Neobaroque in the Americas Monika Kaup, 2012 In a comparative and interdisciplinary analysis of modern and postmodern literature film art and visual culture Monika Kaup examines the twentieth century's recovery of the baroque within a hemispheric framework embracing North America Latin America and U S Latino a culture As neobaroque comes to the forefront of New World studies attention to transcultural dynamics is overturning the traditional scholarship that confined the baroque to a specific period class and ideology in the seventeenth century Reflecting on the rich nonlinear genealogy of baroque expression Neobaroque in the Americas envisions the baroque as an anti proprietary expression that brings together seemingly disparate writers and artists and contributes to the new studies in global modernity

The Rise of Spanish-Language Filmmaking Lisa Jarvinen, 2012-06-05 Silent film was universally understood and could be exported anywhere But when talkies arrived the industry began experimenting with dubbing subtitling and dual track productions in more than one language Where language fractured the European film market for Spanish speaking countries and communities it created new opportunities In *The Rise of Spanish Language Filmmaking* Lisa Jarvinen focuses specifically on how Hollywood lost ground in the lucrative international Spanish speaking

audience between 1929 and 1939 Hollywood studios initially trained cadres of Spanish speaking film professionals created networks among them and demonstrated the viability of a broadly conceived transnational Spanish speaking film market in an attempt to forestall the competition from other national film industries By the late 1930s these efforts led to unintended consequences and helped to foster the growth of remarkably robust film industries in Mexico Spain and Argentina Using studio records Jarvinen examines the lasting effects of the transition to sound on both Hollywood practices and cultural politics in the Spanish speaking world She shows through case studies based on archival research in the United States Spain and Mexico how language as a key marker of cultural identity led to new expectations from audiences and new possibilities for film producers
