Maigrets Christmas:

A Maigret Christmas Georges Simenon, 2018-10-30 One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories The Guardian In this delightful holiday themed collection of nine short stories Inspector Maigret must solve a series of little mysteries just in time for Christmas morning Christmas mysteries abound in this light hearted holiday collection of Jules Maigret s exploits In one an otherwise sensible little girl insists that she has seen Father Christmas a statement alarming to her neighbors Monsieur and Madame Maigret Then a choirboy helps the inspector solve a crime while he lies in bed with a cold another boy pursued by a criminal ingeniously leaves a trail to help Maigret track him Many of these stories feature observant and resourceful children frightened yet resolute who bring out a paternal streak in the childless Maigret The rapport between the inspector and these youthful heroes imparts a delightful freshness to this holiday collection A Maigret Christmas is a cornucopia for fans of Maigret and mysteries alike

Maigret's World Murielle Wenger, Stephen Trussel, 2017-09-13 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself

Dirty Snow Georges Simenon, 2011-11-23 Nineteen year old Frank Friedmaier lives in a country under occupation Most people struggle to get by Frank takes it easy in his mother's whorehouse which caters to members of the occupying forces But Frank is restless He is a pimp a thug a petty thief and as Dirty Snow opens he has just killed his first man Through the unrelenting darkness and cold of an endless winter Frank will pursue abjection until at last there is nowhere to go Hans Koning has described Dirty Snow as one of the very few novels to come out of German occupied France that gets it exactly right In a study of the criminal mind that is comparable to Jim Thompson's The Killer Inside Me Simenon maps a no man's land of the spirit in which human nature is driven to destruction and redemption perhaps as well by forces beyond its control
