Only Magic Robert K. Swisher Jr., Robert K. Swisher, 2007-10 Penny a 14 year old girl in California begins to have vivid dreams and visions of Magic a wild horse in New Mexico and decides that somehow she will own him one day The Publishers Weekly, 2005 Miracles... and Other Ordinary Things Lana Ford, 1995-10-01 What do you feel when a physician tells you that you have a brain tumor and that you are going to die in a few months How do you cope with two children under the age of three when the tumor leads to blindness How do you make sense of your life when the physician angry that you didn't die mumbles that he will now have to treat you as if you have multiple sclerosis Lana Ford was faced with these questions and began to answer them one by one over a two year period She was forced to examine the meaning of life to sort through her beliefs about health and illness living and dying and to discard all the cultural programming she had accepted since childhood Then she began to play with inventing other realities visualizing the internal workings of her own body and refusing to believe in anything outside her own experience She trusted only the inner wisdom found in meditation including exploration of past lives and conversations with angels Her body began healing and within months she was symptom free and has remained so for more than twenty years Yet at the time she knew in her heart that no one would believe her story In the twenty years following her illness she has been a seeker of wisdom finding information from ancient texts asking for translations of the Hebrew she found herself chanting studying with eminent astrologers theologians shamans quantum physicists and those on the leading edge exploring realms of consciousness With both humor and scientific evidence she shares the wisdom she found that miracles lie in the mysterious interpretations we make of the events in our own lives and the connections we make with each other Mama Hen and Her Baby Chicks 1, 2, 3 Beck Ward, 2003 This one of a kind book clucks and lays eggs Read the story then push Mama Hen's tail to start the sound chip and out come three little egg shaped board books Replace the eggs and Mama Hen lays them again Four books in one incredible package **Magic Sky** Jeweline Donehue, 2003-01-30 Consider the thought provoking ideas put forth in this novel about a woman looking for an intimate relationship that provides a peaceful coexistence along with a mentally challenging interaction that allows both to grow at their own pace in freedom and love This book provokes more questions than it answers questions about everyday issues of life death and relating to others in a loving way The conversations of the potential lovers lead you into vistas of other worldly domains and leave you wondering if any of this could be possible Sage encounters strange visions and dreams throughout her life that cause her to question orthodox descriptions of God and ponder the origin and purpose of humans on earth Her magic sky provides an escape from earthly reality into surreal landscapes that become a heavenly backdrop for her and her other worldly lover to play and share intimacy Lives intimate moments have a way of leading us to the center of ourselves causing us to question the very fabric of existence This is Sage's plight She knows there is much more to existence than she is now aware and she wants to know it all Miss Slimmens' Window Mrs. Mark Peabody, 2023-04-29 Reprint of
