**The Magnificent Goodness of God and How It Will Transform Your Life** Timothy Rowe, 2012-07-10 The goodness of God is one of the most revolutionary truths of the Bible but our generation has lost faith in the goodness of God The image you carry in your heart of God and what He is like will dramatically affect your life character and destiny Do you believe God can be your hero Do you believe God has a good heart Do you believe that God can transform you into the type of Christian that you always wanted to be When we begin to understand and believe what it means when the Bible boldly declares that God is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our Lord Anyone who has been touched with the goodness of God cannot come away the same The goodness of God encompasses everything that God is and is a perfect representation of all His characteristics The goodness of God is the foundation of all His works plans and purposes If we are to understand what God is like we must first know that He is good and not evil The devil works tirelessly to keep the truth of the goodness of God lost in the mindset of this world and marshals all of his forces to cause confusion about the true character of our God The goodness of God is the pinnacle point of the spiritual battle that rages all around us Understanding the goodness of God is first and foremost in spiritual warfare because without this you can never stand for God faithfully

*Edward the Magnificent* Jimmy Wilson, 2023-02-09 Edward the Magnificent as he liked to call himself is a cool kid Well I don't know about the cool part but he was a kid to say the least Spoiled to no end by his overly protective mother Always getting his way ready to burst into some kind of crying episode at any time Never wanting any photographs made of himself because we all knew what would happen if someone took one You guessed it He cried and he cried How can any one boy do so much crying We all couldn't figure out how he had so much success building and creating when all he ever did was cry Whatever the reason for his weird ways and excessive crying Edward was able to do more stuff in his childhood than most adults five times his age His love for food would make anyone think he was an obese kid but not Edward thin as a stick a stick with no bark to be exact Edward and Alex were always up to doing good but not the Yanklesnack bunch Always into mischief never really hurting anyone but mischief just the same All the distant relatives of Edward like the Yanklesnacks were always on the verge of doing good like Edward but not all the way All this creative imagination that Edward possesses who knows where it came from It could have been his red hair that made it possible although it could have been those special ears too Some might guess there was a little something in those pizza freckles of his No matter where it came from God had something special for this young boy to say and do No matter if you have a sense of humor or not you have to laugh at this young red headed freckle faced big eared kid ready to go on an adventure at a moment's notice We can all wonder what Edward is up to All we can say is Where are you going next Edward Where are you going next
