between a technological culture and a more properly aesthetic one **Ozark Mountain Spell Book** Brandon Weston,2022-06-08 Explore Ozark Folk Magic for Love Luck Health Apply traditional Ozark workings to your craft and enjoy a stronger connection to the everyday magic all around you Brandon Weston weaves fascinating historical details and stories from his own practice alongside step by step instructions for authentic remedies rituals and spells collected from other regional witches and healers A companion to Ozark Folk Magic this book compiles more than fifty recipes that utilize ingredients commonly found in the household or in nature You will learn how to grow luck at the base of a tree bring lovers closer together with string and reverse a hex using a black candle Weston also covers cleansing rituals protection charms dream work divination tools and more With advice for modernizing these techniques this spell book captures Ozark folk magic as both a deep and evolving tradition for practitioners to enjoy *Mountain Magic : Celtic Shamanism in the Austrian Alps* Christian Brunner,2015-08-08 Christian F Brunner author of several books on shamanism in the Alps has practiced ancient healing methods for over twenty years He is also a Druid in the Order of Bards Ovates and Druids contributing regularly to the Order s monthly magazine Touchstone The author invites you to take a stroll with him through his beloved Alps where

myths and folk customs still sing of the people who lived there in antiquity the Celts Walk with the author along the narrow ridge between history and otherworld which we encounter behind many a jagged rock in a deep forest or dark cave We will meet giants there mystical ladies and the Kasermandl and all have fascinating stories to tell Learn what the Alpine people of old thought about Vervain and how ancient magical spells connected folks on continent with their brethren on the British Isles And finally you can go with Christian Brunner on a shamanic journey to Mutter Perchtl and thus participate in the remembrance of the Great Goddess *The Mountain of Magic* Beverley Nichols,Peggy Fortnum,1975 Where the Mountain Meets the Moon Grace Lin,2009-07 A Newbery Honor WinnerA New York Times Bestseller This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver* In the valley of Fruitless mountain a young girl named Minli lives in a ramshackle hut with her parents In the evenings her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon who knows the answers to all of life s questions Inspired by these stories Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him how she can change her family s fortune She encounters an assorted cast of characters and magical creatures along the way including a dragon who accompanies her on her quest for the ultimate answer Grace Lin author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure faith and friendship A fantasy crossed with Chinese folklore *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill s *The Girl Who Drank the Moon* Her beautiful illustrations printed in full color accompany the text throughout Once again she has created a charming engaging book for young readers Castorp Pawel Huelle,2007 Pawel Huelle imagines the adventures of Hans Castorp from Thomas Mann s *The Magic Mountain*

America's Magic Mountain Curtis White,2004 Filled with many compelling outrageous and comic voices White s novel is disturbing charming and biting Curtis White s new novel begins with Mann s unassuming young man Hans Castorp visiting his cousin at a health retreat In this book though the retreat is a spa for recovering alcoholics totally unlike all other rehab centres Rather than encouraging their patients to free themselves from addiction the directors of *The Elixir* believe that sobriety isn t for everyone that you must let alcohol work its way on you It is about a weird and unlikely world that nevertheless is quite recognisable as our own *Bucky and Becky - the Magic of Wigglepoo Mountain* Michael Stanfield,2009-04-20 I am excited to inform you about a new series of adventure stories for children of all ages These stories will take you to strange and far away places that are fascinating and exciting to follow In the first book *The Magic of Wigglepoo Mountain* you will meet our heroes Bucky and Becky a brother sister team who will keep you guessing about a story filled with mystery and intrigue In order to return home from a strange land our heroes must solve a mystery involving Magic Bottlenose an evil Magician has enchanted and kidnapped Princess Lela This dark plot by the Magician is intended to topple the Kingdom of King Harold and Queen Gwen in beautiful Crystal City In the Shadow of the Magic Mountain

