Magical Makeovers:

Magical Makeover Brenda Trim, 2021-04-08 Divorce comes as a relief when you discover your husband is a walking cliché and having an affair with a woman half your age When life gives you lemons give yourself a magical makeover One day I'm married living in the triangle and working as a head nurse at one of the country's best hospitals The next I've shed a hundred and seventy five pounds of idiot and find myself encountering ghosts dragons and pixies while taking care of a sick patient Losing my sanity didn't seem like the worst thing to happen since I moved back home with my mom and nana But I have to make the best of this mess for the sake of my children And I refuse to give my ex the satisfaction of knowing he literally drove me crazy I didn't mind rolling with the punches I just never imagined those hits would come in the form of magic Witches shifters and Fae don't exist right This new world I've discovered is dangerous The Tainted want to kill me innocent paranormals want my help and the son of Hades needs me to find demons Give me an Ibuprofen and watch out I'm not about to stand by and let someone else ruin my life I'm a middle aged woman on a brand new mission and nothing's going to stop me

Starrling,2025-04-25 Dear Diary Today I became a werewolf It wasn t exactly on my to do list but neither was finding a strange man on my doorstep who bit me while he was high on werewolf nip Now I m working for a supernatural financial firm run by the hottest alpha in town who happens to be my mate trying to track down a cursed artifact and dealing with office politics that involve actual monsters Did I mention I can hear my dog talk Honestly I preferred it a lot more when he

couldn't give me unsolicited advice about my questionable life choices I'm really starting to miss the days when my biggest problem was acid reflux *Diary of a Reluctant Werewolf* is a humorous urban fantasy series with a witty heroine who's as sharp with her tongue as she is with a spreadsheet a brooding alpha werewolf a sassy Husky a snooty cat a pack of loveable oddballs a shady workplace brimming with supernatural number crunchers and a town where the monsters are real and really bad at filing their taxes Spark and Burn Diana G. Gallagher, 2017-09-26 What is the true measure of a champion In the nineteenth century a boy named William was born A sweet gentle boy no one could have guessed the suffering he'd cause the pain he'd inflict When as a young man he meets a woman called Drusilla a strange woman a woman unlike anyone William has ever known he is fundamentally changed She has turned him There will be no more William He is Spike now As Spike he travels Europe with a band of vagabond vampires Dru Darla and Angelus instruct him on his new nature and from them he learns about that greatest of vampiric enemies the girl who is chosen to stand up against them trained to kill them endowed with the strength it takes to defeat them the Slayer Then and there Spike decides he'll hunt down those slayers He'll see how many he can find Who would have thought then that he'd fight on the Slayer's side Who would have guessed that Spike once William would go out and seek his soul for a slayer Who would have dared dream he'd fall in love with one

American Remakes of British Television Carlen Lavigne, Heather Marcovitch, 2011-03-31 Ever since Norman Lear remade the BBC series *Till Death Us Do Part* into *All in the Family* American remakes of British television shows have become part of the American cultural fabric Indeed some of the programs currently said to exemplify American tastes and attitudes from reality programs like *American Idol* and *What Not to Wear* to the mock documentary approach of *The Office* are adaptations of successful British shows Carlen Lavigne and Heather Marcovitch's *American Remakes of British Television* Transformations and Mistranslations is a multidisciplinary collection of essays that focuses on questions raised when a foreign show is adapted for the American market What does it mean to remake a television program What does the process of Americanization entail What might the success or failure of a remade series tell us about the differences between American and British producers and audiences This volume examines British to American television remakes from 1971 to the present The American remakes in this volume do not share a common genre format or even level of critical or popular acclaim What these programs do have in common however is the sense that something in the original has been significantly changed in order to make the program appealing or accessible to American audiences The contributors display a multitude of perspectives in their essays British to American television remakes as a whole are explained in terms of the market forces and international trade that make these productions financially desirable *Sanford and Son* is examined in terms of race and class issues Essays on *Life on Mars* and *Doctor Who* stress television's role in shaping collective cultural memories An essay on *Queer as Folk* explores the romance genre and also talks about differences in national sexual politics An examination of *The Office* discusses how the American remake actually endorses the bureaucracy that the British original satirizes

alternatively another approach breaks down The Office's bumbling boss figures in terms of contemporary psychological theory An essay on What Not to Wear discusses how a reality show about everyday fashion conceals the construction of an ideal national subject a second essay explains the show in terms of each country's discourses surrounding femininity The success of American Idol is explained by analyzing the role of amateur music in American culture The issue of translation itself is interrogated by examining specific episodes of Cracker and also by asking why a successful series in the U K Blackpool was a dismal failure as an American remake This collection provides a rich and multifaceted overview of approaches to international television studies House of Flame and Shadow Sarah J. Maas, 2024-01-30 The stunning third book in the sexy action packed Crescent City series following the global bestsellers House of Earth and Blood and House of Sky and Breath Bryce Quinlan never expected to see a world other than Midgard but now that she has all she wants is to get back Everything she loves is in Midgard her family her friends her mate Stranded in a strange new world she's going to need all her wits about her to get home again And that's no easy feat when she has no idea who to trust Hunt Athalar has found himself in some deep holes in his life but this one might be the deepest of all After a few brief months with everything he ever wanted he's in the Asteri's dungeons again stripped of his freedom and without a clue as to Bryce's fate He's desperate to help her but until he can escape the Asteri's leash his hands are quite literally tied In this sexy breathtaking sequel to the 1 bestsellers House of Earth and Blood and House of Sky and Breath Sarah J Maas's Crescent City series reaches new heights as Bryce and Hunt's world is brought to the brink of collapse with its future resting on their shoulders *Garden of Thorns and Light* Shylah Addante, 2020-09-15 When Amethyst Faye was six years old she was almost stolen by a monster in the woods on the same night her mother mysteriously disappeared Ten years a half dozen psychiatrists and a slew of diagnoses haven't made things any better she is still plagued by nightmares ridiculed at school and misunderstood by everyone from her teachers to her counselor to her father And lately she's been sprouting thick green thorns out of her skin When the paranoia doesn't end and the treatment options run out she's faced with a choice between inpatient treatment or spending the summer with a grandmother she hasn't heard from in a decade Summer at Gran's in Morgan Springs wins out just barely and only because a backwater town sounds marginally more interesting than a mental institution Amethyst draws the attention of Ben the boy of her dreams and Absynth the creature from her nightmares Although neither of them is what she expected Amethyst realizes both Ben and Absynth are exactly what she needs to heal her heart and harness the fairy magic she's inherited Unfortunately for Amethyst trying to walk both paths could get her killed but having to choose between them is far worse GARDEN OF THORNS AND LIGHT is an exiting new fantasy where sometimes it's OK to be the monster
