BOOK JACKET *Life Is Magic* Jon Dorenbos, 2020-11-03 Jon Dorenbos is a magical person Life Is Magic shows how we can all choose happiness in the face of overwhelming odds Ellen DeGeneres An extraordinary and empowering story of resilience forgiveness and living a life of purpose in the face of unfathomable obstacles You may know him as an NFL All Pro or as a world class magician who made the finals of America's Got Talent but Jon Dorenbos says that what he does is not who he is He is someone who coached himself at the most tender of ages to turn tragedy to triumph One morning in

August 1992 when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle he woke up for baseball camp His dad waved goodbye Later that day Jon heard the news his father had murdered his mother in the family's three car garage In an instant his life had shattered He'd essentially been orphaned Thrust into foster care while his father stood trial for murder Jon struggled Left to himself he discovered an unlikely escape performing magic tricks If you found a way to alter your reality after your dad your hero killed your mom wouldn't you cling to it too Then came football which provided a release for all of his pent up anger Together magic and football saved him leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe In 2017 he was diagnosed with a life threatening heart condition leaving him with a choice To either break down or as he'd by now long taught himself bounce back Life Is Magic shows how we can all choose happiness in the face of overwhelming odds Ellen DeGeneres and provides a roadmap for overcoming even the darkest of times Jon's story is poignant and powerful told by a charismatic and optimistic man who has overcome life or death challenges with grace persistence a childlike sense of wonder and jaw dropping card tricks

My Journey to Safety Peter Abui, 2015-12-29 My life was full of many unexpected experiences Some were good and some were bad During that time of war mostly bad times occurred more often than good times Those good times didn't last longer I think there is a reason why things happen to people and as always there are results afterward either good or bad My hope all these years of war in South Sudan was that someday there would be a joyful moment for me as the outcome of my horrible suffering I do not have many good times to remember in my past life since the day I left South Sudan until the day I arrived in the United States of America However even then still I always felt like I was missing something Of course indeed part of me is missing my whole family was not with me I never gave up on myself when I was in that horrible situation I resisted the pain I was facing I wish of no ravage that I should do against my foes for what they did to me I wish for the bad day to get over and hope for better tomorrow I never except the weakness to engage my mind Instead I wish to preach the word of peace to my enemies for the sake of freedom in order to save the lives of the innocent I wish to just speak out only the word of unification I want to make the world aware of the war situation that was going on in my hometown and convey peace among the people and avoid more lives to be lost War is wrong we are all human beings with only one common goal the soul However the only message you should be saying to your enemies is peace Bear in mind that when you are torturing someone

you are torturing yourself as well You might not feel it physically but emotionally maybe not at the moment but afterward in the near future when peace comes and when justice prevails My parents used to tell me not to be afraid but to be brave and strong The fear one is the one got kill first in battle because they panic and run randomly into ambush Walt Disney Tamra Orr,2014 Explore important business concepts and take a look at the lives of some of the most important entrepreneurs in history Fascinating text details the life stories and accomplishments of world changing businessleaders Readers are also provided with the knowledge they need to understand the basics of the economy and start businesses of their own Clear text illustrates important business principles and provides readers with the information they need to one day become entrepreneurs Sidebars and timelines provide context for some of history s most incredible business achievements Glossaries clarify important words used in each book Photos and illustrations bring history to life and provide reference points for difficult concepts Additional content for further learning on this subject available at [www factsfornow scholastic com](http://www.factsfornow.scholastic.com)
