Mummy's Curse, The Jeremy Westphal, 2008-08-01 Legend holds that anyone who disturbs the mummy of a pharaoh of ancient Egypt is cursed Many strange events occurred after the mummy of Tutankhamun was removed from his tomb Students will read about the stories surrounding the curse and the arguments both for and against its existence

The Magnificent Mummies Tony and Chatterton Bradman (Martin),

The Mummy's Curse Jasmine Day, 2006-09-27 The most penetrating study of the curse ever conducted The Mummy's Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children's toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse's structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun's tomb The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend
