

# Mahler A Biography

**Oliver Hilmes**

## **Mahler A Biography:**

*Gustav Mahler* Jens Malte Fischer, 2011-08-09 Translation of Gustav Mahler Der fremde Vertraute *Gustav Mahler* Stuart Feder, 2004-01-01 The final crisis of Mahler's career occurred in 1910 when he learned that his wife Alma was having an affair with the architect Walter Gropius The revelation precipitated a breakdown while Mahler was working on his Tenth Symphony The anguished suicidal notes Mahler scrawled across the manuscript of the unfinished symphony reveal his troubled state It was a four hour consultation with Sigmund Freud in Leiden Holland that restored the composer's equilibrium Although Mahler left little record of what transpired in Leiden Stuart Feder has reconstructed the encounter on the basis of surviving evidence The cumulative stresses of the crises in Mahler's life in particular Alma's betrayal left him physically and emotionally vulnerable He became ill and died soon after in 1911 **BOOK JACKET** *Passionate Spirit* Cate Haste, 2019-06-13 \_\_\_\_\_ Fascinating Haste paints a portrait of a woman who was born to triumph not surrender Harper's Bazaar Written in elegant lucid prose a treasure trove of European cultural riches and scandalous intrigue Compelling Economist Lively well illustrated and enjoyably juicy Miranda Seymour Financial Times \_\_\_\_\_ The life of an extraordinary artist and intellect the composer author and socialite Alma Mahler whose life spanned one of the most captivating and dramatic periods in history Alma Mahler was once at the epicentre of Vienna's artistic and intellectual life A talented composer in her own right she was open generous remarkably creative curious challenging and zealous in her pursuit of love Artists architects musicians and writers jostled to join her coterie Gustav Klimt was her first kiss Gustav Mahler her first husband But her life was haunted by tragedy and the support and inspiration that Alma gave to the men she loved came at the heavy price of her own artistic fulfilment Drawing extensively on previously unpublished diaries and letters Cate Haste illuminates the passionate spirit of one of history's most complex and charismatic muses a modern woman with an elemental vitality that could scarcely be contained by her century who will live forever in the art she created and inspired *Mahler* Jonathan Carr, 1998 Reexamines the composer's life and work and challenges widely held myths about him concentrating on his last decade but also offering background on his earlier career Looks at his marriage to Alma Schindler his achievements as director of the Vienna opera his love of oriental mysticism and his final years in America Includes bandw photos a chronology a list of works and suggestions for a CD collection Draws on material previously unavailable in English Annotation copyrighted by Book News Inc Portland OR **The Life of Mahler** Peter Franklin, 1997-04-24 In this 1997 biography Peter Franklin re confronts the myth of Mahler and attempts to find the person behind the legends *Mahler* Henry-Louis de La Grange, 1973 **Malevolent Muse** Oliver Hilmes, 2015-05-05 Of all the colorful figures on the twentieth century European cultural scene hardly anyone has provoked more polarity than Alma Schindler Mahler Gropius Werfel 1879 1964 mistress to a long succession of brilliant men and wife of three of the best known composer Gustav Mahler architect Walter Gropius and writer Franz Werfel To her admirers Alma was a self

sacrificing socialite who inspired many great artists Her detractors found her a self aggrandizing social climber and an alcoholic bigoted vengeful harlot as one contemporary put it a cross between a grande dame and a cesspool So who was she really When historian Oliver Hilmes discovered a treasure trove of unpublished material much of it in Alma s own words he used it as the basis for his first biography setting the record straight while evoking the atmosphere of intellectual life in Europe and then in migr communities on both coasts of the United States after the Nazi takeover of their home territories First published in German in 2004 the book was hailed as a rare combination of meticulously researched scholarship and entertaining writing making it a runaway bestseller and advancing Oliver Hilmes to his position as a household name in contemporary literature Alma Mahler was one of the twentieth century s rare originals worthy of her immortalization in song Oliver Hilmes has provided us with an even handed yet tantalizingly detailed account of her life bringing Alma s singular story to a whole new audience

**Gustav Mahler's Symphonic Landscapes** Thomas Peattie,2015-04-06 In this study Thomas Peattie offers a new account of Mahler s symphonies by considering the composer s reinvention of the genre in light of his career as a conductor and more broadly in terms of his sustained engagement with the musical theatrical and aesthetic traditions of the Austrian fin de si cle Drawing on the ideas of landscape mobility and theatricality Peattie creates a richly interdisciplinary framework that reveals the uniqueness of Mahler s symphonic idiom and its radical attitude toward the presentation and ordering of musical events The book goes on to identify a fundamental tension between the music s episodic nature and its often noted narrative impulse and suggests that Mahler s symphonic dramaturgy can be understood as a form of abstract theatre

Mahler Remembered Norman Lebrecht,2010-08-19 Gustav Mahler is the most influential symphonist of the twentieth century In this pioneering study Norman Lebrecht reveals the man and musician through the words of his contemporaries Using many previously unpublished documents he constructs a profile of Mahler even more complex and compelling than that familiar from his letters and the often unreliable memoirs of his widow Alma Compassionate or callous idealistic or pragmatic Mahler aroused violently contrasting impressions and emotions in those who lived and worked with him Accounts of the composer include the artist Alfred Roller s description of Mahler s naked body a Nazi era reappraisal by one of his closest relatives Natalie Bauer Lechner s unpublished jottings of Mahler s childhood and Stefan Zweig s report of his final voyage Together they form a remarkable and deeply illuminating image of a formidable personality The effect is cumulative sometimes contradictory and vivid like a written version of a radio or film portrait Classical Music Norman Lebrecht s Mahler Remembered is quite breathtakingly interesting Birmingham Post

