Maine Road Voices:

Maine Road Voices Andrew Waldon, 2002 This book combines the reminiscences of local people with old photographs and archived images to show the history of various local areas in Great Britain This title looks at Maine Road the stadium that was home to the Manchester City Football Club for 70 years *Dead Voices* Rick Hautala, 2018-04-14 ONLY THE DEAD ARE TRULY SAFE A young girl killed on a desolate highway A mother agonized by unceasing guilt In the vivid light of day in the nightmare depths of sleep her daughter calls to her from the grave And soon she ll know if the voices she hears are a warning from a loved one or do they speak of a revenge beyond the limits of death itself Don t believe your ears **My Voice: Danny Herman** Danny Herman, 2024-09-10 Danny Herman was born in 1935 in Knigsberg in East Prussia As the Nazis were rounding up Jews Danny s father managed to escape to England in July 1939 He travelled to the Kitchener Camp in Kent which helped refugees secure visas for safer places Danny and his mother arrived in England just three days before war was declared in 1939 and his father was later sent to an internment camp on the Isle of Man Danny went on to become a successful runner competing in many international athletics events and volunteering in many roles including at the 2002 Commonwealth Games Danny s detailed memories of arriving in England initially at the seaside in Kent and then moving to Manchester create a vivid picture of life changing events as experienced by a young child Danny s book is part of the My Voice book collection a stand alone project of The Fed the leading Jewish social care charity in Manchester dedicated to preserving the life stories of Holocaust survivors and refugees from Nazi persecution who settled in the UK The oral history which is recorded and transcribed captures their entire lives from before during and after the war years The books are written in the words of the survivor so that future generations can always hear their voice The My Voice book collection is a valuable resource for Holocaust awareness and education *Voices of Pineland* Stephen T. Murphy, 2011-07-01 *Voices of Pineland* Eugenics Social Reform and the Legacy of Feeble-mindedness in Maine by Stephen Murphy tells the story of the Maine School for the Feeble-minded later known as Pineland Hospital and Training Center Based on an in depth analysis of annual institutional reports newspaper clippings legal documents and other archival sources as well as interviews with former residents their family members and staff Murphy traces the history of the Maine institution from its founding in 1908 to its eventual closure in 1996 Prior to 1908 Maine sent many of its citizens with intellectual and developmental disabilities to Massachusetts When the state established the Maine School for the Feeble-minded it modeled it after an institution in Massachusetts that had been the first asylum for so-called idiots in the United States Murphy shows the influences of both social forces and the personalities of superintendents elected officials and eventually lawyers advocates and court officials on Pineland s history *Voices of Pineland* is more than the story of Maine s institution for the feeble-minded though It provides a lens through which to view the history of people with intellectual disabilities in twentieth century America The founding of the Maine School for the Feeble-minded was a product of the eugenics fervor that swept the country around the turn of the

century and continued for several decades The feeble-minded were seen as a cause of a broad range of social problems and a threat to the social order Like other states Maine turned to the institution and later involuntary sterilization to prevent the feeble-minded from spreading their alleged defective genes The population of the Maine school steadily grew and the institution soon became overcrowded and understaffed As early as 1938 charges of abuse and neglect at the institution were reported in the press This predated the flurry of exposes on state schools and mental hospitals in the national media including Life magazine and Reader's Digest in the post World War II era *Family Voices* George Link, Martha
