**Cinderella's Revenge** Samuele Mazza,1994-09 A spectacular companion to Brahaus Cinderella s Revenge pays tribute to footwear s form and function beyond even the most ardent shoe fetishist s wildest imaginings Over 200 striking full colour photographs fill this fanciful collection showcasing the ingenious fabrications of some of Europe s most talented artists and designers Initially created for an Italian exhibition these shoe inspired works of original art have been constructed from such unlikely materials as latex marble chrome glass cigarettes and feathers From a pair of antique pumps swathed Christo like in ivory fabric to towering platform shoes rendered in shiny metal the objets d art in Cinderella s Revenge offer a walk on the wild side for lovers of innovative fashion and design    Brahaus Samuele Mazza,1994-03 Award winning fashion designer Samuele Mazza invited respected artists and designers from around the world to turn their attention to the common brassiere and submit pieces for an exhibition The results are amazing flamboyant outrageous and beautiful creations flights of fancy and numerous visual puns Brahaus is a truly original look at one of the most charged icons in the history of fashion

**The Italian Renaissance State** Andrea Gamberini,Isabella Lazzarini,2014-11-06 This magisterial study proposes a revised and innovative view of the political history of Renaissance Italy Drawing on comparative examples from across the peninsula and the kingdoms of Sicily Sardinia and Corsica an international team of leading scholars highlights the complexity and variety of the Italian world from the fourteenth to early sixteenth centuries surveying the mosaic of kingdoms principalities signorie and republics against a backdrop of wider political themes common to all types of state in the period The authors address the contentious problem of the apparent weakness of the Italian Renaissance political system By repositioning the Renaissance as a political rather than simply an artistic and cultural phenomenon they identify the period as a pivotal moment in the history of the state in which political languages practices and tools together with political and governmental institutions became vital to the evolution of a modern European political identity    **Armando Pollini,**

**design e affinità elettive** Samuele Mazza,1997    *Sicily* ,2021-10-12 Dedicated to the most exclusive wine estates this volume is a wonderful journey along the wine routes of Sicily with special attention to the rising stars of the Etna Valley all brimming with charm and atmosphere Discover Sicily s wineries in its farmhouses historic residences traditional estates and large rural complexes located in a magnificent region renowned for its beauty The book is organized into wine growing areas and offers the opportunity to explore the whole island passing through natural parks and visiting the island s many art

destinations This stunning book is perfect for those who love to daydream and travel to seek out unusual places characterized by beauty hospitality and fine wine It showcases wineries and farmhouses restored with a charming balance between sites of production and hospitality combining modern comfort with respect for the past Sicily s wines are the perfect expression of the island s complexity and variety and this volume provides an introduction to the local wine tradition The island of Sicily is a realm of contrasts and cultural and environmental variety from the snows of Etna to the sun drenched beaches of Capo Passero from art destination cities to the islands of the archipelagoes providing the perfect backdrop for wine tasting

**La Casa De' Colli** Marco Cima,2009-07-31 The brothers stood for hours in silence looking ahead of the ship as though America would suddenly appear before their eyes And indeed it did appear when they least expected it These farmer s sons from the Italian Piedmont who leave home for adventure and for economic reason are central characters in a true story of a family disrupted by emigration Their American experience takes them to mining towns in the Midwest and Far West during the turbulent years of the late 19th century Their experiences mirror the emotional and social upheaval of the times Equally important are the family members who remain in the Canavese Mountains They carry on with their lives and experience the joys and struggles characteristic of traditional village society While recounting the difficulties of the character s lives the author also deals with their complex emotional make up their disillusionment resentment resignation and hope Above all their love which is capable of destroying an entire family Marco Cima recounts his story in a thoroughly researched world of farming mining and ethnography The result is a universal tale of people caught up in the social and emotional consequences of emigration of the late 19th and early 20th centuries

**Men and Bears** AA.VV.,2020-01-23 The time of Carnival represents a wild time at the end of winter and pointing to the beginning of a new season It is characterized by the irruption of border figures animal masks characters which recall the world of the dead and which bring within themselves the germ of a vital force of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops This wild domain shows itself under the shapes of a contiguity between human and animal the costumes the masks refer to a world in which the characteristics of the human and those of the animal are fused and intertwined Among these figures in particular emerge those of the Wild Man the human being who takes on animal like attributes and aspects and of the Bear the animal that more than all the others gets as close as possible to the human and seems to reflect a deformed image of it Such symbolic images

come from far off times and places to tell a story that belongs to our common origins The bear assumes attributes and functions alike in very different cultural contexts such as the S mi of Finland or North American hunter gatherers and represents a boundary between the world of nature and the human world between the domain of animals and the difficult construction of humanity a process continued for centuries perhaps millennia and which cannot still be said complete
