Swami Abhedānanda

Maha Suhasita Samgrahah Anthology Of Delightful Verses Volume 1:

Literary History of Sanskrit Buddhism From Winternitz, Sylvain Levi, Huber G. K. Nariman, 2023-07 **Bliss Divine** Swami Sivananda, 1991 **A History of Indian Philosophy, Volume I** Surendranath Dasgupta, 2020-09-28 The old civilisation of India was a concrete unity of many sided developments in art architecture literature religion morals and science so far as it was understood in those days But the most important achievement of Indian thought was philosophy It was regarded as the goal of all the highest practical and theoretical activities and it indicated the point of unity amidst all the apparent diversities which the complex growth of culture over a vast area inhabited by different peoples produced It is not in the history of foreign invasions in the rise of independent kingdoms at different times in the empires of this or that great monarch that the unity of India is to be sought It is essentially one of spiritual aspirations and obedience to the law of the spirit which were regarded as superior to everything else and it has outlived all the political changes through which India passed The Greeks the Huns the Scythians the Pathans and the Moguls who occupied the land and controlled the political machinery never ruled the minds of the people for these political events were like hurricanes or the changes of season mere phenomena of a natural or physical order which never affected the spiritual integrity of Hindu culture If after a passivity of some centuries India is again going to become creative it is mainly on account of this fundamental unity of her progress and civilisation and not for anything that she may borrow from other countries It is therefore indispensably necessary for all those who wish to appreciate the significance and potentialities of Indian culture that they should properly understand the history of Indian philosophical thought which is the nucleus round which all that is best and highest in India has grown Much harm has already been done by the circulation of opinions that the culture and philosophy of India was dreamy and abstract It is therefore very necessary that Indians as well as other peoples should become more and more acquainted with the true characteristics of the past history of Indian thought and form a correct estimate of its special features Report of a Second Tour in Search of Sanskrit Manuscripts Made in Rajputana and Central India in 1904-5 and 1905-6 Shridhar Ramkrishna Bhandarkar, 1907 *The Subhāṣitaratnaśa* Damodar Dharmanand Kosambi, Vasudeo Vishwanath Gokhale, 1957 This edition of the Sanskrit text of the Subh itaratnako a in the editors opinion the oldest known general anthology of Sanskrit verse is the result of years of work deciphering and comparing the five different versions The editors aim has been to restore as far as the sources permit the text compiled by Vidyakara between A D 1100 and 1130 Indian Kāvya Literature A. K. Warder, 1972 This volume on the twelfth and thirteenth centuries starts with Vidyakara s retrospect over anonymous poets named ones having mostly found their places in earlier volumes After some smaller anthologies a few novels and Mankhaka s mythological epic we come to a historical epic History is the most substantial source of matter for literature in the volume That might seem to contrast with Vol Vi but as literature its aim is always are not facts which narrows the gap *Chaitanya* Amiya P. Sen, 2019 This is a short but critical attempt at historically reconstructing the life and times of the Hindu Vaishnava

mystic Chaitanya and also of the ways in which posterity perceived and appropriated him and his message in a variety of ways

The Encyclopedia of Indian Philosophies, Volume 5 Harold G. Coward, K. Kunjunni Raja, 2015-03-08 This volume of the monumental reference series being prepared under the general editorship of Karl Potter provides summaries of the main works in the Grammarian tradition of Indian philosophy Describing the functions of language on different levels from ordinary empirical speech to the poetic intuition of the divine the Grammarians sought to demonstrate that the correct grammatical use of language and the devotional chanting of mantras are ways of moving from lower to higher stages of knowledge and self realization This work gives special emphasis to the thought of Bhartrhari the great systematizer of the Grammarian philosophy For those unacquainted with Indian philosophy the editors introduction provides an explanation of the basic concepts found in the Grammarian texts Grammarian thought is based on the Vedas and the writings of Panini Patanjali Bhartrhari and others develop implicit Vedic ideas about language and its function Their works combine a grammatical analysis of Sanskrit language with a philosophy that takes language as divine Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Complete Works of Swami Abhedananda Swami Abhedānanda, 1968 *An Introduction to the Philosophy of Panchadasi* Swami Abhedānanda, 2005 An Introduction to the Philosophy of Panchadasi first published in March 1948 is the first ever lecture by Swami Abhedananda on his landing to London delivered at the Christo Theosophical Society

JOURNAL OF THE PALI TEXT SOCIETY T.W. RHYS DAVIDS ,1882 *International Encyclopedia of Indian Literature* Ganga Ram Garg, 1987

Śikshā-samuccaya William Henry Denham Rouse, 1922 **The Sāhityadarpaṇa** Viśvanātha Kavirāja, 1965 *Catalogue of Authors [microform]* McGill University Library, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Bhartrihari: Poems Bhartrhari, Barbara Stoler Miller, 1967 **History of Sanskrit Poetics** S. K. De, 1976-10-01 **The Aṣṭādhyāyī of Pāṇini** Pāṇini, 2024

Ancient Khotan Aurel Stein, 1988
