Mailman The:

Mailman J. Robert Lennon, 2003 Albert Lippincott is a thirty year veteran of the Nestor New York post office a letter carrier extraordinaire aggressively cheerful obsessively efficient But Albert has a few things to hide His unfortunate habit for instance of reading other people s mail His abortive university career complete with a crackpot theory a nervous breakdown and thwarted attempt to bite out his professor s eye A disastrous marriage grotesquely self absorbed parents and a sexually ambiguous entanglement with his melodramatic sister And then there s his attempt to reform the postal system of Kazakhstan and his complicated relationship with his cats But he has no problem keeping his life in perspective until one of his customers turns up dead and Albert is left holding a letter that might have saved his life Over ten frenzied days Albert s precarious existence begins to crumble and his demons are in hot pursuit the postal inspectors who want to ask him a few questions his memories of the women he loved but didn t love enough his sexual hang ups his intellectual failures and an increasingly painful lump under his left arm **BOOK JACKET** **The Mailman** Bentley Little, 2017-09-18 Once upon a time waiting for the mail was filled with warm anticipation But the suicide of the local mailman has left the residents of this tiny Arizona town shell shocked Nothing this bad has ever happened here And now there s a new mail carrier in town one who s delivering lethal letters stuffed with icy fear Nothing not even the most outstanding citizens or the most secret weaknesses is safe from the sinister power of this malicious mailman Stanley the Postman William Bee, 2019-02-21 It s still dark outside but the lights are on in Stanley s Post Office What a lot of letters and parcels Stanley has to deliver Join Stanley and friends for another busy adventure in this colourful new story from William Bee *The Lonely Mailman* Susanna Isern, 2017-04-11 Each day the old mailman faithfully delivers special letters to the forest animals But the mailman has never received any letters of his own Then one day everything changes Provided by publisher **The Postman** David Brin, 2011-04-06 NOW A MAJOR MOTION PICTURE A moving experience a powerful cautionary tale Whitley Strieber He was a survivor a wanderer who traded tales for food and shelter in the dark and savage aftermath of a devastating war Fate touches him one chill winter s day when he borrows the jacket of a long dead postal worker to protect himself from the cold The old worn uniform still has power as a symbol of hope and with it he begins to weave his greatest tale of a nation on the road to recovery This is the story of a lie that became the most powerful kind of truth A timeless novel as urgently compelling as War Day or Alas Babylon David Brin s The Postman is the dramatically moving saga of a man who rekindled the spirit of America through the power of a dream from a modern master of science fiction The Postman will keep you engrossed until you ve finished the last page Chicago Tribune *Mailman Sonny* Sonny Workman, 2020-10-07 Sonny Workman former factory worker now city mail carrier for Fremont Ohio the 43420 zip code Sonny is a US patent holder of the world s first hand held Runner s Calculator Sonny is married to Denise With 3 daughters and 3 grandchildren Jaden Avery and Emma With negativity in almost every facet of our lives Sonny strives to always find some goodness on every street at every house Daily life as a city mail carrier

