disembodied realms will appreciate the book s content at a deeper level The Art of Creating a Magical Session Paul J. Leslie, 2019-01-10 Recent research has repeatedly confirmed that it is not the technique nor the theory but the interaction between therapists and clients that creates change in clients This practical guide outlines the ways in which psychotherapists can find new methods of moving their therapy sessions toward dynamic healing interactions by shifting away from an overreliance on techniques and theories The Art of Creating a Magical Session discusses the key elements needed to create the interaction conditions for transformational therapeutic change to occur Using a conceptual approach to client transformation the book draws from a diverse range of sources including indigenous traditions and rituals as well as the latest research on the common factors that contribute to success in the therapy room Each chapter focuses on educating and inspiring mental health professionals to easily adapt and apply creative and resourceful approaches to help their own clients begin inner transformations With case studies and narratives woven throughout this accessible guide will support mental health practitioners as they approach their practice in new ways and achieve deeper and more magical therapy sessions It will be valuable reading for psychotherapists psychologists social workers and counselors Magical Suspension James Combs, 2015-09-04 This book builds upon the author's extensive previous work on the movies adopting a more comprehensive and inquisitive stance for the study of moving pictures as a cultural movement and ludenic innovation It returns to earlier analysis and commentary on this new invention and recreation quickly termed the movies and develops the initial impression of both moviegoers and observers that the movies appealed because they were fun As such the book examines the characteristics that made films so enjoyable namely their use of magic presentation of myth and persistence of mnemonic recollection The enduring appeal of moving pictures remains consistent even though the medium has proliferated and diversified so much so that now a good portion of the human race spends a great deal of time looking at moving pictures The book is eclectic and exploratory designed to urge consideration of moving pictures in this larger perspective as something that has changed and perhaps enriched the lives of many people leaving inquirers the task of calculating the enormous significance and consequences of our motion picture experience for the conduct of our lives Such an effort is not without merit since it now seems quite clear that the whole world is watching The Arts and Indigenous Knowledge Systems in a Modernized Africa Runette Kruger, Rudi de Lange, Ingrid Stevens, 2018-12-17 This collection derives from a conference held in Pretoria South Africa and discusses issues of indigenous knowledge systems IKS and the arts It presents ideas about how to promote a deeper understanding of IKS within the arts the development of IKS arts research methodologies and the protection and promotion of IKS in the arts Knowledge embedded in song dance folklore design architecture theatre and attire and the visual arts can promote innovation and entrepreneurship and it can improve communication IKS however exists in a post millennium modernizing Africa It is then the concept of post Africanism that would induce one to think along the lines of a globalized cosmopolitan and essentially modernized Africa The book captures

leading trends and ideas that could help to protect promote develop and affirm indigenous knowledge and systems whilst also making room for ideas that do not necessarily oppose IKS but encourage the modernization not Westernization of Africa

Latino/a Children's and Young Adult Writers on the Art of Storytelling Frederick Luis Aldama, 2018-10-26 Children s and young adult literature has become an essential medium for identity formation in contemporary Latino a culture in the United States This book is an original collection of more than thirty interviews led by Frederick Luis Aldama with Latino a authors working in the genre The conversations revolve around the conveyance of young Latino a experience and what that means for the authors as they overcome societal obstacles and aesthetic complexity. The authors also speak extensively about their experiences within the publishing industry and with their audiences As such Aldama's collection presents an open forum to contemporary Latino a writers working in a vital literary category and sheds new light on the myriad formats distinctive nature and cultural impact it offers Magic, Literature and Climate Pedagogy in a Time of Ecological **Crisis** Sofia Ahlberg, 2024-08-22 Channeling the creative potential of humanity to transition towards joyous and just futures in times of life threatening climate change this book uses metaphors of magic and shapeshifting to imagine liveable futures achievable through other than rational means Focusing on a wide range of 20th and 21st century novels from a diverse range of writers such as Madeline Miller Jeff VanderMeer Ursula LeGuin N K Jemisin Ambelin Kwaymullina and Leanne Betasamosake Simpson it suggests that readers take seriously the pedagogical potential of magic in literature for the classroom and beyond while providing them with contextualized collective methods of climate action Middle English Marvels Tara Williams, 2018-01-03 This multidisciplinary volume illustrates how representations of magic in fourteenth century romances link the supernatural spectacle and morality in distinctive ways Supernatural marvels represented in vivid visual detail are foundational to the characteristic Middle English genres of romance and hagiography In Middle English Marvels Tara Williams explores the didactic and affective potential of secular representations of magic and shows how fourteenth century English writers tested the limits of that potential Drawing on works by Augustine Gervase of Tilbury Chaucer and the anonymous poets of Sir Orfeo and Sir Gawain and the Green Knight among others Williams examines how such marvels might convey moral messages within and beyond the narrative She analyzes examples from both highly canonical and more esoteric texts and examines marvels that involve magic and transformation invoke visual spectacle and invite moral reflection on how one should relate to others Within this shared framework Williams finds distinct concerns chivalry identity agency and language that intersect with the marvelous in significant ways Integrating literary and historical approaches to the study of magic this volume convincingly shows how certain fourteenth century texts eschewed the predominant trends and developed a new theory of the marvelous Williams s engaging erudite study will be of special interest to scholars of the occult the medieval and early modern eras and literature Performance on Behalf of the Environment Richard D.
