Lizzie Laferton, 2020-10 Fun rhyming story of a Christmas nativity play that will teach children ages 4 7 profound truths about Jesus *The Manger Mission* Kristin Vazquez, 2020-10 The Manger Mission A Family Christmas Tradition is a story told through the eyes of playful reminiscing Wise Men now part of a family s nativity set as they anticipate Christmas each year while reflecting on their first journey to meet Jesus Each morning leading up to Christmas the children in the family choose a place for the Wise Men as they journey through their home every day moving them closer to the nativity where they can once again see baby Jesus On Christmas morning the children return the Wise Men to the nativity as part of their family s Christmas morning tradition **Searching for Christmas** J.D. Greear, 2020-10-01 Most of us are familiar with the events of the first Christmas the manger scene shepherds watching sheep angels singing their songs and wise men arriving but what if there s more to the story What if the birth of Jesus is actually the most significant event in all of history and can transform our lives This evangelistic book goes beyond the birth of Jesus to look at what he did when he grew up and how he fulfilled the names given to him centuries beforehand by the prophet Isaiah In a compelling insightful winsome and personal way J D Greear shows that if we get to know the God who lies behind the Christmas story and at the heart of the Christmas story we ll discover the joy hope purpose and belonging we re all searching for Readers will see that Jesus is the Wonderful Counsellor who can guide them in all truth the Mighty God who made and owns everything the Eternal Father who they can trust to love them for ever and the Prince of Peace who died in their place so that they can be forgiven and accepted eternally *Magic* Jan Golembiewski, 2018-10-01 I couldn t put it down Sofie Laguna This is a true story A young man heads off on a journey to find out if magic still exists in the world to know its wonder and to see if it might save him when his own life is unexpectedly at stake Instead of retreating after being deported from Mexico or beaten up in Guatemala he travels to the Caribbean where he meets a Rastafarian Don Juan who teaches him

about the natural mystic a magical tradition that had travelled to the Caribbean centuries earlier with the slavery trade Fate further propels his travels through the Americas and Europe to locate the source of this esoteric knowledge in Mother Africa where his emerging mastery of mysticism is tested by the Sahara desert He is imprisoned in Nigeria and tortured and then sold as a slave Magic is the story of an incredible journey both physical and spiritual that reverberates with literary voice and authenticity the uniqueness of lived adventure and of a passionate heart and vision Upon closing the last page of this book we ache for the innocence to lose our way and travel deeper to rediscover the savage but delicious nature of the miraculous in our own lives