can offer many opportunities that showcase such goodness Please enjoy the first book of many planned that will highlight goodness with true everyday events as Mailman Sonny Mailman Sonny series is dedicated to my many wonderful customers I have met on my mail routes in Fremont Ohio Every day is better serving the great people in the 43420 zip code Many thanks to my wife Dee for her continued support along the way and to daughters Chelsea Courtney and Summer for their input and suggestions God bless you always Sonny Workman Walking With the Mailman Austin Brown,2010-10-06 Like the contents of a fragile parcel the mysteries of postal life have at last been shattered revealing the inner workings in all their brilliant glory No longer will men and woman have to imagine what it s like walking from lawn to lawn continually stepping over doggy landmines for hours on end It s all right here In a style that s decidedly humorous not encyclopedic quirky but not in need of psychiatric care letter carrier Austin Brown recounts fifteen years of postal life as a mailman Writing with obvious delight and a firm grin the idiosyncrasies of American culture are are illuminated in a fresh and entertaining way Against this backdrop the reader follows his life as a young letter carrier trekking along the sidewalks of Indiana at first quite green terribly green but in time growing in maturity learning the secret arts of blue collar survival amid a land where the average citizen roams wild unhindered and real Tempests are battled Frothy mouthed dogs are wrestled Mobs of sticky children are overcome And wild eyed Postmasters are evaded Step into a world not unlike a Norman Rockwell painting but one where the neighborhood dog is firmly latched on the mailman s leg **The Mailman Went UA (A Vietnam Memoir)** David W Mulldune,2023-06-19 I started this work back in 1973 and it has been a very difficult process because I could actually feel those same emotions as I wrote about them Perhaps one of the most astonishing things I learned is that time does not diminish the edge of those extreme emotions Just as you learn to bury certain emotions and feelings in war you have to learn how to incorporate those extremes into some degree of normalcy It has been both therapeutic and painful but I wouldn t have it any other way The pain helps me to appreciate life and to appreciate others as human beings It s just that I wish we could learn these things in a better way If I had to choose one thing as being the single greatest thing the Marines taught me it would be that no matter what the obstacle is no matter what life throws at you never ever give up Many times since Vietnam I have wanted to give up but that one life lesson that voice barking out saying one more wouldn t let me I owe a lifetime debt of gratitude to the Marine Corps and to my Drill Instructors SSgt Sunn SSgt Garcia and especially Sgt Clark My Marine training and experience is something that time and reflection have taught me more to appreciate Some readers will be upset by the use of racial references some will be upset by the vulgar language some by the stark brutality some by the sexual references I can sanitize my manuscript and give the reader a false sense of how war reduces the humanity of an individual but in a paradoxical twist heroic and superhuman efforts would erupt in the defense of your brothers in arms Not only that but sanitizing the past distorts history and lulls a person into a nonchalant manner of behavior in determining courses of action The end result is that I would defeat the purpose that compelled me to write my book in the first place So what is the

point I hope that you understand what I am trying to achieve President Nixon had a program that allowed for any Vietnam combat Marine who had a year or less to serve opt to be released from active duty and still retain full VA benefits I took advantage of that program and served one year and seven months and then was released from my two year commitment During my nineteen months in the Marines I consistently received above average evaluations from my superiors I went from Private E 1 to Corporal E 4 in fourteen months fast for Marine Corps standards even in combat in Vietnam was promoted to a Section Leader in Weapons Platoon offered a promotion to Sergeant E 5 in less than seventeen months with a 6 000 00 bonus and an immediate thirty day leave anywhere in the free world if I would re enlist and I was honorably discharged In addition I have been awarded the Combat Action Ribbon awarded only to those who served in combat Presidential Unit Commendation Meritorious Unit Commendation Ribbon w 3B National Defense Service Medal Vietnam Service Medal w 4B Republic of Vietnam Meritorious Unit Citation Gallantry Cross Medal Color w Palm Republic of Vietnam Meritorious Unit Citation Civil Actions Medal First Class Color w Palm and the Vietnam Campaign Medal w Device The title The Mailman Went UA came from our little song and dance routine that we performed when we didn t receive any mail It reflected the utter desperation of trying not to drown in aloneness and a heartbreak that extended beyond the lack of mail to who you were as a human being and that impact is impossible to put into words and to shake The mail was our only touch with any degree of normalcy It was more than a connection with the World It was the essential element in preserving our sanity We were surrounded by death and destruction and became unfazed by them but we were always hit hard when we didn t receive any mail **101**

print version of this book *Oakland Hills* Erika Mailman,2004 The native Huchiun people once traversed the lush greenery of the Oakland hills glimpsing breathtaking vistas as they followed the creeks down to the bay In 1829 their territory became part of the huge land grant awarded to Mexican soldier Luis Maria Peralta who in turn lost control of the hills as settlers arrived to harvest the virgin redwood Although at one time a rustic haven for poet Joaquin Miller who set up camp where a park now bears his name the hills proved irresistible to developers After transit lines reached the hills promoters held picnics at the end of the line to entice people to buy land Meadows and windswept hills turned to orchards and soon after to lovely neighborhoods With the scars of the disastrous 1991 firestorm fading the Oakland hills retain a bucolic beauty a majestic backdrop for the city of Oakland **Hearings** United States.
