Compelling remorseless brilliant John Gray Maigret finds himself back on the Rue des Acacias just ten days after cracking another case there This time it is the murder of a criminal Maigret has known for over twenty years and one he always suspected was behind a string of jewellery robberies in the city Maigret's patience is tested as he eliminates neighbour by neighbour in his hunt for the murderer This novel has been published in a previous translation as *Maigret Bides His Time* His artistry is supreme John Banville One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian **Five**

has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

A Maigret Christmas Georges Simenon, 2018-10-30 One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories *The Guardian* In this delightful holiday themed collection of nine short stories
