everything he knows behind When his mentor is killed by Aiden head of the secret police he flees for his life stumbling from one misadventure into another Teaming up with a trio of greedy traders and a capricious imp along the way Randall must learn to master his budding power or die at the hands of the Rooks      Titian's Touch Maria H. Loh,2019-08-15 At the end of his long prolific life Titian was rumored to paint directly on the canvas with his bare hands He would slide his fingers across bright ridges of oil paint loosening the colors blending blurring and then bringing them together again With nothing more than the stroke of a thumb or the flick of a nail Titian s touch brought the world to life The clinking of glasses the clanging of swords and the cry of a woman s grief The sensation of hair brushing up against naked flesh the sudden blush of unplanned desire and the dry taste of fear in a lost shadowy place Titian s art Maria H Loh argues in this exquisitely illustrated book was and is a synesthetic experience To see is at once to hear to smell to taste and to touch But while Titian was fully attached to the world around him he also held the universe in his hands Like a magician he could conjure appearances out of thin air Like a philosopher his exploration into the very nature of things channelled and challenged the controversial ideas of his day But as a painter he created the world anew Dogs babies rubies and pearls Falcons flowers gloves and stone Shepherds mothers gods and men Paint canvas blood sweat and tears In a series of close visual investigations Loh guides us through the lush vibrant world of Titian s touch      Rose's Magic Touch Nina Alexander,1997 Rose is thrilled to find herself assisting Peter Presto a world famous magician who is on tour in Salzburg Austria But when a crisis occurs during an important televised performance it s up to Rose to step in and play a bigger role Can Rose magically save the show and the master magician s touch      **The Chocolate Touch** Patrick Skene Catling,2006-05-23 John midas loves chocolate He loves it so much that he ll eat it any hour of any day He doesn t care if he ruins his appetite He thinks chocolate is better than any other food But one day after wandering into a candy store and buying a piece of their best chocolate John finds out that there might just be such a thing as too much chocolate      **Tap the Magic Tree Board Book** Christie Matheson,2016-06-07 The acclaimed interactive picture book about the changing seasons Like Herv Tullet s Press Here Matheson s Tap the Magic Tree proves you don t need apps for interactivity praised the New York Times This board book edition is perfect for little hands Every book needs you to turn the pages But not every book needs you to tap it shake it jiggle it or even blow it a kiss Innovative and timeless Tap the Magic Tree asks you to help one lonely tree change with the seasons Now that s interactive and magical It begins with a bare brown tree But tap that tree turn the page and one bright green leaf has sprouted Tap again one two three four and four more leaves have grown on the next page Pat clap wiggle jiggle and see blossoms bloom apples grow and the leaves swirl away with the autumn breeze The collage and watercolor art evokes the bright simplicity of Lois Ehlert and Eric Carle and the interactive concept will delight fans of Pat the Bunny Combining a playful spirit and a sense of wonder about nature Christie Matheson has created a new modern classic that is a winner in every season and every story time And don t miss the follow up Touch the Brightest Star      *A Touch of Brimstone* McKenzie Hunter,2021-08-19
