**Sir Gibbie** George MacDonald, 1903-01-01 The Presentation of Self in Everyday Life Erving Goffman, 2021-09-29 A notable contribution to our understanding of ourselves. This book explores the realm of human behavior in social situations and the way that we appear to others. Dr. Goffman uses the metaphor of theatrical performance as a framework. Each person in everyday social intercourse presents himself and his activity to others; attempts to guide and control the impressions they form of him; and employs certain techniques in order to sustain his performance just as an actor presents a character to an audience. The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions.

Disgrace J. M. Coetzee, 2017-01-03 The provocative Booker Prize-winning novel from Nobel laureate J. M. Coetzee. Compulsively readable. A novel that not only works its spell but makes it impossible for us to lay it aside once we've finished reading it. The New Yorker At fifty-two, Professor David Lurie is divorced, filled with desire but lacking in passion. When an affair with a student leaves him jobless, shunned by friends, and ridiculed by his ex-wife, he retreats to his daughter Lucy's smallholding. David's visit becomes an extended stay as he attempts to find meaning in his one remaining relationship. Instead, an incident of unimaginable terror and violence forces father and daughter to confront their strained relationship and the equally complicated racial complexities of the new South Africa. 2024 marks the 25th Anniversary of the publication of Disgrace.

**Henry James: Travel Writings Vol. 1 (LOA #64)** Henry James, 1993-09-01 Collected in this Library of America volume and its companion for the first time, Henry James's travel books and essays display his distinctive charm and vivacity of style, his sensuous response to the beauty of place, and his penetrating, sometimes sardonically amusing, analysis of national characteristics and customs. Observant, alert, imaginative, these works remain unsurpassed guides to the countries they describe and they form an important part of James's extraordinary achievement in literature. This volume brings together James's writing on Great Britain and America. The essays of English Hours, 1905, convey the freshness of James's wonderments and judgments and emotions on first encountering the country that became his adopted home for half a century. James includes the vivid account of a New Year's weekend at a perfectly appointed country house, midsummer dog days in London, and the spectacle of the Derby at Epsom. Joseph Pennell's delightful illustrations, which appeared in the original edition, are reprinted with James's text. In The American Scene, 1907, James revisits his native country after a twenty-year absence, traveling throughout the eastern United States from Boston to Florida. James's poignant rediscovery of what remained of the New York of his childhood, the precious stretch of street between Washington Square and Fourteenth Street, contrasts with his impression of the modern commercial New York, a new city representing a particular type of dauntless power. Edmund Wilson, who praised The American Scene's magnificent

solidity and brilliance remarked that it was as if his emotions had suddenly been given scope his genius for expression liberated Sixteen essays on traveling in England Scotland and America conclude this volume The essays most of which have never been collected range from early pieces on London Saratoga and Newport to articles on World War One that are among James s final writings LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries

*Brideshead Revisited* Evelyn Waugh,2012-07-26 Evelyn Waugh s beloved masterpiece with an introduction by Paula Byrne The most nostalgic and reflective of Evelyn Waugh s novels Brideshead Revisited looks back to the golden age before the Second World War It tells the story of Charles Ryder s infatuation with the Marchmains and the rapidly disappearing world of privilege they inhabit Enchanted first by Sebastian Flyte at Oxford then by his doomed Catholic family in particular his remote sister Julia Charles comes finally to recognise his spiritual and social distance from them Lush and evocative Expresses at once the profundity of change and the indomitable endurance of the human spirit The Times

**A Taste of Power** Elaine Brown,1993-12-01 Profound funny wild and moving heartbreaking accounts of a lonely black childhood Brown sees racial oppression in national and global context every political word she writes pounds home a lesson about commerce money racism communism you name it A glowing achievement Los Angeles Times Elaine Brown assumed her role as the first and only female leader of the Black Panther Party with these words I have all the guns and all the money

I can withstand challenge from without and from within Am I right Comrade It was August 1974 From a small Oakland based cell the Panthers had grown to become a revolutionary national organization mobilizing black communities and white supporters across the country but relentlessly targeted by the police and the FBI and increasingly riven by violence and strife within How Brown came to a position of power over this paramilitary male dominated organization and what she did with that power is a riveting unsparing account of self discovery Brown s story begins with growing up in an impoverished neighborhood in Philadelphia and attending a predominantly white school where she first sensed what it meant to be black female and poor in America She describes her political awakening during the bohemian years of her adolescence and her time as a foot soldier for the Panthers who seemed to hold the promise of redemption And she tells of her ascent into the upper echelons of Panther leadership her tumultuous relationship with the charismatic Huey Newton who would become her lover and her nemesis her experience with the male power rituals that would sow the seeds of the party s demise and the scars that she both suffered and inflicted in that era s paradigm shifting clashes of sex and power Stunning lyrical and acute this is the indelible testimony of a black woman s battle to define herself *A Gathering of Days* Joan W. Blos,1979 The journal of a fourteen year old girl kept the last year she lived on the family farm records daily events in her small New Hampshire town her father s remarriage and the death of her best friend *Women, Horse Sports and Liberation* Erica Munkwitz,2021-07-13 Shortlisted for the 2022 Lord Aberdare Literary Prize This book is the first full length scholarly examination of British women s involvement in equestrianism from the eighteenth through the twentieth centuries as well as the corresponding transformations of gender class sport and national identity in Britain and its Empire It argues that women s participation in horse sports transcended limitations of class and gender in Britain and highlights the democratic ethos that allowed anyone skilled enough to ride and hunt from chimney sweep to courtesan Furthermore women s involvement in equestrianism reshaped ideals of race and reinforced imperial ideology at the zenith of the British Empire Here British women abandoned the sidesaddle which they had been riding in for almost half a millennium to ride astride like men thus gaining complete equality on horseback Yet female equestrians did not seek further emancipation in the form of political rights This paradox of achieving equality through sport but not through politics shows how liberating sport was for women into the twentieth century It brings into question what emancipation meant in practice to women in Britain from the eighteenth through twentieth centuries This is fascinating reading for scholars of sports history women s history British history and imperial history as well as those interested in the broader social gendered and political histories of the nineteenth and twentieth centuries and for all equestrian enthusiasts