**The Mahler Album** Gilbert Kaplan,2011-03-01 The Mahler Album is the definitive collection of all known photographs of the legendary composer and conductor Gustav Mahler 1860 1911 Selected and edited by Gilbert Kaplan a renowned authority on Mahler the images are enhanced by photographs of Mahler s family his homes and the opera houses in which he worked and by a rich selection of drawings paintings and sculpture The images many of which are published here for the first time document Mahler s life

from his childhood and student days through his early years as a conductor and to his success in Budapest Hamburg and ultimately Vienna where he reigned for a decade at the helm of the Court Opera They also record his years at the Metropolitan Opera in New York and his final post as music director of the New York Philharmonic Informative captions accompany the illustrations and revealing commentary provides the historical background This expanded edition published to celebrate the 150th anniversary of Mahler's birth and the 100th anniversary of his death presents newly discovered photographs and works of art and a selection of colorful postage stamps featuring Mahler Informative captions and revealing commentary provide historical background

**Recollections of Gustav Mahler** Natalie Bauer-Lechner, 2013-06-18 First published in English in 1980 this important early memoir of Gustav Mahler is by Natalie Bauer Lechner 1858 1921 a viola player and close and devoted friend of Mahler until his marriage to Alma Schindler in 1902 She visited him in Hamburg and frequented his circle in Vienna also accompanying him and his family on a number of the summer vacations during which the Second Third and Fourth Symphonies came into being together with many of the Wunderhorn songs Compiled from Bauer Lechner's private journal these Recollections are a vital invaluable record of Mahler's personal professional and creative life during the last decade of the nineteenth century A large part of the book recounts at first hand conversations with Mahler concerning his works and his ideas about performance both in the opera house and on the concert platform

Gustav Mahler Deryck Cooke, 1988 Originally published by Faber and Faber this new edition is a one volume study of Mahler by one of his most learned and enthusiastic devotees Following Cooke's death the manuscript was prepared by Colin and David Matthews who updated the text taking into account recent Mahler research and incorporating Cook's later writings on Mahler

Mahler Jonathan Carr, 1999 The focus is on Mahler's last decade his tempestuous marriage to the alluring Alma Schindler his work as a summer composer in isolated huts in the country his revolutionary achievements as director of the Vienna opera and his final years in America But it sets the stage by looking into Mahler's earlier career as a talented ambitious and often ruthless conductor In her memoirs Alma drew Mahler as a sickly cerebral recluse Arnold Schoenberg called him a saint Leonard Bernstein largely responsible for the Mahler boom in the Sixties found a secret shame at the heart of Mahler's music the shame of being a Jew and the shame of being ashamed Jonathan Carr looks behind these myths and using letters diaries and other material hitherto unavailable in English he brilliantly challenges some of the most widely held assumptions about Mahler

*Mahler in Context* Charles Youmans, 2022-11-10 Mahler in Context explores the institutions artists thinkers cultural movements socio political conditions and personal relationships that shaped Mahler's creative output Focusing on the contexts surrounding the artist the collection provides a sense of the complex crosscurrents against which Mahler was reacting as conductor composer and human being Topics explored include his youth and training performing career creative activity spiritual and philosophical influences and his reception after his death Together this collection of specially commissioned essays offers a wide ranging investigation of the ecology surrounding Mahler as a composer and a

fuller appreciation of the topics that occupied his mind as he conceived his works Readers will benefit from engagement with lesser known dimensions of Mahler's life Through this broader contextual approach this book will serve as a valuable and unique resource for students scholars and a general readership Gustav Mahler and the Symphony of the 19th Century Constantin Floros, 2014 The subject of this book is the semantics of symphonic music from Beethoven to Mahler Of fundamental importance is the realization that this music is imbued with non musical literary philosophical and religious ideas It is also clear that not only Beethoven Schubert and Bruckner were crucial role models for Mahler but also the musical dramatist Wagner and the programmatic symphony composers Berlioz and Liszt At the same time a semantic musical analysis of their works reveals for the first time the actual inherent poetic quintessence of numerous orchestral works of the 19th Century **The Real Mahler** Jonathan Carr, 1997 Gustav Mahler may have become a popular composer but he remains widely misunderstood both as a man and musician This biography re-examines his life and work and the circumstances leading to his death in 1911 Gustav Mahler Alfred Rosenzweig, 2007 Alfred Mathis Rosenzweig 1897-1948 a Viennese musicologist and critic embarked on producing a large scale study of Mahler in 1933 but left an unfinished manuscript at the time of his death Here Jeremy Barham prepares the first published edition of this important work his annotations and commentary adding invaluable material to the translation Biographical material is used as a loose framework and platform for Mathis Rosenzweig's profound examination of the environment within which Mahler's earlier music was embedded an environment in which Wagner Bruckner and Wolf feature prominently and in which Mahler's music is viewed from the wider perspective of nineteenth century German cultural domination and the subsequent rise of political extremism in the form of Hitlerite fascism Mahler Stephen Johnson, 2007 A gripping portrait of an extraordinary and controversial composer from Naxos the world's leading classical music label with two CDs and exclusive Web access