Andrea Weiss, 2008-04-30 A biography of Thomas Mann's two eldest children that provides intriguing insight into both their lives and the political and cultural shifts at the same time. Thomas Mann's two eldest children, Erika and Klaus, were unconventional, rebellious, and fiercely devoted to each other. Empowered by their close bond, they espoused vehemently anti-Nazi views in a Europe swept up in fascism and were openly even defiantly gay in an age of secrecy and repression. Although their father's fame has unfairly overshadowed their legacy, Erika and Klaus were serious authors, performance artists before the medium existed, and political visionaries whose searing essays and lectures are still relevant today. And as Andrea Weiss reveals in this dual biography, their story offers a fascinating view of the literary and intellectual life, political turmoil, and shifting sexual mores of their times. *In the Shadow of the Magic Mountain* begins with an account of the make-believe world the Manns created together as children, an early sign of their talents as well as the intensity of their relationship. Weiss documents the lifelong artistic collaboration that followed, showing how, as the Nazis took power, Erika and Klaus infused their work with a shared sense of political commitment. Their views earned them exile, and after escaping Germany, they eventually moved to the United States, where both served as members of the U.S. armed forces. Abroad, they enjoyed a wide circle of famous friends, including André Gide, Christopher Isherwood, Jean Cocteau, and W.H. Auden, whom Erika married in 1935. But the demands of life in exile, Klaus's heroin addiction, and Erika's new allegiance to their father strained their mutual devotion, and in 1949, Klaus committed suicide. Beautiful, never-before-seen photographs illustrate Weiss's riveting tale of two brave nonconformists whose dramatic lives open up new perspectives on the history of the twentieth century.

The Magic Mountain Hermann John Weigand, 1964 **Thomas Mann's The Magic Mountain** Harold Bloom, 1986 A collection of critical essays on Mann's novel *The Magic Mountain*, arranged in chronological order of publication.

Below the Magic Mountain Linda Bryder, 1988 Tuberculosis was perceived for the first time in the early twentieth century as a major problem warranting state involvement in a national campaign for its eradication. This book examines the rise of the anti-tuberculosis movement in Britain and the development of a new public health service and medical specialism, discussing why the campaign took the particular form it did. The importance of the study lies in its conception of medical history not as a series of scientific discoveries and technological developments but as an integral part of a broader social and political scene. The patient often neglected in medical history is given close attention in an attempt to understand how the disease has been viewed during this century and the impact it has had on society. *Below the Magic Mountain* shows that medicine cannot be understood in isolation from the society of which it is a part.

A Companion to Thomas Mann's The Magic Mountain Stephen D. Dowden, 2002 Thomas Mann once told Susan Sontag that he considered *The Magic Mountain* to be his greatest novel. And few in his own day doubted the preeminence of this modernist classic. But many have argued that the age of literary modernism has passed. If this is so, how might we best understand Mann's masterpiece now? In this book of wide-ranging and original essays, which also includes a memoir of Thomas Mann by Susan Sontag, various scholars and critics explore the

meanings of The Magic Mountain for the contemporary imagination *Finding Magic Mountain* Carol

Zapata-Whelan, 2006-08-01 Carol Zapata Whelan describes her son's struggle with the rare genetic disease Fibrodysplasia Ossificans Progressiva FOP focusing on the time of diagnosis at age nine to his first year in college he matriculated as a pre-med student at the University of California Berkeley in September 2004 Zapata Whelan illustrates how this struggle with FOP has shaped and strengthened her family and how as a mother the experience has taught her to put her trust in the universe and live life one day at a time Through her son's remarkable grace and strength in dealing with his disease she has learned that an unexpected encounter with suffering can be a blessing as well Through flashbacks and anecdotes Zapata Whelan leads the reader through the ups and downs of dealing with FOP in everyday life while offering insight hope and guidance throughout Ezra Pound: Poems & Translations (LOA #144) Ezra Pound, 2003-10-13 Poetic visionary Ezra Pound catalyzed American literature's modernist revolution This volume the most comprehensive collection of his poetry and translations ever assembled gathers all his verse except The Cantos
