Some Christian women believe they must downplay their appearance in order to be godly but looking your best doesn't have to mean maintaining a supermodel image. Women can be creative with their appearance and enhance God's gift of beauty without feeling guilty. Women face the world each day under pressure to look their best. How can they balance the desire to uncover and maintain God-given outer beauty with inner beauty arising from their faith? Beauty coach Shelly Ballestero helps women navigate pressure from the world to meet unrealistic standards of outer perfection and inspires them to discover the true beauty God designed in them, inside and out. *Beauty by God* offers the reader both spiritual principles to develop inner beauty and practical tips for caring for her God-given body. *Girl from the Hood Gone Good* Ana Maria Sanchez, 2011-11 Sanchez discusses the trials and tribulations she underwent throughout most of her life. She guides the reader to an understanding how they can begin their own journey of self-discovery and healing from a pain-filled past into a joy-filled tomorrow. *Hairs Vs. Squares* Ed Gruver, 2016-05 *Hairs vs Squares* is an ode to an unforgettable season that began with the first major players strike in the history of North American sports and ended with a record-setting World Series played by two of the game's greatest and most colorful dynasties. In a sign of the times it was Hippies vs Hardhats, a clash of cultures with the hirsute mod Mustache Gang colliding with the clean-cut conservative Big Red Machine on the game's grandest stage. When the Oakland A's met the Cincinnati Reds in the 1972 Fall Classic, more than a championship was at stake. The more than two dozen interviews bring to life a time when controversy was commonplace both inside and outside the national pastime. In baseball, Willie Mays was traded, Hank Aaron was chasing down Babe Ruth's home run record, and Dick Allen was helping to save the Chicago White Sox franchise while winning the American League's Most Valuable Player award. Outside the American pastime, the war in Vietnam was raging, campus protests spread throughout the country, and Watergate and the Munich Olympics headlined the tumultuous year. The 1972 Major League Baseball season was marked by the rapid rise of rookies and young stars, the fall of established teams, and veterans' courageous comebacks and personal redemptions. Along with the many unforgettable and outrageous characters inside baseball, *Hairs vs Squares* emphasizes the dramatic changes that took place on and off the field in the 1970s: Owners' lockouts, on-field fights, maverick managers, controversial trades, artificial fields, the first full five-game League Championship Series, and the closest, most competitive World Series ever combined to make the 1972 season as complex as the social and political unrest that marked the era. **Popular Science**, 1956-05 *Popular Science* gives our readers the information and tools to improve their technology and their world. The core belief that *Popular Science* and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better. *Consumers' Research Annual Bulletin*, 1955
