Spells to Overcome Enemies Spells for Health and Protection The Book of Shadows Brittany Nightshade, 2016-04-26 EDIT
Updates for 2017 Added more spells illustrations and a glossary I compiled this Book of Shadows from a collection of spells I have been using since I started down my path This book contains over 100 spells a list of runes how they can be used in spell casting and even crafting your own spells I've collected these spells from several different sources mostly from witches I have met in my travels and covens I have been a part of I've tweaked a few of these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power your energy is what really matters so feel free to do the same and change what you want to suit your own needs The craft of Magic is a constant fluctuating living thing and our ancestors have borrowed changed and made from scratch what we practice today I hope this book helps you grow as a person and a spellcrafter Brittany Nightshade Brittany Nightshade *Traditional Magic Spells for Protection and Healing* Claude Lecouteux, 2017-11-07 An in depth collection of ancient spells and magic practices drawn from rare and newly discovered texts Presents more than 600 magical prescriptions for healing and protection from both pagan and Christian sources Examines the practice of diagnosing illness through magic and explores ancient beliefs about curses and other evil spells and about devils demons and ghosts Includes spells from the heavily guarded gypsy tradition of magic and healing drawn from newly discovered materials Since the beginning of history people have sought remedies for the many ills that have beset them from illnesses afflicting the body to threats posed by evil and hostile individuals In many folk healing and pagan traditions it was believed that one must gain the assistance of the guardian spirit of a healing plant or substance through prayers or offerings before its chemical properties would be effective The Church decried these spells and practices as pagan superstition but did not seek to exterminate these beliefs instead transferring the responsibility for their healing powers to the apostles and saints Drawing on his extensive knowledge of ancient texts Claude Lecouteux presents more than 600 magical prescriptions from both pagan and Christian sources from the last 2 000 years covering everything from abscesses and shingles to curses and healing animals He examines the practice of diagnosing illness through magic and looks at the origins of disease according to the evolving beliefs of magic practitioners over the centuries He explores ancient beliefs about curses and about devils demons and ghosts and provides an in depth look at protection magic including protection of health animals and cultivated land protection against curses witchcraft bad weather and beasts protection of a home and protection while traveling He includes spells from the heavily guarded gypsy tradition of magic and healing drawn from newly discovered materials collected by two Romanian ethnologists who lived and traveled with gypsies in Transylvania in the mid 19th century The author also reproduces rare texts on magic healing from the 14th and 15th centuries Revealing the vitality of these practices in the remoter areas of Eastern Europe Lecouteux shows how the influence of this pagan worldview is still detectable in the work of modern folk healers in France and Scandinavia He also shows how the condemnation of unorthodox methods of healing has not vanished from the contemporary world the medieval legislation

against healing by wizards and bonesetters is echoed in modern health codes that challenge the authority of naturopaths and faith healers

The Spell Book of a Wicked Witch Thalia Thorne, 2021-02-07 Sometimes the only way to get justice is to make it for yourself Many modern witches believe that you should only use magic to bring positive energy into the world and most spell books teach you those types of spells This spell book is different This spell book is wicked There are times when you will be hurt by someone you loved betrayed by someone you trusted maligned by someone you thought was your friend Times when the magic of light and love just will not do Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as white magic or black magic Magic is what you turn to when mundane methods have failed or just won't work If you're not pushing back against those who would walk all over you then you're just going to end up being a doormat This spell book will teach you how to make your own justice and stand up for yourself For example you'll find Agony of Acne Curse to give someone a pimple Sour Break Up Spell to end a relationship Banish Your Ex Hex to drive them away forever Business Butcher Curse to destroy a business Liar's Lamentation to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step by step directions that a beginner can follow The next time someone wrongs you will you turn the other cheek Or will you be wicked
