**Maharana** Brian Masters, 2012 There Are Maharajas Aplenty In Rajasthan But Only One Maharana Udaipur Many Interesting Episodes Enclives This Historical Account Without Dustjacket     **Studies In Indian History: Rajasthan Through The Ages The Heritage Of Rajputs (Set Of 5 Vols.)** R.K. Gupta, S.R. Bakshi, 2008     Indian Books in Print, 2003     Maharanis Lucy Moore, 2005-01 Presents the story of four progressive maharanis wives of maharajas who during the early years of India s independence acquired educations became ruling regents advocated for women s rights and ran for parliament     *Inside Story of Sardar Patel* Manibahen Patel, Prabha Chopra, 2001 This is the first ever publication of the hitherto unknown diary of Sardar Patel s daughter Maniben generally accompanied Patel everywhere and was present with the Sardar at most of his meetings She was therefore privy to what transpired in these meetings and also to Sardar s views and innermost thoughts on various historic and sensitive issues which he often could not otherwise express even to his closest friends and colleagues Then too having earlier spent many years looking after Gandhi and possessed of high intelligence Maniben understood both the context and the significance of the unfolding events and the dramatis personae of the times The diary runs from 8 June 1936 till Sardar s death on 15 December 1950 and is particularly detailed after Patel s release from jail in 1945 It offers a wealth of often revealing sometimes explosive details and insights into that defining period in India s history which encompasses the country s independence partition integration of the princely states Gandhi s assassination and then the initial crucial years of India s self governance in all of which Patel s was an indispensable pivotal role     **Indian States; a Biographical, Historical and Administrative Survey** Arnold Wright, 1922     **GANDHI'S KILLERS INDIA'S RULERS** Dr Partha Banerjee , 2025-03-30 Dr Partha Banerjee the author of this book gives a critical presentation of the main organizations of the Sangh Parivar He was actively associated with the Sangh for more than fifteen years first as a dedicated swayamsevak and later also as the West Bengal provincial joint secretary of Akhil Bharatiya Vidyarthi Parishad or ABVP Thus he has known the organization very thoroughly this knowledge has been further augmented by his father s lifelong association with the Sangh By discussing their political and social strategies he draws the contours of the Hindutva ideology which he characterizes as hierarchical patriarchal conservative and based on elements from the brahminical tradition As a concerned and politically enlightened citizen Dr Banerjee is deeply worried about the possible scenario of India becoming a Hindu state He draws a picture of domesticated women disempowered dalits Christians and Muslims becoming second rate citizens and an uncompromising BJP run state attitude towards Islamic neighboring countries such as Pakistan and Bangladesh A hands on treatise on the so called non political Sangh s open and secret political activities is also included These aspects of the RSS have so far not been treated by other writers on the Sangh The present work discusses critical issues such as the future of Indian secularism and democracy as well as human rights women s rights and minority rights issues Therefore this book is highly relevant and a valuable source of information to anyone interested in

contemporary India and the future for the 72 years old Indian Union Since the RSS and VHP are active among Indians living overseas the book should be of importance also to this group and serve as a reminder of their responsibilities for the future of a progressive and secular India Dr Eva Hellman University of Dalarna Sweden Interpreting Development Maxine K. Weisgrau,1997 Based on fieldwork and research in Rajasthan s Udaipur District over an eight year period this local ethnography of development explores how interpretations of NGO driven development are continually being renegotiated and redefined in local settings The main focus of this study is the village level interaction between non governmental organizations their personnel and village participants The author documents the cultural political and development histories of this area of northern India known internationally among development practitioners and donor organizations for its large number of non governmental organizations This book explores the multiple local perspectives and often conflicting interpretations of development which arise from this interaction and which are profoundly influenced by this region s socio political history as well as by linkages to national and globally situated events and institutions One of the linkages explored here is the often unexamined role of government in the formulation of NGO policies and strategies The area s local history includes the effects of the national construction and reification of the cultural categories Tribal and Bhil With origins in the British colonial period these demographic labels continue to influence perceptions of identity as well as development strategy and policy As demonstrated throughout this book local histories of group identity and inter group relations resonate in NGO driven development strategies of the 1990s The NGO sector of Udaipur and the villages within which they operate are the locus of events and forces with a national and global reach **Maharanis K. Raj Rhapsodies: Tourism, Heritage and the Seduction of History Maxine Weisgrau, Carol Henderson, 2016-03-23 Heritage is a prized cultural commodity in the marketing of tourism destinations Particular aspects of heritage are often more actively promoted with others played down The representation of heritage in tourism as static and timeless derived since time immemorial from a distant past is seductive In Asia a major part of the tourism market lies in the sale and consumption of highly orientalized images and versions of culture and history In India's marketing discourse the state of Rajasthan symbolizes the nation in its heritage laden traditional and most authentic form These images draw heavily on the British period in India the Raj In one sense this vision of Rajasthan is ennobling highlighting moments of cultural pride In another sense it demeans by omitting and obscuring salient features of

contemporary life This fascinating book explores the cultural politics of tourism through interdisciplinary perspectives Carol E Henderson and Maxine Weisgrau demonstrate that tourism heritage privileges elite histories that recapitulate colonial relationships compelling non elites to collude in these narratives of subordination even as they advance their own alternative visions of history     The Kingdom of Mewar Irmgard Meininger,2000 Supported By Beautiful Illustrations The Study Reconstructs The Glorious History Of The Rajput House Of Mewar Perhaps The World S Oldest Ruling Family It Recounts Its Heroic Battlefield Engagements And Examines Its Artistic And Literary Achievements     **Maharana Pratap** Bhawan Singh Rana,2005 On the life and achievements of Maharana Pratap 1540 1597 King of Udaipur     Allen's Indian mail and register of intelligence for British and foreign India ,1874     **Jaipur State Rulers and Their Diplomacy** Shiri Ram Bakshi,Sri Kant Sharma,2000
