

THE MAGNIFICENT SEASONS

"For the fan, or indeed anyone who wants to read a rousing story of heart, courage, and perseverance, *The Magnificent Seasons* is for you."

—JOE NAMATH

"The real joy of the 1969 championship season was on the field and the year-long process of the march toward victory. The excellence of applying one's trade, the competition, communication, and teamwork, were, and are, what is most important and memorable from any season, and the 1969 championship was the crowning jewel for everyone on that team."

—TOM SEAUER

"In a time when New York City needed something to lift its spirits, the Jets, Mets, and Knicks were able to do just that. All three teams found common ground as they captured the hearts and minds of their fans. The exploits of these three remarkable teams had an important and positive impact on the sport of the city when people needed it most. Their legacy endures today."

—BILL BRADLEY

"While all championships bring excitement, sometimes even joy, each of these teams had something more. They each had a kind of soulfulness and authenticity of spirit not often seen—then or now. That's how those teams seemed to me as a teenager growing up in New York and how I see them now some three and a half decades later."
