American Silver in the Art Institute of Chicago Art Institute of Chicago, 2016-01-01. The history of American silver offers invaluable insights into the economic and cultural history of the nation itself. Published here for the first time, the Art Institute of Chicago's superb collection embodies innovation and beauty from the colonial era to the present. In the 17th century, silversmiths brought the fashions of their homelands to the colonies, and in the early 18th, new forms arose as technology diversified production. Demand increased in the 19th century as the Industrial Revolution took hold. In the 20th, modernism changed the shape of silver inside and outside the home. This beautifully illustrated volume presents highlights from the collection with stunning photography and entries from leading specialists. In-depth essays relate a fascinating story about eating, drinking, and entertaining that spans the history of the Republic and trace the development of the Art Institute's holdings of American silver over nearly a century.

Silver of the Americas, 1600-2000 Museum of Fine Arts, Boston, 2008. Edited by Gerald W. R. Ward and Jeannine Falino. Text by Gerald W. R. Ward, Jeannine Falino, Jane Port, Rebecca Ann Gay Reynolds. *Reading Jackie* William Kuhn, 2011-11-29. Jacqueline Kennedy Onassis never wrote a memoir, but she told her life story and revealed herself in intimate ways through the nearly 100 books she brought into print as an editor at Viking and Doubleday during the last two decades of her life. Many Americans regarded Jackie as the paragon of grace, but few knew her as the woman sitting on her office floor laying out illustrations or flying to California to persuade Michael Jackson to write his autobiography. William Kuhn provides a behind-the-scenes look at Jackie at work, commissioning books and nurturing authors, helping to shape stories that spoke to her. Based on archives and interviews with her authors, colleagues, and friends, *Reading Jackie* reveals the serious and the mischievous woman underneath the glamorous public image.
