Three Simple Steps Trevor G Blake, 2012-08-23 How many self help books are written by authors whose biggest success is selling self help books Three Simple Steps is different Despite stock market crashes dot com busts and the specter of recession the author started a virtual company from home using a few thousand dollars of his savings A few years later without ever hiring an employee or leaving his home office he sold it for more than 100 million As the economy slipped into another free fall he did this again with a company in a different field He accomplished this through no particular genius Rather he studied the habits of the many successful men and women who preceded him and developed three simple rules that if followed diligently virtually ensure success Using them first to escape poverty then to achieve a life of adventures he finally turned them toward financial independence Written in a

straightforward and no nonsense style Three Simple Steps shows you how to take back control of your destiny and reshape your mind for increased creativity serenity and achievement While building on the wisdom of great thinkers and accomplished individuals from East and West Three Simple Steps isn't a new age text or guide to esoteric fulfillment Rather it's a practical guide to real life achievement by a pragmatic businessman who attributes his incredible successes to these very simple ideas Three Simple Steps is a must read guide for everyone who wants to achieve more live better and be happier

**Crosshairs on the Kill Zone** Charles W. Sasser, Craig Roberts, 2004-07-01 From the jungles of Vietnam to the unforgiving deserts of Afghanistan and Iraq one breed of soldier has achieved legendary status in the arena of combat the sniper From the authors of the classic sniper chronicle One Shot One Kill comes a new generation of true tales from some of the most expert and deadly marksmen in the world Meet Adelbert Waldron II whose 109 confirmed kills in Vietnam made him the most successful sniper in American military history and Tom Moose Ferran who coined the term Fetch whereupon the infantry would retrieve the sniper's dead quarry Also included are stories from snipers in Beirut the Bosnian conflict and both wars with Iraq including the feat of Sergeants Joshua Hamblin and Owen Mulder who took down thirty two enemy soldiers in a single day outside Baghdad in 2003 The military sniper has evolved into one of the most dangerous and highly skilled warrior professions They suffer through weather terrain and enemy action lay unmoving for days on end and take out their targets with unerring accuracy proving that the deadliest weapon in any battle anywhere in the world is a single well aimed shot

**Six: Blood Brothers** Charles W. Sasser, 2017-01-17 Based on the History's series Six an action packed military thriller following the elite legendary SEAL Team Six The elite Navy unit known as SEAL Team Six is made up of some of the most renown and fearsome warriors of all time deployed for only the toughest missions in the most dangerous places on Earth Richard Rip Taggart used to lead this unit until after seeing and experiencing too much on the battlefield he snaps and executes an American in cold blood in Afghanistan Now two years later he has been exiled from his brothers in Six and works for a private security group in Nigeria until he finds himself in the wrong place at the wrong time and is captured by Boko Haram along with a group of Nigerian school girls But the brotherhood of the SEALs runs deep Once Rip's unit finds out that he has been taken they demand to be the ones to bring him back home But as they mount their rescue operations they find themselves squaring off against an enigmatic lieutenant of a rising terrorist group someone who seems to have a particular interest in getting to Rip first Based off the gripping new series from creators David Broyles Special Operations veteran and William Broyles and inspired by the true stories and events involving SEAL Team Six Six Blood Brothers will give readers a visceral taste of what it means to be part of this squad balancing their own personal demons and complications of family life with the need to serve their country and be there for their brothers in arms

**Back in the Fight** Joseph Kapacziewski, Charles W. Sasser, 2013-05-07 The inspiring and thrilling combat memoir of the only Army Ranger serving in direct combat operations with a prosthetic limb On October 3 2005 Kapacziewski and his soldiers were coming to the end of

their tour in Northern Iraq when their convoy was attacked by enemy fighters. A grenade fell through the gunner's hatch and exploded shattering Kapaczewski's right leg below the knee, damaging his right hip and severing a nerve and artery in his right arm. He endured more than forty surgeries but his right leg still wasn't healing as he had hoped so. In March 2007, Kapaczewski chose to have it amputated with one goal in mind: to return to the line and serve alongside his fellow Rangers. One year after his surgery, Kapaczewski accomplished his goal; he was put back on the line as a squad leader of his Army Ranger Regiment. On April 19, 2010, during his ninth combat deployment and fifth after losing his leg, Kapaczewski's patrol ran into an ambush outside a village in eastern Afghanistan. After a fellow Ranger fell to withering enemy fire shot through the belly, Sergeant Kap and another soldier dragged him seventy-five yards to safety and administered first aid that saved his life while heavy machineguns tried to kill them. His actions earned him an Army Commendation Medal with V for Valor. He had previously been awarded a Bronze Star for Valor and a total of three Purple Hearts for combat wounds. Back in the Fight is an inspiring and thrilling tale readers will never forget.

**The Process of Magic** Taylor Ellwood, 2018-06-05

Learn how magic works and how to get consistent results. There are lots of books about magic, but how many of them actually explain how magic works or, more importantly, how to get a consistent result that meaningfully changes your life? The Process of Magic strips away the glamour and image of magic to focus on the reality of how magic works and what you can do to customize your magical workings. Instead of relying on prescriptive spells and rituals, why not learn the fundamental mechanics of magic and design your own workings? With The Process of Magic, you'll learn exactly that and much more. What the 11 principles of magic are and how they create your magical workings. What the 8 types of magic workings are and how to customize them. How to methodically approach magic as a process that produces results. How to troubleshoot and fix your magical workings. How to get results that last. If you've ever gotten results that don't stick or tried to do a working and come away feeling like nothing worked, then The Process of Magic will help you demystify magic and make it into a spiritual practice you can use to improve and enhance your life.
