Historical Society**

## Maine Volume 1:

One Morning in Maine Robert McCloskey, 1976-09-30 A Caldecott Honor Book Today is a special day for Sal because she gets to go to Buck's Harbour with her dad But when she wakes up to brush her teeth with her baby sister she discovers something shocking Her tooth is loose And that's just the start of a huge day

**Hopeless, Maine Volume 1: Personal Demons** Tom and Nimue Brown, 2012-11-27 The small island of Hopeless off the coast of Maine is a breeding ground for demons freaks vampires and other creatures of the night Our story follows Salamandra a young girl with one foot in our world and one foot in the otherworld as she navigates a life on the edge of reality

*Good Night Maine* Adam Gamble, 2011-11-14 From lobster boats to puffins this delightful board book celebrates everything the great state of Maine has to offer Young readers will recognize all their favorite sites and attractions including whales Acadia National Park black bears seals rafters and kayakers boating beaches lakes moose Mount Katahdin lighthouses villages and more

*At One* Lynn Plourde, 2007 The author lyrically celebrates the inspirational beauty of her home state of Maine from Baxter State Park to the Atlantic Ocean

*I Met a Moose in Maine One Day* Ed Shankman, 2008 A young boy and a moose go on a fun filled tour of the state of Maine

**Maine Wild** Megan Price, 2013-10-01 Sometimes dangerous always humorous adventures of Maine warden Parker Tripp told as if readers are listening around a campfire Illustrated Stories read and loved by ages 9 to 99 280 pages Follows Vermont Wild trilogy

*The Lowering Days* Gregory Brown, 2021-03-02 In *The Lowering Days* Gregory Brown gives us a lush almost mythic portrait of a very specific place and time that feels all the more universal for its singularity There's magic here Richard Russo Pulitzer Prize winning author of *Empire Falls* and *Chances Are* A promising literary star makes his debut with this emotionally powerful saga set in 1980s Maine that explores family love the power of myths and storytelling survival and environmental exploitation and the ties between cultural identity and the land we live on If you paid attention you could see the entire unfolding of human history in a story Growing up David Almerin Ames and his brothers Link and Simon believed the wild patch of Maine where they lived along the Penobscot River belonged to them Running down the state like a spine the river shared its name with the people of the Penobscot Nation whose ancestral territory included the entire Penobscot watershed the land upon which the Ames family eventually made their home The brothers' affinity for the natural world derives from their iconoclastic parents Arnoux a romantic artist and Vietnam War deserter who builds boats by hand and Falon an activist journalist who runs *The Lowering Days* a community newspaper which gives equal voice to indigenous and white issues But the boys' childhood reverie is shattered when a bankrupt paper mill once the Penobscot Valley's largest employer is burned to the ground on the eve of potentially reopening As the community grapples with the scope of the devastation Falon receives a letter from a Penobscot teenager confessing to the crime an act of justice for a sacred river under centuries of assault For the residents of the Penobscot Valley the fire reveals a stark truth For many the mill is a lifeline providing working class jobs they need to survive Within the Penobscot Nation the

mill is a bringer of death spewing toxic chemicals and wastewater products that poison the river's fish and plants. As the divide within the community widens, the building anger and resentment explodes in tragedy, wrecking the lives of David and those around him. Evocative and atmospheric, pulsating with the rhythms of the natural world, *The Lowering Days* is a meditation on the flow and weight of history, the power and fragility of love, the dangerous fault lines underlying families and the enduring land where stories are created and told.

**Maine** Neil Rolde, 1990. Historian, writer, and former legislator Rolde gives us the complete history of Maine, politics and beyond. From the Stone Age to the New Age, *Maine: A Narrative History* honors ballyhoos, investigates and studies the people and politics that built and continue to influence life in the State of Maine. Filled with intriguing facts, photographs, maps, and memorabilia, this one-volume narrative is an excellent reference guide and an entertaining read.

**Handcrafted Maine** Katy Kelleher, 2017-07-18. Amid the sublime beauty of Maine, its primordial forests, remote lakes, rugged mountains, and craggy coastline, blooms a handmade culture fed by heritage, self-sufficiency, and collaboration. *Handcrafted Maine: Art, Life, Harvest, Home* features lively profiles of more than twenty artists, artisans, and craftspeople: weavers and potters, a painter, an architect, a boatbuilder, a leatherworker, bakers, lobstermen, and more, at work in the woods, towns, and cities of Maine, celebrating the triumphs and challenges of entrepreneurship and independence. Including more than 225 inspiring color photographs and intimate narrative portraits, *Handcrafted Maine* provides a window into the inner lives of creatives and brings to life the powerful environment and spirited character that nurture the unbridled ingenuity and common-sense approach to craft and life found Down East.

**This Day in Maine** Joseph Owen, 2021-08-03. Since achieving statehood in 1820, Maine has developed into a sometimes mythical vacationland of moose and lobsters and lighthouses set against breathtaking vistas and endless natural beauty. But the state's history is more real than postcards, replete with tragedy and triumph and boasting powerful politicians, brilliant inventors, successful athletes, and talented creative professionals. Although a small state, it has often touched the world in an outsized way, from the heroics of Joshua Lawrence Chamberlain at Little Round Top during the Civil War to the inspiration and sadness of young Samantha Smith during the Cold War. Along the way, Margaret Chase Smith has inspired, Stephen King has scared, and the Ice Storm challenged. This fascinating book from Joseph Owen, a long-time newspaperman, chronicles day by day from January 1 to December 31 the highlights and lowlights, the famous and infamous, and the big and small of everyday life in Maine. Perfect for history buffs, lovers of Maine, and those looking to learn more about the state during its bicentennial.

**Maine** American Historical Society, Maine Historical Society, 2013-11. This is a reproduction of a book published before 1923. This book may have occasional imperfections, such as missing or blurred pages, poor pictures, errant marks, etc., that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and, despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide.
