Magical Passes:

Magical Passes Carlos Castaneda, 1998-12-09 For us to perceive any of the worlds that exist beside our own not only do we have to covet them but we need to have sufficient energy to seize them In this revolutionary book Carlos Castaneda offers readers the key to this energetic conditioning for the first time revealing a series of body positions and physical movements that enabled various sorcerers and their apprentices to navigate their own sorceric journeys By sharing this centuries old wisdom Carlos Castaneda makes it possible for readers to travel to some of these other realms which are as real unique absolute and engulfing as our own world Castaneda offers both a philosophical history of magical passes and an innovative easy to understand instructional format complete with more than 450 computer generated illustrations Written with humor clarity and authority *Magical Passes* further illuminates the true meaning of sorcery and magic [The Active Side of Infinity](#)

Carlos Castaneda, 1999-12-22 Ordinarily events that change our path are impersonal affairs and yet extremely personal My teacher don Juan Matsus said this is guiding me as his apprentice to collect what I considered to be the memorable events of my life Don Juan described the total goal of the shamanistic knowledge that he handled as the preparation for facing the definitive journey the journey that every human being has to take at the end of his life He said that what modern man referred to vaguely as life after death was for those shamans a concrete region filled to capacity with practical affairs of a different order than the practical affairs of daily life yet bearing a similar functional practicality Don Juan considered that to collect the memorable in their lives was for shamans the preparation for their entrance into that concrete region which they called the active side of infinity In this book written immediately before his death anthropologist and shaman Carlos Castaneda gives us his most autobiographical and intimately revealing work ever the fruit of a lifetime of experience and perhaps the most moving volume in his oeuvre **The Sorcerer's Crossing**

Taisha Abelar, 1993-11-01 Some twenty years ago anthropologist Carlos Castaneda electrified millions of readers by describing his initiation under the Yaqui Indian brujo Don Juan into an alternate reality Now Taisha Abelar who was taught by the female members of Don Juan's group recounts her own crossing in this arresting book While traveling in Mexico Abelar became involved with a group of sorcerers and began a rigorous physical and mental training process designed to enable her to breach the limits of ordinary perception *The Sorcerers Crossing* details that process giving us a highly practical sense of the responsibilities and perils that face a woman sorcerer Abelar's enthralling story is invaluable as a virtual sorcerers manual as anthropology and as a provocative work of women's spirituality **Journey To Ixtlan**

Carlos Castaneda, 1991-02 Record of Castaneda's initiation into the mysteries of sorcery as revealed by his mentor and friend Don Juan *The Art of Dreaming*

Carlos Castaneda, 1994-05-19 Bestselling author Carlos Castaneda introduces readers to the worlds that exist within their dreams **Power of Silence**

Carlos Castaneda, 2013-03-26 Carlos Castaneda takes the reader into the very heart of sorcery challenging both imagination and reason shaking the very foundations of our belief in what is natural and logical *The Power of Silence* is Castaneda's most

astonishing book to date a brilliant flash of knowledge that illuminates the far reaches of the human mind Through don Juan's mesmerizing stories the true meaning of sorcery and magic is finally revealed Honed in the desert of Sonora the visions of don Juan give us the vital secrets of belief and self realization that are transcendental and valid for us all It is Castaneda's unique genius to show us that all wisdom strength and power lie within ourselves unleashed with marvelous energy and imaginative force in the teachings of don Juan and in the writings of his famous pupil Carlos Castaneda

Sorcerer's Apprentice Amy Wallace, 2013-07-30 *Sorcerer's Apprentice* opens with Amy Wallace's first meeting with Carlos Castaneda the infamous anthropologist turned shaman whose books described meetings with Yaqui Indian spiritual teacher don Juan Castaneda's rise was meteoric in the late 1960s as he wrote massive bestsellers inspired many to experiment with psychedelics and was dubbed the Godfather of the New Age The possibility that Castaneda's experiences may have been fabricated did little to compromise his legend As the daughter of best selling novelist Irving Wallace Amy was rarely shy around famous people When her father insisted she meet Castaneda she at first demurred Little did she know that a delightful first meeting would begin a 20 year friendship followed by her descent into the dramatic and deeply troubled affair chronicled in this book *Sorcerer's Apprentice* unblinkingly reveals the inner workings of the Cult of Carlos run by a charismatic authoritarian in his sixties who controlled his young female followers through emotional abuse mind games bizarre rituals dubious teachings and sexual excess Wallace's story is both specific and universal a captivating cautionary tale about the dangers of giving up one's power to a tyrant and about surviving assaults on body and spirit

The Wheel Of Time Carlos Castaneda, 2001-01-01 World renowned bestselling author Carlos Castaneda's Selection of his writings on the shamans of ancient Mexico Originally drawn to Yaqui Indian spiritual leader don Juan Matus for his knowledge of mind altering plants bestselling author Carlos Castaneda soon immersed himself in the sorcerer's magical world entirely Ten years after his first encounter with the shaman Castaneda examines his field notes and comes to understand what don Juan knew all along that these plants are merely a means to understanding the alternative realities that one cannot fully embrace on one's own In *Journey to Ixtlan* Carlos Castaneda introduces readers to this new approach for the first time and explores as he comes to experience it himself his own final voyage into the teachings of don Juan sharing with us what it is like to truly stop the world and perceive reality on his own terms

Everything Passes, Everything Remains Chris Dolan,2020-11-05 How would any of us feel if we could meet our teenage selves a ghost on the road Everything Passes Everything Remains is a confluence of journeys made by Chris Dolan his friends and writers before him It s a bit about cycling a bit about walking and a bit about buses It s a kind of travelogue over time and through some lesser known parts of Spain It s an obsession with Spain s writers and its history from the Inquisition to the Civil War to the questions it faces as a country today What makes a nation or a family for that matter or a group of friends In many ways it s as much about Dolan s native Scotland as Spain But mostly it s about the highs and lows of growing up and growing older how the past plays merry hell with the present About friendship loss music memory and the demons that follow us as we try to make sense of our history and our place in the world

Lifetime Passes Terry Blas,2021-11-23 In this darkly comedic YA graphic novel a group of teens starts a program to bring senior citizens to a local theme park to take advantage of the unofficial park policy If someone dies on the property the rest of their party is given lifetime passes Sixteen year old Jackie Chavez loves her local amusement park Kingdom Adventure maybe more than anything else in the world The park is all she and her friends Nikki Daniel and Berke although they aren t always the greatest friends talk about Kingdom Adventure is where all Jackie s best memories are and it s where she feels safe and happy This carries even more weight now that Jackie s parents have been deported and forced to go back to Mexico leaving Jackie in the United States with her T a Gina who she works with at the Valley Care Living seniors home When Gina tells Jackie that they
