Maine Sawmills A History

Richard William Judd, Patricia A. Judd

Maine Sawmills A History:

Maine Sawmills Paul E. Rivard, 1990-01-01 *A History of Maine Railroads* Major Bill Kenny USAF (Ret.), 2020-06-22

Maine is populated with intriguing characters who set in motion a fascinating compelling story of railroads and the unique communities they helped to build One of the first states to build railroads and trolleys in the United States Maine at one point had more than ninety communities with trolleys Standard gauge and two footers crossed the state including the St Lawrence Atlantic and the Bangor Aroostook From an international electric trolley to the attempted World War I dynamiting of a railroad bridge between the United States and Canada the state is home to a rich rail heritage Join Bill Kenny as he takes you on a journey from the first tracks made of wood to today s high speed Downeaster Amtrak train **History of the Lumber Industry of America** James Elliott Defebaugh, 1907 *Nameless Towns* Thad Sitton, James H. Conrad, 2010-01-01 A comprehensive history of the sawmill towns of East Texas in the nineteenth and twentieth centuries Sawmill communities were once the thriving centers of East Texas life Many sprang up almost overnight in a pine forest clearing and many disappeared just as quickly after the company cut out its last trees But during their heyday these company towns made Texas the nation s third largest lumber producer and created a colorful way of life that lingers in the memories of the remaining former residents and their children and grandchildren Drawing on oral history company records and other archival sources Sitton and Conrad recreate the lifeways of the sawmill communities They describe the companies that ran the mills and the different kinds of jobs involved in logging and milling They depict the usually rough hewn towns with their central mill unpainted houses company store and schools churches and community centers And they characterize the lives of the people from the hard awesomely dangerous mill work to the dances picnics and other recreations that offered welcome diversions Winner T H Fehrenbach Award Texas Historical Commission After completing the book I truly understood life in the sawmill communities intellectually and emotionally It was very satisfying Conrad and Sitton write in such a manner to make one feel the hard life smell the sawdust and share the danger of the mills The book is compelling and stimulating Robert L Schaadt Director Archivist Sam Houston Regional Library and Research Center **Within Katahdin's Realm** Bill Geller, 2018

Logging and Lumbering in Maine Donald A. Wilson, 2001 Known as the Pine Tree State Maine once led the world in lumber production It was the first great lumber producing region with Bangor at its center Today the state has nearly eighteen million acres of timberland and forest products still make up a major industry Logging and Lumbering in Maine examines the history from its earliest roots in 1630 to the present providing a pictorial record of land use and activity in Maine The state s lumber industry went through several historical periods beginning with the vast pine and spruce harvests the organization of major corporate interests the change from sawlogs to pulpwood and then to sustained yields intensive management and mechanized harvesting At the beginning much of the region was inaccessible except by water so harvesting activities were concentrated on the coast and along the principal rivers Gradually as the railroads expanded and roads were

constructed into the woods operations expanded with them and the river systems became vitally important for the transportation of timber out of the woods to the markets downstate Logging and Lumbering in Maine traces these developments in the industry taking a close look at the people places forests and machines that made them possible *Holy Old Mackinaw* Stewart H. Holbrook,2016-06-01 Holy Old Mackinaw is the rough and lusty story of the American lumberjack at work and at play from Maine to Oregon In these modern days timber is harvested by cigarette smoking married men whose children go to school in buses but for nearly three hundred years the logger was a real pioneer who ranged through the forests of many states steel calks in his boots and ax in his fist a plug of chew handy who emerged at intervals into the towns to call on soft ladies and drink hard liquor **Minnesota History** Theodore Christian Blegen,Theodore Ludwig Nydahl,1960 Minnesota History was first published in 1960 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Anyone interested in Minnesota history whether as a teacher as a student or as a general reader will find this an invaluable guide to reading and study The book contains an outline of the state s history questions and suggestions for the student and lists of reading material for each of the 42 topical sections into which the outline is divided The outline covers the entire history of the state from the time of the Indians before the French and British explorations to the present The reading references include accounts written from the seventeenth through the twentieth centuries The aim in preparing the reading lists was to include any article or book bearing upon the Minnesota story which met the qualifications of good historical writing and fair accessibility Materials of particular interest or importance to the topic under consideration are so designated and there are liberal annotations to help the reader in his choice of readings References which are particularly appropriate for young readers are also specially designated A number of maps are provided for additional guidance This is a complete revision of a book long out of print Minnesota History A Study Outline by Theodore C Blegen **Aroostook** Richard William Judd,Patricia A. Judd,1988 *A History of Lumbering in Maine* Richard George Wood,1971 **A History of Lumbering in Maine, 1820-1861** Richard George Wood,1935 *Forestry in Minnesota* Samuel Bowdlear Green,1902 **History of Piscataquis County, Maine** Amasa Loring,1880 Creating Portland Joseph A. Conforti,2007-08-31 The only comprehensive study of Portland s history culture and people The Penobscot Man Fannie Hardy Eckstorm,2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant A Brief History of Forestry Bernhard Eduard Fernow,1913 *The Saw in History*

Henry Disston & Sons, Inc. (Philadelphia, Pa.),1916 **The Saco River** David Robinson,Elizabeth Tanefis,2010 From its source in New Hampshire s White Mountains to its mouth at Saco Biddeford the Saco River draws visitors and residents alike to swim fish canoe and white water kayak The Saco brought tourists to the White Mountains and influenced the development of both large and small towns shaping their history and creating bustling centers of industry The Saco River documents the river through postcards from 1905 to the 1940s when mills dominated the landscape *Molly Spotted Elk* Bunny McBride,1997-09-01 This biography chronicles the extraordinary life of twentieth century performing artist Molly Spotted Elk Born in 1903 on the Penobscot reservation in Maine Molly ventured into show business at an early age performing vaudeville in New York starring in the classic docudrama The Silent Enemy then dancing for royalty and mingling with the literary elite in Europe In Paris she found an audience more appreciative of authentic Native dance than in the United States There she married a French journalist but she was forced to leave him and flee France with her daughter during the German occupation of 1940 Using extensive diaries in conjunction with letters interviews and other sources Bunny McBride reconstructs Molly s story and sheds light on the pressure she and her peers endured in having to act out white stereotypes of the Indian *Colonial Entrepreneur* Olivia E. Coolidge,1999 Dr Silvester Gardiner was an extraordinary individual In telling his story Coolidge traces the early settlement of Maine from the first settlers struggling to survive bitter winters in crude huts to the gradual establishment of trade sawmills gristmills and other commerce and then attempts to increase the population with immigrants and instill civilization through the firm hands of religion government and Dr Gardiner

As recognized, adventure as without difficulty as experience practically lesson, amusement, as skillfully as harmony can be gotten by just checking out a books **Maine Sawmills A History** along with it is not directly done, you could agree to even more not far off from this life, in the region of the world.

We find the money for you this proper as without difficulty as simple pretension to get those all. We pay for Maine Sawmills A History and numerous book collections from fictions to scientific research in any way. along with them is this Maine Sawmills A History that can be your partner.
