River of Stars Guy Gavriel Kay, 2013-04-02 *River of Stars* is a major accomplishment the work of a master novelist in full command of his subject Michael Dirda in *The Washington Post* *Game of Thrones* in China Salon.com Ren Daiyan was still just a boy when he took the lives of seven men while guarding an imperial magistrate That moment on a lonely road changed his life in entirely unexpected ways sending him into the forests of Kitai among the outlaws From there he emerges years later and his life changes again dramatically as he circles toward the court and emperor while war approaches Kitai from the north Lin Shan is the daughter of a scholar his beloved only child Educated by him in ways young women never are gifted as a songwriter and calligrapher she finds herself living a life suspended between two worlds Her intelligence captivates an emperor and alienates women at the court But when her father's life is endangered by the savage politics of the day Shan must act in ways no woman ever has In an empire divided by bitter factions circling an exquisitely cultured emperor who loves his gardens and his art far more than the burdens of governing dramatic events on the northern steppe alter the balance of power in the world leading to events no one could have foretold under the river of stars **Once Upon**

a River Diane Setterfield, 2018-12-04 From the instant 1 New York Times bestselling author of the eerie and fascinating *USA TODAY* *The Thirteenth Tale* comes a swift and entrancing profound and beautiful Madeline Miller internationally bestselling author of *Circe* novel about how we explain the world to ourselves ourselves to others and the meaning of our lives in a universe that remains impenetrably mysterious On a dark midwinter's night in an ancient inn on the river Thames an extraordinary event takes place The regulars are telling stories to while away the dark hours when the door bursts open on a grievously wounded stranger In his arms is the lifeless body of a small child Hours later the girl stirs takes a breath and

returns to life Is it a miracle Is it magic Or can science provide an explanation These questions have many answers some of them quite dark indeed Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again yet as the days pass the mystery only deepens The child herself is mute and unable to answer the essential questions Who is she Where did she come from And to whom does she belong But answers proliferate nonetheless Three families are keen to claim her A wealthy young mother knows the girl is her kidnapped daughter missing for two years A farming family reeling from the discovery of their son s secret liaison stand ready to welcome their granddaughter The parson s housekeeper humble and isolated sees in the child the image of her younger sister But the return of a lost child is not without complications and no matter how heartbreaking the past losses no matter how precious the child herself this girl cannot be everyone s Each family has mysteries of its own and many secrets must be revealed before the girl s identity can be known Once Upon a River is a glorious tapestry of a book that combines folklore and science magic and myth Suspenseful romantic and richly atmospheric this is a beguiling tale full of twists and turns like the river at its heart and just as rich and intriguing M L Stedman 1 New York Times bestselling author of *The Light Between Oceans* **Over in a River** Marianne Berkes,2013-09-01 Learning becomes fun for everyone in this book about the geography of north American rivers and about the animals that live in this habitat The amazing artwork in this book will inspire kids in classrooms and at home to appreciate the world around us The great rivers of North America are teeming with life and on the pages of *Over in a River* from blue herons in the Hudson to salmon in the Columbia and from dragonflies in the Rio Grande to mallards in the St Lawrence Children will slither like water snakes and slide like otters while singing to the tune of *Over in a Meadow* Read about the snake beaver frog otter dragonfly and more that lives along the rivers Kids love counting books too What a delightful way to learn about riparian habitats and geography at the same time Backmatter Includes Further information about rivers and the animals in this book Music and song lyrics to *Over in the River* sung to the tune *Over in the Meadow*
