Maigret And The Gangsters:

Maigret, Lognon and the Gangsters Georges Simenon, 2017-08-01 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr Inspector Maigret goes up against a group of American gangsters and finds he just might have met his match In Maigret's latest adventure the Inspector learns that his hapless colleague Lognon is being menaced by some notorious American mobsters and he makes it his mission to bring them to justice despite threatening warnings that he is out of his depth As the stakes get higher Maigret must rely on intel from his FBI friend in Washington D C as well as his own ingenuity to smoke the Americans out before they can complete the job and silence his star witness permanently

Maigret and the Gangsters Georges Simenon, 1986 A body that vanishes after it's tossed from a speeding car arouses Maigret's suspicions that mobsters from America are in Paris Beginning his careful investigation the detective relentlessly questions a shady restaurateur but gets no solid leads to the imported criminals or their presumed victim Maigret gradually realizes that friends from the FBI are working behind his back and pride insists that he compete with them to solve the case

And Maigret and the Gangsters Georges Simenon, 1975

Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

Maigret Takes a Room Georges Simenon, 2017-06-06 A writer as comfortable with reality as with fiction with passion as with reason John Le Carr When a man is killed outside a Parisian boarding house Inspector Maigret moves in to get to the bottom of it While keeping watch outside Mademoiselle Clement's boarding house to await a suspect in a local bar robbery a man named Janvier is shot in the chest When Maigret whose wife is away caring for her sister in Alsace hears of the crime he moves into the boarding house to solve the case But the web quickly grows ever more tangled and Maigret must navigate generations long secrets and a torrid affair to find his answers before it's too late

Maigret's Failure Georges Simenon, 2017-11-02 His artistry is supreme John Banville Conflict rather than harmony probably reigned in eight out of ten of the still magnificent houses that surrounded the park But he had rarely had the opportunity to breath such a strained atmosphere as the one between these walls Everything seemed fake grating starting with the lodge of the concierge cum manservant who was neither a concierge nor a manservant despite his striped waistcoat but a former poacher a murderer turned guard dog When a self made man appeals to Maigret for protection at his lavish home a years old grudge from the past resurfaces and the inspector finds himself questioning his own motives One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though

the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian *The Mystery of the Three Orchids* Augusto De Angelis,2016-10-18 The notorious Inspector Di Vincenzi returns in this cryptic murder mystery teeming with blackmail deceit and revenge Death is in the air at one of Milan's great fashion houses As a new collection is unveiled and the wealthy rub shoulders with the glamorous owner Cristiana O Brian escapes upstairs to discover the strangled body of her servant slumped on her bed a single orchid by his side When Inspector Di Vincenzi is called in to investigate the brilliant detective is puzzled Why is Cristiana behaving so suspiciously And what is her estranged ex husband doing there As two additional corpses appear each accompanied by an orchid Di Vincenzi must see through dirty tricks and slippery clues in order to uncover the real killer

Bangkok Tattoo John Burdett,2005-05-10 Detective Sonchai Jitpleecheep of the Royal Thai Police returns in his riveting and smokily atmospheric new thriller A farang a foreigner has been murdered his body horribly mutilated at the Bangkok brothel co owned by Sonchai's mother and his boss The dead man was a CIA agent To make matters worse the apparent culprit is sweet natured Chanya the brothel's top earner and a woman whom the devoutly Buddhist sleuth has loved for several lifetimes How can Sonchai solve this crime without sending Chanya to prison How can he engage in a cover up without endangering his karma And how will he ever get to the bottom of a case whose interested parties include American spooks Muslim fundamentalists and gangsters from three countries As addictive as opium as hot as Sriracha chili sauce and bursting with surprises Bangkok Tattoo will leave its mark on you

Investigating Simenon Russell Campbell,2022-09-21 For nearly a century the work of Belgian crime writer and psychological novelist Georges Simenon creator of Chief Inspector Maigret has captivated readers worldwide This investigation situates Simenon's work in its historical context and interprets it as a reaction to shifting gender relations in Western society Simenon's compelling narratives capture the anxieties of men whose patriarchal position was under threat in an era of insurgent feminist movements These concerns are also evident in Simenon's pervasive preoccupation with sexuality as well as his political stance that stems from his petit bourgeois upbringing This groundbreaking study includes interwoven commentary on all 191 novels Simenon published under his own name including several that have never been translated into English as well as a number of short stories and several pseudonymous works

Simenon Stanley G. Eskin,2025-03-05 The most comprehensive account of Georges Simenon's life and work in either English or French from his youth and adolescence in Belgium through his spirited beginnings as a writer of pulp fiction in the Paris of the 20s his invention of Maigret in 1930 his turn to straight fiction in the 30s and from the 40s on his prolific output of detective and straight fiction His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed Also critical evaluations of his fiction including the largely ignored pulp fiction Simenon's relationship to popular traditions literature detective fiction high literature and the critics are offered The photographs are rare and revealing e.g. with Josephine Baker cutting up in a bistro
